A proud part of the Ground Up
Motors family of brands

WHY SHOP WITH US?

- **HELP WITH THE PROJECT, NOT JUST THE PART.**

We have thousands of parts available in our inventory, ready to ship. Making it easy for us to help you find the perfect fit and get your project moving.

- **EVERYDAY SUPER SAVINGS!**

We're here to help you save with Free Shipping or 10% Off available all year and exclusive kits and bundles to save you time & money.

- **FAST SHIPPING & SATISFACTION GUARANTEE:**

Most orders are packed, shipped, and delivered within 3 days from Miami to New York and as far West as Colorado and Texas. If you are not satisfied with your purchase you can return it for an exchange or refund.

Carbon Fiber Look!

1968-74 Nova Pro Touring Front Spoiler Kit

This front spoiler is just what your pro-touring or resto-mod Nova is missing. Brand new to the market & a Ground Up Motors Exclusive, these spoilers are easy on the wallet, easier to install, and designed with enthusiasts in mind. This front spoiler kit includes the 1968-1974 Nova front spoiler, mounting hardware for a complete upgrade or replacement, and a detailed set of installation instructions.

Fitment:

This 1968-1974 Nova front spoiler features a simple bolt-on application that only requires slight adjustment to the car's original structure.

Durable: Unlike some of the other spoilers on the market, Addictive Flow spoilers are made from a durable polyurethane material (similar to the material used for reproduction spoilers) that is forgiving on both the spoiler and the car. Worry no more about bottoming out and potentially damaging your beloved classic.

Customizable:

Designed with Pro-Touring & Resto-mod enthusiasts in mind! If you want to color key your new spoiler to your car, it's as simple as prepping the surface and spraying on the color of your choice. **Easy Installation:** Addictive Flow spoilers have been thoroughly tested and streamlined for bolt-on application. All components and instructions are included to make installation a breeze.

Affordable:

Addictive Flow worked directly with the manufacturer to reduce costs where possible. Because of this, we can pass those savings on to our customers and supply a great looking and affordable front spoiler for your American classic

**2 holes must be drilled into the Nova's sub-frame to accommodate fitment.*

* Remanufactured. This means the product has been dismantled and reconstructed as necessary. All of its internal and external parts have been cleaned and made rust and corrosion-free. All impaired, defective, or substantially worn parts are restored to sound condition or replaced with new, "rebuilt" or "unimpaired" used parts. All missing parts are replaced with new, rebuilt, or unimpaired used parts.

Shown with GM logo buckles.

1966-73 3 Point Front Seat Belts

Add comfort and safety to your muscle car while still keeping a stock look with Ground Up Motors's 3 point retractable seat belts! These three point belts feature a vintage style lap belt and chest belt so you can have new car safety with old car looks. Each kit includes two seat belts, grade 8 mounting hardware and powder coated mounting brackets all assembled and ready to bolt-in to your Nova. Instructions are also included. These seat belts mount in the factory locations meaning there is no drilling required. Seat belts meet FMVSS standards. Fill blank with your color choice.

OER Interior Paint

OER's revolutionary formula provides 40% more coverage than standard dyes and lacquers and actually penetrates and molecularly bonds to the surface to permanently seal in the color. Dries to the touch in 45 seconds, forms a complete bond in just 10 minutes. UV stable and color fast, it will not crack, flake or peel. For use on vinyl, leather, ABS plastic, polycarbonate, polypropylene, polyurethane, acrylic, lexan, fiberglass and recycled plastics. These paints are designed to match our colored PUI interior products. 12oz aerosol can.

PUI Standard Door Panels

These PUI door panels are constructed of the finest quality materials available. These door panels are perfect for most cars out there whether they are daily drivers or trailer queens. Most panels come pre-assembled with moldings and PUI Windowfelts already installed unless noted. Take them out of the box, hang them on and you're ready to go!

• Made in USA • OEM Colors, OEM Materials • "Out of the Box" Installation on most applications

IDP-X63

1962-63 Door Panels

Seville grain vinyl with chrome mylar medallions. (These door panels are correct for 1963 Nova. They are not exactly correct for 1962 Nova but they will fit and look great!) These door panels are not pre-assembled.

