### TRIG BREWERY YORK

Having been in (and out), and around the craft beer industry since 2013, founder and chief brewer, Paddy, long dreamt of having a brewery to call his own. In 2023, he decided it was time to either do something about it or stop talking about it, so here they are. Starting on a low volume nanobrew kit, they create small batch beers which allows them to experiment, explore, and develop beers that are full of flavour and don't compromise on quality for the sake of quantity.

#### ACRES

A tropical fruit cocktail of mango, grapefruit, lemon, pine, spice & herbs.

#### SCARTH

A bright, modern pale ale, generously hopped with Nelson Sauvin, Simcoe and Citra.

#### WAYFARER

Gooseberry & white grape flavours from the Nelson Sauvin are backed up by tropical aromas.

#### INTERLOPER

The mixture of biscuit, caramel & roasted malts provide a dark, full body with thick mouthfeel from the oats.
