

# Reaching for the Stars

21<sup>ST</sup> Annual  
Journey of Dreams  
Benefit

# Leadership Rooted in Action, Service, and Progress

## Commissioner Miguel Angel Gabela's Vision for Miami's District 1

**F**rom the streets of Allapattah to the neighborhoods of Flagami, Commissioner Miguel Angel Gabela has set a new standard for public service – grounded in action, dedication, and accountability. His leadership is about more than fixing problems; it's about building trust and restoring dignity in overlooked communities.

### Community First: Solving Everyday Problems

Gabela responds to the real concerns of his constituents – personally and efficiently. From pothole repairs to permit streamlining and complaint resolution, his administration is known for getting things done. His focus on responsiveness has restored faith in local government and sparked civic pride.

**Public Service That Prioritizes People.** Whether distributing groceries, supporting fire victims, or visiting senior centers, Gabela shows up where it matters. He believes every resident deserves dig-

nity, opportunity, and a voice in their neighborhood's future.

**Order, Safety, and Smart Growth:** By raising police salaries and improving traffic safety, Gabela promotes respect and order. He champions thoughtful development, stronger infrastructure, and small business support – ensuring growth is sustainable and community-driven.

In Miami's working-class neighborhoods, Gabela's three pillars – action, service, and progress – offer a clear blueprint for change.

takes great pleasure  
in welcoming you to

# Welcome

---

On behalf of the Board of Trustees and staff of Parent to Parent of Miami, we extend our heartfelt gratitude for joining us this evening.

It is truly wonderful to once again gather as a community to celebrate the accomplishments of our honorees. These two individuals truly have made a profound difference in the lives of children and youth with disabilities and their families. Our Journey of Dreams has always been more than just an event – it's a celebration of possibilities, a reflection of resilience, and a reminder that together, we can achieve extraordinary things. It is a night when we “journey together,” united in purpose and hope for families seeking guidance and support.

Though each of our journeys may look different, we share a common goal—to find our people, our community, who will celebrate our victories, understand our challenges, and lift us up in times of need. That's what HOPE – HELP – SUPPORT truly means.

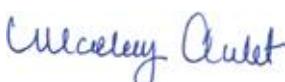

At the heart of our logo lies a symbol that guides us - the heart itself. It represents the compassion and dedication that define our work. Every day, our team pours their hearts into supporting families who reach out, often in their most difficult moments, seeking answers, comfort, and direction. There are tears, yes, but also reassurance, understanding, and the promise that together we will find a way forward. Through this connection, families gain the strength and confidence to ensure their children are included and embraced by their schools and communities. Now, more than ever, we must all stand together to advocate, to amplify voices that may not be heard, and to ensure that every child's potential is recognized and celebrated.

Thank you for being part of this incredible journey. Thank you for believing in our mission.

Your support propels us toward a future where we can continue to dream big for children with disabilities, a future where we are all Reaching for the Stars!

# Carmen Pardiñas

## Project SOAR

### Miami Beach Adult & Continuing Education Center

### IMPACT Award

Ms. Carmen Pardiñas has dedicated 15 years to adult education within Miami-Dade County Public Schools. An alumna of Florida International University (FIU) where she earned her Master's Degree in Social Work, her deep understanding of systemic support and community resources has been instrumental in her career. Prior to her current role, she was a founding member of the Success Management Academy, an initiative that helped hundreds of young adults (ages 16-19) attain their GED in Spanish while providing a high school immersion experience. Her dedication during this time saw students graduate and achieve notable success, with some even attending the University of Florida and becoming professional network broadcasters.

In 2023, Ms. Pardiñas embraced a new, deeply meaningful chapter. Driven by a collaborative vision, she became the Project SOAR Coordinator at the Miami Beach Adult and Continuing Education Center, housed at Miami Beach Senior High School. Project SOAR is a pioneering pre-employment program for young adults (ages 21-26) with unique abilities. The goal, supported by the administration, was to create a classroom environment that provided real world experiences essential for students to gain workforce ready skills. For Ms. Pardiñas, this program is not just a job it is a calling. She immediately began building a robust network, leveraging her social work expertise to partner with organizations like Parent to Parent of Miami, UM CARD Center, Center for Independent Living, and the City of Hialeah Parks and Recreation Center, ensuring her students are given every opportunity to thrive. This comprehensive approach shows how she inspires, motivates, and promotes the potential of every young adult she serves.

