

COX
GREEN
SCHOOL

Be Respectful - Be Kind - Be Determined

OUR VALUES

Our vision is to provide a curriculum which enables all learners to achieve their maximum potential and is relevant to life in modern society. It provides depth, breadth, challenge, enjoyment and progression at all levels; it promotes choice and allows specialisation; it enables learners to work towards fulfilling their aspirations.

**“AN ASPIRATIONAL SCHOOL...
IN WHICH TEACHING AND
LEARNING THRIVE.”**

Cox Green is a community school proud of both its students and staff. Our values are at the core of all we do. Our ambition is that every member has the opportunity to realise their aspirations in an environment where they feel supported and safe. Students progress from Cox Green as well-rounded citizens with the life skills required to be successful for their next steps. At Cox Green School our mission statement is to have the highest aspiration for our school and every member of our community, where all feel respected and able to develop to their potential.

Our values are driven by our mission statement and underpins all at Cox Green School. Our values are;

Be Respectful – Respect for ourselves and those around us.

Be Kind – Supporting one another and being considerate of others.

Be Determined – Showing a willingness to improve and better ourselves.

These key values allow our culture of success to operate embedding opportunities for all at Cox Green School.

**“Expert staff get to know pupils well and this creates positive relationships between
staff and pupils.”**

COX GREEN SCHOOL

WELCOME

Cox Green is a thriving, highly successful and vibrant learning community; where achievement is underpinned by outstanding relationships, a passion for learning and a commitment to the development of the whole child.

Cox Green provides a secure and happy environment for positive and exciting learning experiences. From their first day here, Cox Green students will be motivated, challenged and engaged by high quality teaching and so develop a lifelong love of learning. Students, in partnership with school and home, will be active, independent and resilient learners. All of our students will receive the support and encouragement they need to become successful, confident and mature young people.

We are fiercely committed to providing all of our students with an education of the highest quality and value a strong sense of community. We know that excellent schools are those that not only promote high academic standards but also have a deep concern for others. With the support of exceptional pastoral care and guidance, extra-curricular activities and strong community links, the personal development of all students will be outstanding. Students will then move on from Cox Green as confident, global citizens equipped to serve each other, parents and the wider community.

To achieve the very best, leadership and teamwork are required and that is why we seek to build active partnerships with our parents, based on shared goals and supported by clear and regular communication.

We know that this prospectus can only give you a flavour of school life, so we warmly invite you to visit. You will then be able to meet our best ambassadors – our students.

MAKING A DIFFERENCE

Cox Green is a vibrant, ambitious, and highly successful school with a proven track record of excellence. We are proud to inspire ambition, unlock potential, and transform the lives of the young people who join our community.

At Cox Green, education is about more than grades—it's about shaping confident, capable individuals who are ready to make their mark on the world. We believe every student has the ability to achieve greatness, and we are committed to providing the challenge, support, and inspiration they need to succeed.

We set the highest expectations because we know our students can achieve them. They gain outstanding academic results, develop vital skills for life, and grow the confidence to think independently and express themselves with assurance. Alongside their studies, they are encouraged to explore new opportunities, embrace fresh experiences, and build resilience, preparing them to thrive in tomorrow's society.

Life at Cox Green is exciting, dynamic, and rewarding. Our students rise to challenges, celebrate their successes, and enjoy every step of their journey. We don't just deliver education—we create opportunity. Cox Green makes a real difference to young lives, and in turn, our students go on to make a real difference to the lives of others.

"WE ARE DELIGHTED WITH COX GREEN AND HOW IT PROVIDES FOR OUR CHILDREN ACADEMICALLY, SOCIALLY AND EMOTIONALLY."

YEAR 7 PARENT

“The school is calm and orderly. Staff and pupils know routines well.”

THE LEARNING

At Cox Green, we want every student to receive a first-class education. We recognise that it is the quality of teaching and learning that makes the greatest difference to students’ achievement. We therefore cater for individual needs, aptitudes, and learning styles—building on each child’s strengths and interests to develop their confidence.