Dashtop

By Palco Industries, Inc.

Dashtop is well-known for premium quality dashboard covers and panels aiming to give additional protection and utility to American muscle. They provide a huge range of components that you can rely on for a long time. When it comes to quality dashboard covers, Dashtop is the brand you can rely on. They provide numerous types of dash covers that ensure excellent protection for a vehicle's dashboard against excessive heat and UV rays, giving a new life to your vehicle's interior. Each dash cover is made with durable materials and designed to fit right the first time, meeting and even outperforming customers' expectations. Installation of their dash covers requires no special skills or tools and takes only a matter of minutes to complete. Complement your vehicle's interior with tested and reliable products from the brand you can trust and ride in style!

DT-224

Dashtop Replacement Dash Covers

This molded plastic dash cover simply fits right over the existing dash to cover unsightly cracks! An easier and more economical alternative to complete dash replacement.

Dakota Digital VHX Instruments

Fully lit needles, backlit faces and highly visible LCD message centers are a few of the things that you can see which set the VHX Series apart from yesterday's traditional approach to instrumentation. A few of the features which you don't normally see are the micro-controlled precision stepper motors, solid state sensors for unparalleled accuracy and user-customizable display feedback, all supported by an unrivaled limited lifetime warranty which has become the standard for Dakota Digital instrumentation systems. Completely engineered and manufactured in the USA, the VHX Series has completely revolutionized the instrumentation industry!

HDX-63C-NOV-S

HDX-69C-NOV-S

HDX-66C-NOV-K

1963-1976 Dakota Digital HDX Instruments

Chevy's first economy car is now a favorite for speed freaks of all kinds. The small instrument housing of the 1963-1965 Chevy II isn't much to work with, but the HDX instrument system packs six analog readings with analog readouts, plus a full color TFT for additional information. Use your stock or reproduction bezel, available separately; and can be used in 1962 models with the addition of a 1963-65 bezel. Available with your choice of black or silver alloy gauge-face styling, each HDX system allows the user to select independent illumination colors for the gauge readings and needles, as well as the message centers. Calibration and personal settings are manipulated with the built-in, capacitive-touch buttons, or the available Bluetooth App for Apple and Android devices. Each needle hub is black nickel plated spun-aluminum to match the buttons. All HDX instrument systems feature dead-faced indicators (turn signals, high beam, check engine, cruise control, parking brake, plus two user-definable) and a red, settable warning light for each gauge. With our central control box, installation is greatly simplified with vehicle harness sourced signals and supplied, solid state sending units connecting cleanly to their respective terminals.

N066VSW

1966-67 Classic Instruments Gauge Sets

Direct-fit cluster features a speedometer, tachometer, fuel level, temperature, oil pressure, and volt gauges; along with indicator lights. All the gauges are electronic operation and the molded plastic housing has been designed with factory fitment in mind. The cluster mounts in the original factory bezel and uses the original diffuser plate, both of which will need to be re-used from your original cluster.

- A programmable fuel gauge for any ohm range with a selector switch on the back of the cluster.
- Wiring is handled with a single wire harness connection on the back of the cluster
- Green LED turn signal indicators, red warning light, and a blue high beam indicator
- Speedometer calibration is quick and easy with push-button control

RTX-63C-NOV-X

Dakota Digital RTX Instrument System

The RTX series is the latest from Dakota Digital, focused on retaining that stock look without sacrificing the late-model features you love. Every effort has been put forth to incorporate OEM design elements regarding the layout, face styling and indicators. A casual glance may dismiss these as original equipment, but once you hit the switch and the LED backlighting comes on in your favorite color scheme, all doubts will be removed. Starting from scratch, CNC machined housings are filled with electronics designed and built in-house, helping Dakota Digital once again raise the bar for aftermarket instrumentation. The high-definition TFT message centers can be fully configured to display just about any piece of information needed, or just leave the vintage-looking tumbler odometer on the screen for a totally stock appearance. As you've come to expect from Dakota Digital, the RTX series utilizes a central control box to make installation and setup as easy as possible. Over 30 User-Selectable Display Colors Available: Select backlighting colors for the needles, digital display and printed gauge readings independently, or choose from one of 12 preset lighting themes. Full Color TFT Message Centers: Can be configured to suit each driver, fully adjustable for color and information readout. Bluetooth App: All calibration settings and personal preferences can be selected through the Apple and Android app or through the provided programming switch.

