## Letter from the Principal

Dear Alumnae, Parents and Friends,

My first year as Principal proved to be challenging and full of joy. As I greeted the girls each morning, I was able to learn more about them. It also gave me the opportunity to congratulate them, encourage them and, when necessary, admonish them. The personal touch that is afforded by a small school is what D.A. is all about. Our girls flourish as a result of the special relationships that they have with one another, with the faculty and with the staff. We flourish as a result of our relationship with you.

The many opportunities to meet and get to know our alumnae have helped me to see what the future holds for our girls and it excites me to be a part of their formative years. I have been so impressed with the women I have met. Not only are our alums successful, but many are willing to reach out and support our efforts with their time, talent or treasure. Thank you, alumnae, for being such good role models and being generous with your support.

Our girls face many challenges in this fast-paced, digital world. We strive to provide a solid foundation for them so they can navigate these challenges successfully and safely; turning them into opportunities. I have come to understand that we at D.A. have a responsibility to fortify the building blocks upon which each girl builds her unique future. As such, we continue to invest in our faculty, supporting their professional development and providing the tools they need to be effective. D.A. is very fortunate to have an experienced and talented faculty and staff. Thank you, faculty, for doing your best and responding to the ever rising standards in education.

Speaking of building blocks, our beautiful 90-year-old building has been a particular focus this year. Thanks to the generosity of the Robotti/Murray families, the class of 1958, and several other donors, we have renovated the Science Lab this summer. The removal of the central posts has opened up the room and its many possibilities. I also want to thank two of our fathers – Tom Kelly P' 13 and Rob Pollastro P'13– who volunteered to repair and paint Room 4. Thanks go out to the class of 1960 who generously donated some of the funds needed to repair and repaint the skylight. Unfortunately, we also had to replace our boiler, repaint the red stairwell and replace the carpeting in that stairwell. Constant vigilance is the only way to ensure that our girls have a safe and inspiring learning environment. Thank you, friends, for keeping our gem of a building in such good shape and educationally innovative.

We work hard to be good stewards of your generous gifts. We need your continued support to ensure that our mission of “educating and challenging young women to realize their full spiritual, intellectual, moral and social potential” is achieved.

As I reviewed the following pages, I am so grateful for all the support you gave this year. May our generous God bless you throughout the year as you have blessed us. You will be in our prayers.

Peace,

*Sr. Barbara Kane, O.P.*

## Letter from the Board of Trustees' Chair

Dear Friends,

At my Commencement from DA, I believed that I was leaving Dominican Academy forever. At that time, DA's place in my heart had mainly to do with the people I met here and the way they related to me. It was not until many years later that I fully realized that DA had a much greater and far reaching impact on me.

As I end my second term on the Board, reaching this “second” Commencement date took a bit longer - six years instead of four. Surprisingly, it has been an even more rewarding experience for me than the first.

Certainly it still has a lot to do with the people. You, my fellow Board members, the Dominican Sisters of Peace, as well as the students, the faculty and the parents that I have interacted with over the years all share the same love for and commitment to DA. You are what makes doing the work we do such a pleasure.

During my second tour at DA, the first new thing I learned was that DA is much more fragile than I could have imagined when I was 18. The bursting pipes, creaky elevators and priceless surroundings all require constant care and monitoring. Managing the budget, maintaining high standards of education, keeping pace with changing technology, along with the growing skepticism toward a Catholic education are all small risks that become large threats when targeted at a little institution like DA. My first few board years had me quite frightened about DA's ability to survive in this cold cruel world. Yet, despite DA's fragility, I am confident that DA will not only survive but thrive.

I have that confidence because the second thing I learned during those six years at DA was to have faith. The elevators do get fixed. The science lab has been built. Even though we are faced with many challenges, we continue to forge ahead and graduate more and more intelligent women who will hopefully come to realize that no one really leaves DA forever. Being a Catholic at this time in history and certainly here, in this city, can sometimes feel like a test. My work here at DA has made me look at things with a longer term view. Our faith has been questioned often over the centuries, beginning immediately after Jesus' death. Witnessing six years worth of people's love and dedication and efforts toward this special school has taught me that our beliefs will lead to our success.

I know that at my first Commencement faith meant something quite different to me. Today, I am very grateful to you, my fellow Board members and the whole DA community for giving me this second education. As you read the pages that follow please be grateful to these people who help us continue the tradition of DA.