By designing lessons that are active, stimulating, and challenging, our highly qualified staff channel students’ energy into purposeful learning. Learning is at the heart of everything we do, and our strong examination results are a testament to this commitment.

Our students benefit from an exciting, broad, and balanced curriculum that fosters a genuine love of learning. It builds on the achievements of primary school and prepares students for post-16 education and lifelong learning. Our core curriculum at Key Stage 3 includes English, Mathematics, Science, Languages, Geography, History, Religious Education, Performing Arts, ICT, Physical Education, Art and Design, Technology, and PSHCE. At Key Stage 4 and 5, we provide highly personalised learning programmes, offering a wide range of academic and vocational courses.

In addition, we are proud to deliver a distinctive and inspirational curriculum that is particularly strong. It equips students not only with the academic skills and rigour required for higher education but also with the qualities to become excellent communicators, effective team players, and highly creative and imaginative individuals.

HOME LEARNING

At Cox Green, we believe that independent learning, time management, and personal organisation are essential life skills that empower students to succeed both academically and personally. By nurturing these qualities, we equip our students not only for success at school, but also for the challenges and opportunities they will encounter in further education, employment, and beyond.

Homework is set regularly and is thoughtfully designed by each department to extend classroom learning and build resilience. Assignments are accessible through Microsoft Teams, ensuring a consistent and user-friendly platform for all learners. Each task is carefully tailored to subject requirements and student needs, making home learning both purposeful and engaging. Parents remain fully informed of their child's progress through Edulink, reflecting our strong belief in the importance of a close partnership between home and school—a vital ingredient in every student's educational journey.

To support students in becoming confident, self-motivated learners, we provide outstanding facilities for independent study. Our fully equipped computer suites give students access to the latest technology, while our on-site public library offers a calm and resource-rich environment for research, reading, and revision. Together, these resources help students take ownership of their learning, develop effective study habits, and flourish as independent thinkers.

At Cox Green, we don't just prepare students for exams—we prepare them for life.

“Students choose from a variety of vocational and academic subjects that prepare them well for future study, apprenticeships or work.”

MORE ABLE

At Cox Green, we are proud to nurture and inspire our more able students as part of our inclusive and ambitious school community. We believe in unlocking potential and fostering excellence, ensuring that every student has the opportunity to thrive.

Our curriculum is designed not only to educate, but also to excite and challenge—pushing boundaries in the classroom and encouraging a lifelong love of learning. Teachers deliver stimulating lessons that stretch students’ thinking, helping them to develop resilience, independence, and creativity.

Beyond the classroom, we provide a wealth of enriching opportunities to broaden horizons and raise aspirations. From residential visits and masterclasses to specialist workshops and visits to world-leading universities, our students gain invaluable experiences that spark ambition and open doors to the future.

At Cox Green, we don’t just teach our more able students—we empower them to achieve their very best and to aim even higher.

SUPPORT FOR LEARNING

We are committed to ensuring that every student has the opportunity to flourish, whatever their individual needs. Tailored support is provided through our dedicated specialist teachers and teaching assistants, who work closely with students in the classroom to nurture confidence, progress, and independence.

For those who require additional support, we also offer carefully designed intervention programmes, delivered in small groups or one-to-one sessions. These create a safe, encouraging environment where every student can thrive. We are proud to have our own in-house Speech and Language Therapist, offering highly specialised expertise to strengthen communication and learning skills. In addition, we work closely with a range of trusted external agencies to provide holistic support for students’ personal development. From counselling and therapeutic workshops to bespoke learning provision, we ensure every child has access to the right guidance, care, and encouragement.

At Cox Green, we believe in supporting the whole child—empowering them to achieve their full potential, both academically and personally.

OUR COMMUNITY

At Cox Green, we want every student to feel part of a strong, vibrant, and caring community. Our school has a welcoming atmosphere where students feel safe, confident, and supported. High standards of behaviour are central to our ethos, but just as important is the genuine help and encouragement offered by our dedicated staff through our strong pastoral system.