Looking to replace your Nova carpet with something that meets your quality and originality standards? Look no further than our ACC brand OEM carpet sets. We are proud to offer these carpets in several styles, from factory original 80/20 rayon and nylon looped blend (cutpile for 1974-77 models) to our new ESSEX Style for those who are looking for a "modern" auto style carpet seen in high end Mercedes or Porsche cars, to our "Mass Backing" carpet sets which offer factory installed sound deadening material built-in for an overall quieter, cooler and more comfortable interior.

ALL of our ACC brand carpets are factory molded with correct heel pad & dimmer switch grommet for a model specific fit.

Dielectrically Molded & Attached Heel Pad

Mass-Backed Carpet Shown which offer factory installed sound deadening material built-in.

Molded Carpet Kits

Looking to replace your worn original carpet with something that meets your quality and originality standards? Look no further than our ACC brand OEM carpet sets. These are not those cheap carpets that fade out in a year or two! Unlike other brands, all ACC carpets feature a true 80/20 rayon and nylon "looped" blend for 1962-74 Novas and Cutpile for 1975-79 Novas. All are molded for a perfect fit. We include original style die stamped sound deadener constructed of heavy insulation as factory. Carpets and sound deadener kits are also available individually.

QuietRide AcoustiShield

The AcoustiShield kit is a multi-stage automotive sound dampening system to give your muscle car the quiet riding comfort found in today's new cars. AcoustiSHIELD kits are designed on state of the art auto acoustic technology to insulate and control the noise, vibration and heat in the passenger cabin. Kits are pre-cut and come with easy to follow installation instructions: The first stage consists of pre-trimmed, self-adhesive sound damper pads which are bonded to strategically located trouble spots to control body panel vibration and noise. These spots are mapped and labeled in the detailed instructions. Complete Kits include Body, Cowl, Floor, Roof (except convertible) and Trunk Floor Kits.

Flatline Barriers

Flatline Barriers is the new leader in automotive thermal acoustic insulation products. Utilizing cutting edge technology and materials, Flatline is able to offer a solution that significantly reduces unwanted sound and heat. Did we mention that the product is ultra-lightweight as well? Extremely lighter than other insulation products, packing the same punch in sound and heat control properties. The material is also offered in pre-cut kits and universal options. Our designs were created by in house automotive enthusiasts and DIYers. Making our kits easy to install, logical in layout and highly effective. All of this provided to you at an extreme value. Remember the name is Flatline, it's that quiet

For 60 years... Hurst has been attached to some of America's most legendary vehicles, such as the Hurst OLDS/442, the Hemi Under Glass Barracuda, and even the only non-OEM official pace car of NASCAR. Over the years, Hurst has been the OEM shifter supplier for the Pontiac GTO, Plymouth Barracuda, Plymouth Super Bird, Ford Mustang Boss 302, Ford Mustang Shelby GT500 KR, Oldsmobile, AMC, and the Dodge SRT-10 pick-up, just to name a few.

Hurst Replacement Shifter Handles

These handles all feature a universal installation kit with SAE 1/2"-20, 7/16"-20, 3/8"-16 and also Metric M10x1.25, M10x1.50, M12x1.25, M12x1.75 and M16x1.50 thread size.

ISP-734X

1973-1974 Nova 4 Speed Console Shift Tunnel

This OER reproduction of the one piece standard shift plate originally installed on all 1973-1974 Nova models with a standard transmission and a console. Manufactured in zinc die-cast metal as original. Each item is chrome plated, polished to a brilliant shine and painted with semi-gloss black in the accent areas for authenticity.

- ISP-734X 1973-1974 / 4 Speed 99.99 ea.

IC-1014

1965-67 Slider Seal

Correct shifter slider seal for console.

- IC-1014 1965-67 Manual 17.99 ea.

ITW-1020

1963-64 Shifter Seal

OE style reproduction of the original automatic floor shifter rubber seal for console cars.

- ITW-1020 1963-64 29.99 ea.

