FLEXA DOTS is a contemporary and playful furniture collection designed by Charlotte Høncke.

NOR

— Created by FLEXA —

The NOR collection is characterised by its timeless Danish design, making it easy to decorate your child's room. NOR is designed to be built and rebuild to grow with the child.

The simple white design combined with the natural oak provides an elegant expression. As a bonus info NOR means little sweet child in Danish.

DOTS

— Created by FLEXA —

The DOTS collection is known for its rounded organic shapes and soft Scandinavian colours. It is inspired by children; how they play and how they interact. DOTS is designed in four beautiful colours combined with ash legs, and three colours combined with oak legs.

JOIN MY PARTY

I love to celebrate my birthday - every day. My room is perfect for hosting my birthday party for my friends, teddy bears and my dog Theo. I think this is the 16th time I am hosting my 4th birthday and I'm already looking forward to my next party.

PLEASE CLEAN MY ROOM

Don't worry, my furniture is designed to last.
When the party is over Mummy and Daddy
always help clean up my room. Lucky me!

LET'S PLAY

My best friend Filip and I love to play. Some days we experiment with new dishes in the kitchen and if we run out of groceries we run to the shop to buy more. Other days we are handymen and build stuff in Filip's workshop. We have so much fun.

OUR BRAND VALUES

— Created by FLEXA —

Danish Design

Our products are characterized by Danish design in natural materials. FLEXA has been awarded with the prestigious Red Dot Design Award four times.

Expert Knowledge

Almost 50 years of experience has given us In-depth knowledge of children's development which is a key pillar in our insight in creating furniture.

Safe Design

Our products comply with the world's strictest safety requirements.

Functionality

Functionality and flexibility are the essences of FLEXA. We design to meet the ever-changing needs of the growing child.

Pure Materials

We aim to use only natural certified materials.

Playfulness

We develop and design playful products with the purpose of promoting children's development and imagination.

Quality and Craftsmanship

We always aim high. For us true craftsmanship is characterised through design, finish and choice of material.