We know that the move from primary to secondary school is a big step. That's why we build excellent links with local primary schools and take time to get to know each child before they join us. All new students are invited into Cox Green during the Summer Term, giving us the chance to celebrate their achievements, explore their interests, and ease any concerns. Our staff and older students are especially enthusiastic about helping new arrivals settle quickly and happily into school life.

Our community is founded on courtesy, integrity, and respect, with students encouraged to take pride in themselves and their appearance. Discipline underpins our approach, but it is balanced with a spirit of fun, energy, and belonging that makes Cox Green such a special place to learn.

We also believe in celebrating success at every stage. Students are expected to take an active role in their education, and we recognise and reward excellent attendance, hard work, and positive behaviour through a strong culture of encouragement and achievement.

PERSONAL DEVELOPMENT

Personal Development (PD) at Cox Green is designed to empower students to navigate life's challenges with confidence and resilience. We want every student to thrive by equipping them with the knowledge, skills, and experiences they need to make good decisions, learn from setbacks, and celebrate successes.

Students take part in regular PD lessons, careers sessions, tutor time, and assemblies—many of which are student-led—alongside a wide variety of enrichment activities.

Leadership is at the heart of our approach. From Student Voice and Prefects to a wide range of clubs, societies, and trips, students are given meaningful opportunities to develop their confidence and leadership skills both within school and beyond. These experiences also celebrate diversity and encourage exploration across a broad range of subjects and interests.

Above all, we are proud to see our students living out the Cox Green values of kindness, respect, and determination—qualities that will support them not only in school, but throughout their lives.

OUR PARENTS

We know that our students achieve their very best when there is a strong and trusted partnership between home and school. At Cox Green, we work energetically to strengthen links with families, ensuring that parents and carers feel fully involved in their child's education.

We keep families informed of progress through regular Parents' Evenings and detailed reports. Attendance is monitored closely, and we will always contact parents promptly if any concerns arise.

We ask parents and carers to support us by:

- Encouraging high standards of appearance, behaviour, attendance, and learning.
- Supporting and following the school's Code of Conduct, behaviour, and anti-bullying policies.
- Maintaining close communication with the school through the many channels available.
- Attending Parents' Evenings and meetings at the school.

Together, we can ensure that every student at Cox Green is supported to thrive, both academically and personally.

“Pupils and staff are rightly proud of the large range of clubs provided at lunchtime and after school.”

BEYOND THE CLASSROOM

At Cox Green, academic achievement is a priority but we also recognise the equal importance of the skills and talents that make each student unique. Our values of kindness, respect, and determination inspire students to join groups, take part in activities, and immerse themselves fully in school life.

We are proud of our fantastic facilities, which include extensive playing fields, astro-turf pitches, a theatre, and dedicated music practice rooms. Beyond the classroom, students enjoy a wide range of trips and access to clubs that enable them to nurture their individual talents, build confidence, and truly thrive.

Students are also encouraged to take on leadership roles and participate fully in the wider school community. In doing so, they develop invaluable transferable skills such as teamwork, communication, and resilience that will support them throughout their education and into their future lives.

ASPIRATION AND SUCCESS

The vast majority of our students choose to continue their journey with us into the Sixth Form, where they benefit from high-quality teaching, excellent facilities, and a wide range of opportunities. Many of our students progress to top universities, while others successfully pursue specialist courses, apprenticeships, or workplace training.

Through our Sixth Form federation and dedicated careers provision, every student receives personalised guidance and support to help them make the right choices for their future.

We are proud to see our students flourish as they move on from Cox Green as confident, ambitious young adults. Whether achieving outstanding examination results, raising their aspirations, or realising their full potential, our students leave us ready to embrace the exciting opportunities that lie ahead.

“DURING MY TIME AT COX GREEN I HAVE MET INSPIRATIONAL TEACHERS,
MADE BRILLIANT FRIENDS AND I KNOW I WILL COME OUT WITH THE
GRADES THAT I WANT.”