ISB-67

Console Seat Belt Holder

Each clip is manufactured in quality stamped steel replicating the original in appearance and fitment.

- ISB-67 1967-69 All w/ Console 19.99 pr.

As for performance enthusiasts today, most people are accustomed to having access to whatever performance parts they need for their vehicle readily available at their local dealer. It usually never crosses anyone's mind who invented these products?

Racers themselves invented these products. B&M's founders identified the needs of local racers and street performance enthusiasts, and developed products to fill those needs. Of course, as the industry grew so did B&M. And as racers went faster, B&M developed products to help them break the records they just set. In the 50s it was them who came up with the idea of using a performance reinforced Hydramatic for racing. Similarly in the 60s, it was B&M who developed shifters to go along with it, and later in the decade came race converters. Again in the 70s, B&M introduced shift and transmission improving kits - always the constantly refining and expanding existing product lines.

If you've ever raced a vehicle, or driven a hot rod with an automatic transmission, high stall torque converter, an aftermarket automatic shifter, or performance enhancing shifting kit.

Thank B&M. From Trick Shift performance ATF to reverse pattern valve bodies, 1.80 gear sets to cool canisters, the list of firsts goes on and on...

BM-46112

BM-80534

B&M Automatic Shifter Knobs

Adapters included with these knobs fit 1/2"-20, 3/8"-24, 3/8"-16 and 5/16"-18 SAE threads.

- BM-80534 Quicksilver Billet Aluminum Silver 82.99 ea.
- BM-46112 Round White w/ 12v Switch* 99.99 ea.

*Works with 12 volt and 16 volt systems and may be used to activate transbrake, launch control, nitrous or two step. No Volume Discount.

BM-80658

B&M Universal Shift Handle w/ Button

This B&M Universal Button T-handle fits most B&M and aftermarket shifters.

Includes: Thread inserts to fit 1/2"-20, 3/8"-24, 3/8"-16 & 5/16"-18 SAE. A 12v momentary switch to activate Line-Lock, transbrake or nitrous.

- BM-80658 Aluminum Polished 70.99 ea.

Console Forward Plate

Die stamped matte black featuring attached mounting studs with mounting hardware. No emblem holes.

IFP-620B	1968-74	30.99 ea.
----------	---------------	-----------

510122

1968-74 Console Voltmeter Gauge

These new Voltmeter gauges are engineered as a direct replacement to install in place of the factory Ammeter gauge that was used in the original saw tooth console gauge packages installed in many 1968-1974 Novas. This gauge is a must when using American Autowire Classic Update or any other updated wiring harness, because those kits will not support the use of an Ammeter.

510122	1968-74	142.99 ea.

USA-740V66

USA-740V62

USA 740 AM/FM 300 Watts

The USA-740 offers the same classic look that Custom AutoSound has always been known for with today's latest features. Now, with built-in Bluetooth (microphone included), answer calls and get Bluetooth streaming music from your Bluetooth capable phone or Bluetooth compatible device. A solid 300-watt peak power should be all the juice you need, yet the USA-740 has Hi 4 volt, 4 channel RCA pre-outs and a subwoofer RCA pre-out for additional amplifiers. The USB input allows you to plug in a USB flash drive for playback of MP3/WMA/FLAC/WAV song files. A front 3.5mm mini jack auxiliary audio input and a rear RCA auxiliary audio input provide versatility for options like satellite radio, iPod or any portable player you wish to use. Match the dominant color of your instrument cluster with user selectable multiple LCD color choices with LCD dimmer control. The AM/FM RDS tuner shows station, song and artist on the LCD display. For those of us committed to music collections on compact disc, the USA-740 fully controls the optional Custom AutoSound CD-1 CD player. Classic style with today's sound and performance taking every road and curve with you in your Nova.

Note: These radios do not come with a factory radio bezel.

Custom Autosound USA-630 AM/FM 240 Watts

The USA-630 is the pinnacle of 30 years of evolution in Custom Autosound's quest for the perfect classic car radio. This radio has large OEM style push-buttons that give a perfect look in a classic dash. Although it looks classic, it has the latest modern features. USB input on the back of the radio. This jack is on an 18" extension which allows you to place it in the glove box or ash tray for easy access (no unsightly wires or plugs hanging out of the front of the radio). The new alpha numeric display (30% larger than previous models) shows the song/artist/album (id3) titles during playback of MP3/WMA files. With the built-in CD controller you have complete control (no FM modulation) of CAS's 10 disc CD changer.

