Happy Holidays. It is officially Christmas season and we are as excited as ever. What a fun year it has been.

As the holidays begin to sparkle, our entire team wants to share a heartfelt thank you for being such an important part of the Sew-A-Lot community. This year brought full classes, wonderful events, and exciting new product launches. We loved seeing the finished projects you proudly brought in and appreciate that you continue to include us in your creative journey. Your enthusiasm and dedication inspire us every day.

A special thank you to our Centerville and Lexington community. Your passion for sewing keeps our shops lively, welcoming, and filled with joy. We are truly grateful for your continued support.

If you need a little time away from the holiday rush, join us for Holisew Day on Tuesday, December 19 from 10:30 AM to close.

Bring your machine and your projects, whether you are finishing quick repairs or stitching handmade gifts. We will have Christmas movies, good company, and a cozy space to unwind and create. Please sign up to let us know you are coming.

BERNINA 790 PRO

1 TOTAL STITCH CONTROL

The BERNINA 790 PRO provides an exclusive level of stitch control. Whether you are altering stitch length, stitch width or needle position, the machine will remember the details for you. Your personal settings can be saved and retrieved.

2 BERNINA STITCH REGULATOR (BSR)

The BERNINA 790 PRO is equipped with the BSR function. The BSR foot assists you with free-motion sewing and quilting with a straight or zigzag stitch, ensuring stitches of the exact same length even at variable sewing speeds. Beginners quickly gain confidence with the BSR, while experienced quilters acquire additional self-assurance. The BSR foot comes in the standard accessories package of the B 790 PRO. The B 790 PRO also offers three modes just for quilters and the KickStart function for comfortable quilting. The BSR 3 mode allows you to set your stitch length to 2 or 4 stitches per inch for easy quilt basting. The KickStart function enables quilting in a continuous sewing mode without having to keep constant pressure on the foot control.

3 BERNINA DUAL FEED

The innovative BERNINA Dual Feed tames hard-to-manage fabrics providing superb fabric feed and optimum visibility while sewing. Easy to engage when needed, the BERNINA Dual Feed tucks completely out of the way when it's not required.

4 SEW WITH EVEN GREATER EASE

The B 790 PRO accomplishes many tasks all by itself. The presser foot lowers automatically at the beginning of a seam. Needle threading is simple and fast with the Automatic Needle Threader. The thread is cut automatically when you reach the end of a seam, or when you wish to change colors while embroidering. Moreover, a practical extension table, which yet again significantly increases your work area, is included in the standard package.

5 BERNINA ADAPTIVE THREAD TENSION

The BERNINA Adaptive Thread Tension, a BERNINA innovation, provides ideal thread tension while sewing to achieve perfect stitch quality on both sides of the fabric. Once the tension is set according to the thread and fabric used, BERNINA Adaptive Thread Tension will constantly check the thread tension, adjusting it automatically when needed. The result is the finest stitching without pressing a button.

6 EXTENDED FREEARM

The BERNINA 790 PRO includes a meticulously engineered extended freearm with 10 inches (254 mm) of space to the right of the needle, providing you with ample space for big, beautiful sewing and embroidery projects. With its 9 mm stitch width, the B 790 PRO is ideally suited for decorative stitching.

7 JUMBO BOBBIN

The front loading, easy access Jumbo Bobbin holds up to 70% more thread than standard bobbins, allowing you to sew and embroider longer without interruption.
