Racing is our passion

At HRX we specialise in the design and manufacture of high quality racewear apparel, bringing innovative and performance-driven solutions to athletes and teams worldwide.

Founded on a passion for speed and innovation, our company accelerates the world of racing by designing and creating cutting edge products around the globe.

We are passionate about racing and committed to delivering high performance apparel that empowers our customers to achieve their goals.

HRX

HRX is what you need.

If you ever wondered how to realize the racing gear you always desired, **HRX is the answer.**

Together we can design your ideas and work them out!

How? Thanks to our technical knowledge, Italian craftsmanship and innovative technologies, we can create your bespoke kit as fast as you need. As the founder Ago Alberghino always says:

OUR PASSION IS RACING.

Made in Italy

All the HRX products are unique pieces.

- Created with our designers to develop your ideal suit that represents the best image you want to show
- Developed by our pattern-makers to give you the best fitting and comfort depending on each situation
- Entirely handmade

Every single HRX product is a focus of industrial attitude with an extra trademark of Italian craftsmanship.

All projects can be considered as a real masterpiece.

B E S P O K E

*HRX cares about materials and the planet. Waste from suit fabrics is collected and used to give life to other fabrics. Two of our suits are composed in part of recycled materials. **PASSION FOR THE PLANET.***

B E S P O K E

EMBROIDERY

Old but gold. Embroidery remains one of our cornerstones of personalization. Whether it is the initials of your name or the reproduction of your logos and designs, there are no limits for HRX.

EMB. PATCH

Not just embroidery. If you prefer to have a embroidery patch we can create it in any shape you desire.

DTF

Innovation for HRX is a watchword. We use an innovative printing system in our production that allows for greater definition and the highest level of customization potential. Try it to believe.

RUBBER PATCH

With rubber patch technology we give a new dimension to your designs.

Our technology.

Choose the technique. We put in the experience.

CLASSIC CUSTOM

By selecting from a wide range of standard product, you can customise your articles.

Put your personal logo and choose if you want it **embroidered or printed**. Combine our standard selection of the best products on the market, to the layout of your racing garments.

Trust must be earned and deserved.

HRX
BESPOKEMOTORSPORT

In order for people to give us their trust, HRX is committed to building everything on 3 basic pillars: **products, people and planet.**

PRODUCTS

Ensuring highly technical products while not compromising on their eco-sustainability.

PEOPLE

Our customers, to whom our thanks go. We constantly strive to provide the best possible service.

PLANET

To ensure that our footprint on this planet is as light as possible, we take care that our supply chain is as eco-responsible as possible.

Sustainable
Apparel Coalition

RE_LIFE

Project

Limiting waste and fostering as circular an economy as possible are among the many challenges HRX faces on a daily basis to help create a more sustainable planet.

For this very reason, starting this year we have launched an eco-responsible collection.

Our goal? To make motorsport our planet's favorite sport.