With 240 watts, the radio should have all the power you may need. If you want more, there are four pre-outs jacks on the back of the radio for optional amplifiers. The back of the radio also has auxiliary audio input for satellite radio or any portable player you may wish to use.

- AM-FM Stereo - USA/Euro Tuner - Power Antenna Lead - Alpha Numeric id3 Display for MP3/WMA files - Electronic Tuning and Volume Control - 4 Way Fader - Left Right Balance - Digital Clock - 16 Pre-sets (12FM-4AM) - 4 Channel RCA Pre-outs - Separate Bass and Treble - 2 Channel RCA Auxiliary Input for Satellite / iPod etc.

SECRET-SST

Secret Audio SST

Secretaudio SST is a hidden audio system that offers great flexibility for mounting in any type of vehicle. The main receiver/ amplifier unit is usually hidden under the seat or behind the dash. A 10ft cord from the Tuner/Amp plugs into a LCD display. The system can be operated from up to 40 feet away with the included RF (radio frequency) remote.

Included with the system is a flush mount bezel for console or dash mounting. The small dimensions of the flush mount system allow you to install the LCD display almost anywhere. The LCD also comes with a bracket mount for easy installation in the glove box, under the dash, in the ashtray, sunvisor, console, or wherever you choose. Since its only 1" deep its especially handy for custom or streetrod applications where there may be wiring or ducting routed behind the panels you wish to utilize for mounting. When your installation is finished you'll be rewarded with a quality and professionally installed look.

Features:

- AM/FM Stereo 200 watts 4x50 • Auxiliary Audio Input • USB MP3/WMA Flash Drive Player • iPod® Direct Control Interface (built-into tuner/amp unit) iPod Docking Cable Included • Alpha Numeric LCD Display Shows Artist / Song Titles for USB, iPod® and Satellite Radio • Satellite Radio Input (for optional Sirius® satellite radio tuner) • Direct CD Changer Control (CD changer optional)
- 4 Channel 3 Volt RCA Pre-Outs (for optional Amplifiers) • Subwoofer Pre-Out (for optional Subwoofer Amplifier)
- Electronic Volume, Bass, Treble, Balance, Fader • 5 Selectable iEQ Curves – pop/jazz/classic/beat/rock
- Zero Memory Current Draw (will not drain car battery when unit not in use) • 24 Station pre-sets (18FM / 6AM) • Power Antenna 12V Trigger Lead

Since 1977, Custom Autosound Mfg. remains the originator and innovator of audio products for classic cars, trucks and streetrods. Many competitors and imitators have followed in our footsteps with similar products. But only Custom Autosound offers over 400 different radio applications for the year, make and model of your vintage vehicle, ready to install. Everything you need in one box and nothing to assemble. In addition to the custom radios, we offer a multitude of upgrade/custom fit speakers and kick panel speakers. Custom Autosound Mfg. is a regular exhibitor at SEMA and is licensed by Ford and GM to use their trademarks and logos.

Factory Style Radial Tires

If you're going for an authentic restoration, be sure that you don't overlook the tires! Previously, this meant sacrificing modern ride quality and handling characteristics for an authentic appearance, but now you can have the best of both worlds with these modern radial tires that have a period correct appearance. This factory style Firestone Wide Oval tire is an almost exact replica of the original, engineered from the ground up to provide excellent ride quality, tread life and safety, while retaining the correct tread pattern and raised white lettering.

No volume discount.

EVP01

Electric Vacuum Kit

If you have a big cam and low vacuum is making it tough for your power disc brakes to work properly, then this electric vacuum pump kit will solve your problems! A minimum of 16 inches of vacuum is critical to ensure that your power disc brakes are functioning and this kit ensures that your vacuum stays above that level so you will never have to worry about losing your brakes when you need them the most. The system automatically activates when the vacuum falls below that critical level and turns off when the engine is producing enough vacuum. This kit includes an efficient electric pump, relay switch, distributor with vacuum switch, wiring, hoses and brackets. This system requires a 12V negative ground system for operation.