Since the program's inception, Ms. Pardiñas has expanded Project SOAR's reach to create a truly inclusive network. She partnered with the City of Miami Beach Parks and Recreation to form a Special Olympics Team and collaborated with the Miami Dade Library and Visionary Artists to foster artistic expression among her students. This extensive Community involvement and relentless spirit of Advocacy demonstrates her role as a transformational leader. The success of the inaugural cohort speaks volumes about her commitment. Last year, Ms. Pardiñas successfully assisted six Project SOAR students in securing diverse post-program opportunities: two were accepted into the DeMoya Foundation (with one recently hired as a Teacher Assistant), one was interviewed and hired by Publix, two were accepted into college programs (FIU's Embrace Program and Miami Dade College), and the final student was accepted into Job Worx and is now working at TJ Maxx. This level of commitment fostering success in the classroom and securing opportunities in the community is the profound impact Ms. Carmen Pardiñas brings not only to her students but also to their families. Because of her dedication, these young adults with unique abilities are now part of an inclusive network, opening doors for others to follow. Ms. Carmen Pardiñas is truly making an IMPACT for all.

**Aida Diaz-Silveira, Esq.**  
CABA Pro Bono Legal Services  
Neurodivergent Legal Assistance Program  
Excellence in Family Advocacy Award

Aida Diaz-Silveira, a Miami native, is a distinguished attorney with over 25 years of experience representing clients across South Florida. She currently serves as a Supervising Attorney at CABA Pro Bono Legal Services, where she leads the Neurodivergent Legal Assistance Program—a pioneering initiative that provides critical legal support to low-income individuals with developmental disabilities.

Her legal practice focuses on representing individuals with developmental disabilities and their families, particularly in matters promoting maximum legal inclusivity in the community through least restrictive guardianship alternatives and guardian advocate petitions. Aida's work reflects a deep commitment to justice, equity, and community empowerment, especially for vulnerable populations navigating complex legal systems.

Aida earned her Bachelor of Science from Florida State University and her Juris Doctor from the University of Miami School of Law. She is fluent in both English and Spanish and is admitted to practice in Florida and the U.S. District Court for the Southern District of Florida. She actively participates in community events and discussions, including panels on neurodiversity in law.

Beyond her professional achievements, Aida is a proud mother of three daughters. She is passionate about understanding the human experience and enjoys spending time with her newest family member—a playful Golden Retriever puppy named Maggie.

## Lissette Gonzalez – Emcee

Lissette Gonzalez has served as a Meteorologist for CBS News Miami since 2007. Viewers can watch Lissette's weathercasts weekday mornings and at Noon. Born and raised in Miami, Lissette feels grateful to work in her hometown. She has also served as a meteorologist for national newscasts including "CBS This Morning," "CBS Evening Weekend News" and the CBS News streaming network.

Lissette obtained her degree as Certified Broadcast Meteorologist from Mississippi State University and earned the National Weather Association (NWA) Television Weathercaster Seal of Approval.

Prior to joining CBS News Miami, Lissette served as the evening Weather Anchor for KTLA's Prime News in Los Angeles, California. Lissette has had a diverse career in broadcasting and entertainment on the national and local level. She has hosted and reported for shows including "EXTRA." She got her start at the University of Miami anchoring Newscasts on UMTV.

Lissette is a former Miss Miami and Miss Florida. In 1998, she was named second runner-up to Miss America, and won over \$50,000 dollars in scholarship money, which helped her complete her studies and graduate from the University of Miami with a double major in Broadcast Journalism and Music-Vocal Performance.

Lissette has performed the National Anthem and "God Bless America" at the Miami Heat games, Marlins games, Dolphins games and at the Sony Ericsson.

Lissette volunteers her time to support many South Florida non-profit organizations. She has served as Emcee for events to raise funds and awareness for organizations including Parent to Parent of Miami, the Crohn's and Colitis Foundation, Branches, the Live Like Bella foundation, the American Heart Association and the Dolphins Cancer Challenge. Lissette also enjoys visiting schools across South Florida during career days to speak to students about the importance of education and hard work.

Lissette and her husband Tony are blessed with two daughters.
