

Wine Label Collection

Dual Digital Specialty Sheet Products

Wausau Coated Products proudly introduces a premium selection of carton stock items crafted specifically for sheet-fed wine label applications.

Choose from 10 distinct face stock options, each designed to elevate your brand with a sophisticated, upscale appearance. Engineered for compatibility with both HP Indigo and Production Digital Presses, all materials feature wet strength properties and are FSC® certified, ensuring durability and sustainability.

Our special permanent adhesive delivers exceptional anchorage, with high initial tack and fast adhesion to glass surfaces—making it the ideal solution for wine and spirits labels. It offers enhanced resistance to moisture and humidity post-bottling, ensuring your labels stay pristine.