- EVP01 Vacuum Pump Kit 325.99 kit

FBP-035

Disc Brake Retaining Pin

Correct pin for retaining 4 piston caliper brake pads to caliper. 2 required.

HURST-1745000

Hurst Roll Control Line Lock

Used primarily in drag racing to provide positive locking action to the front wheels of race cars, reducing the chance of "Rolling the Lights" and producing more effective "Burn Outs" for heating up the tires. Rigorous testing has proved a 1/100,000 of a second release time and vibration tests have seen up to 30 G's applied without mechanical failure. Adaptable to most domestic and import hydraulic brake systems.

FPB-62X

1962-67 Nova 3 Stud Booster

This is a special 1962-1967 Chevy 2 Nova power brake booster which is specifically made to fit the 3 stud pattern on the firewall. The booster is gold cadmium plated, meaning you get better stopping power with an original look.

FPB-62X 1962-67 198.99 ea.

FBB-6

11" Delco Moraine Booster

Crafted with the same gold cadmium plating as original, as well as the infamous Delco Moraine logo stamping for the ultimate in authenticity.

FBB-6 1968-74 198.99 ea.

FBB-3

9" Delco Moraine Booster

Crafted with the same gold cadmium plating and Delco Moraine logo as our 11" booster, this 9" booster allows more clearance when running tall valve covers.

FBB-3 1968-74 198.99 ea.

FPB-1003C

Chrome Booster

This is a brand new Nova power brake booster crafted with chrome plating to set your car apart from the others.

FPB-9021C 1968-74 9" 261.99 ea.
 FPB-1003C 1968-74 11" 198.99 ea.

FPB-1102

11" Delco Style Booster

This is a brand new Nova power brake booster crafted with the same gold cadmium plating as the original.

FPB-1102 1968-74 143.99 ea.

FPB-9022

9" Delco Style Booster

This is a brand new Nova power brake booster crafted with the same gold cadmium plating as the original. This 9" booster allows more clearance when running tall valve covers.

FPB-9022 1968-74 198.99 ea.

FPB-7537C

7" Dual Slimline Booster

A good booster when room is tight. Great for big block cars with tall valve covers. Roughly the same assist as a 9" single booster.

FPB-7537 1968-74 Gold 109.95 ea.
 FPB-7537C 1968-74 Chrome 119.95 ea.
 FPB-7537S 1968-74 Stainless 175.99 ea.

FPB-8531

8" Dual Slimline Booster

Our most powerful Slimline booster. 10-15% more assist than a 9" single. Compact enough to fit most applications.

FPB-8531 1968-74 Gold 115.99 ea.
 FPB-8531C 1968-74 Chrome 119.95 ea.
 FPB-8531S 1968-74 Stainless 194.99 ea.

FPB-9102

9" Single Slimline Booster

Nice clean look and performance that won't disappoint. A good choice if you're undecided on which booster to get.

FPB-9102 1968-74 Gold 143.99 ea.

FBB-6-UP

11" Delco Booster w/ Upside Down Logo

Features authentic gold cadmium plating with correct upside down Delco Moraine logo for the purist.

FBB-6-UP 1968-74 198.99 ea.

FPV-05

1967-69 Distribution Block

Correct brake distribution block for factory drum or disc brakes. This valve is located under the master cylinder.

FPV-05 1967-69 All 85.99 ea.

FPR-110

1970-74 Distribution Block

Correct brake distribution block for factory drum or disc brakes. This valve is located under the master cylinder.

FPR-110 1970-74 All 89.99 ea.

FPR-104E

1967-69 Hold Off Valve

Originally used to hold pressure to the rear brakes so the front brakes could engage a split second earlier to prevent fishtailing.

FPR-104E 1967-69 Disc 59.99 ea.

FPR-104C

1970 Hold Off Valve

Originally used to hold pressure to the rear brakes so the front brakes could engage a split second earlier to prevent fishtailing.

FPR-104C 1970 Disc 59.99 ea.

FPR-114

1967-68 Pro Valve

Correct brake proportioning valve for factory original disc brakes. This valve is located under the master cylinder and includes the bracket.