Gratefully,

*Jackie Cosgrove Morriss*

# Science Lab Giving

The momentum to renovate the lab first began when the class of 1958 celebrated their 50th class reunion in October of 2008. The Robotti and Murray families embraced this positive energy and donated the majority of the funds needed to rebuild DA's lab in memory of Barbara Robotti Murray '64.

There is a matching gift challenge in place now. All donations to the Science Lab fund will be matched dollar for dollar up to \$35, 000. The following generously donated to the Science Lab.

# ALUMNAE GIVING

## THE DOMINICAN ALUMNAE ASSOCIATION

The Alumnae Association’s mission is to encourage all alumnae to maintain a strong connection with each other as well as with the school. Every year, these alumnae help coordinate events such as the Rooftop Reconnection Reception in September, All Class Reunion in October, Young Alumnae Welcome Back in December, Lady Wellesley Snack Social in January and Career Day in May.

Alumnae are invited to attend various events throughout the year and are encouraged to give back to Dominican Academy so that this new generation of students can benefit from a Dominican Academy education. The Alumnae Association also meets throughout the year – all are welcome to join. Meetings will be posted on our website’s calendar.

## CLASS REPRESENTATIVE PROGRAM

The Class Representative encourages her classmates to keep in touch with each other and with the school in a variety of ways. Each representative helps locate alumnae who are “missing,” shares her class’ personal news (Alum Notes) to be published biannually in *Veritas*, and helps coordinate her Class Reunion. This includes coordinating a Class Gift to support the school’s greatest needs. If you want to become a Class Representative, please let us know by e-mailing [alumnae@dominicanacademy.org](mailto:alumnae@dominicanacademy.org). The more reps a class has, the better connected you will become!

## CLASS GIVING FROM 2009 & 2010 REUNIONS

Dominican Academy celebrated classes ending in “4” and “9” in October of 2009.

The class of 1960 celebrated their milestone 50th reunion in June 2010, bringing in \$10,035 for their class gift, which will go toward renovating the Mezzanine. We are very grateful to each and every class for their generosity and for giving back to their beloved school. Remember, every gift you make, whether large or small, has an impact on Dominican Academy and its students.

## Parent Giving

Parents at Dominican Academy are generous in many ways. The Parents' Association raised \$40,000 for Dominican Academy through their sponsored events that celebrate their daughters, such as the Father-Daughter Dance and the Mother-Daughter Luncheon. In addition to these events, parents donate their gift of time to school-sponsored events, such as Open House, Meet the Teachers Night, and the annual Christmas Party.

Dominican Academy is grateful for the continued support of the Parents' Association. Their everlasting kindness is an example to all.

## Student Giving

Students give back to Dominican Academy even before they graduate! The Walkathon, which began in 1987, is the only student fundraiser at the school. At this event, the young women of Dominican Academy join their brother school, Regis High School, in a walk around Central Park to raise money for their respective schools.

In order to reach their quota, students solicit donations from relatives, employers, neighbors, and local businesses. Funds raised are used towards student scholarships, as well as much-needed school support. It helps us to bridge the gap between tuition and the actual costs of running the school.

In 2009-2010, the Walkathon brought in a total of \$59,871. Special thanks go to those who took their fundraising abilities to the next level: Michelle Costanza '13, who raised \$1,050; Vikki Soldatos '13 who raised \$800; and Amanda Bakowski '10 and Teresa Sullivan '13 who each brought in \$750. Dominican Academy's Principal, Sr. Barbara Kane, O.P. was the top contributor this year, bringing in \$1,677!

# Partners for Scholarships Giving

On April 22, 2010, Dominican Academy hosted its annual scholarship event, *Partners for Scholarships*. This event, sponsored by the Board of Trustees, is the major fundraiser for the year for Dominican Academy. The proceeds from the event fund the Board of Trustees Scholarship, awarded to an outstanding freshman for her four years of study.

The elegant reception was held both on the Mezzanine and in the Auditorium, nestling the nearly 100 guests comfortably within the school's walls. Guests dined on hors d'oeuvres as they bid on the numerous auction items: an Italian night

on the Dominican Academy rooftop, a private art tour at the Met, various pieces of Dominican Academy-themed artwork, golf outings, tickets to popular sporting events and Broadway shows, antique items, and dining certificates. This year also saw an expanded live auction – one for a week's vacation in the Hamptons; the other, meet & greet tickets to a Saturday Night Live dress rehearsal in the fall.

Next year, Dominican Academy will team up with the Parents' Association to host a larger scale event, which should not be missed! Mark your calendars now for February 10, 2011.