FPR-114 1967-68 w/ PDB 99.99 ea.

FPV-89

1969 Pro Valve

Correct brake proportioning valve for factory original disc brakes. This valve is located under the master cylinder. Bracket not included.

FPV-89 1969 w/ PDB 96.99 ea.

FPV-7

1970 Pro Valve

Correct brake proportioning valve for factory original disc brakes. This valve is located under the master cylinder. Includes brackets and dust boots.

FPV-7 1970 w/ PDB 89.99 ea.

FPVB-3

FPV-B00T

Proportioning Valve Bracket & Boot

Correct gold plated pro-valve bracket.

FPVB-3 1967-70 Bracket 39.99 ea.
FPV-B00T All Boot 6.95 ea.

FPR-102

1971-77 Pro Valve

OEM style proportioning valve with correct wire lead for direct replacement.

FPR-102 1971-77 w/ PDB 79.99 ea.

FBRK-71F

1971-77 Valve Bracket

Correct reproduction of this proportioning valve bracket unique to 1971-77 Nova.

FBRK-71F 1971-77 23.99 ea.

PVK-71COMBOKIT

Proportioning Valve Kit

This is a universal proportioning valve that can be used on all cars when converting to disc brakes. Includes valve, bracket, harness and hardware. Choose from gold or chrome.

A narrowed fuel tank is required. Ask your sales rep for details!

These kits require a 3" axle tube. DSE041301 shocks required.

Ships Oversized. No Volume Discount.

QA1

QA1-52717

QA1-52520

QA1 Upper & Lower Tubular Control Arms

QA1's GM 2.0 Control Arms provide increased positive caster compared to OE arms, are among the lightest arms available featuring lower unsprung weight and improved performance without sacrificing durability. They include QA1's integrated ball joint design: stronger than OEM and rebuildable for tunability, providing long-term reliable service. These arms feature billet cross shafts for reduced weight and durability for the long haul. Double-shear lower mounts are coil-over ready for a clean installation. QA1 GM 2.0 Control Arms look incredible and use no unsightly additional adaptors! Form meets function - these newly designed arms look and perform great and don't require painstaking restoring like factory stamped steel control arms. High strength, low alloy steel enables optimized thinner wall construction and results in overall lighter weight. QA1's integrated low-maintenance ball joints feature integrated ball joint dust boots, are stronger than competing ball joints, give long-term service and are rebuildable. QA1 GM 2.0 Control Arms will work with either OE or drop spindles. Increased positive caster design improves straight line stability. Mounts in OE location with no cutting, fabricating, or welding required. Accommodates either factory or aftermarket disc brakes. All of these arms are designed to add 3-4 degrees of caster and 0.5 to 1 degree of negative camber when used together (i.e. upper & lower). When used independently they will add approximately half of the preceding numbers. All parts sold in pairs and includes mounting hardware. Made in the USA.

QA1-52816

QA1 Sway Bars

Give your chassis the stability it needs to keep your tires planted on the road. These sway bars are an easy bolt-on upgrade to help reduce body roll and handle corners better. For maximum strength and durability, QA1 sway bars are manufactured from either lightweight hollow-core (4130) chromoly steel or heavy duty solid-core (1045) cold formed steel. The bars are formed using precision CNC equipment for a true bolt-on installation, then gloss black powder coated for durability and corrosion resistance. Sway bars include new mounting components to replace old and worn out sway bar bushings and end links. Made in the USA.

QA1-52816	1968-74 All Front 1 1/4"	324.99 ea.
QA1-52893	1975-79 All Front 1 3/8"	337.99 ea.

QA1 Front Coilover Shock Kits

The QA1 Pro Coil System is a great option for anyone looking for fully adjustable ride height and valving control. Choose a spring rate and adjustability that fits your driving style, adjust the valving to match and you are on your way. These shocks also utilize a fully threaded body that allows you to adjust your ride height for the perfect stance or to finely tune the weight balance for superior handling. Specially designed for QA1's Pro Coil Systems, the American-made lightweight high travel springs have fewer coils and a smaller wire diameter, resulting in increased travel due to the larger distance between the coils. They reduce unsprung weight and react faster, optimizing suspension performance. Adjustable Pro Coil System Features: Available in MOD Series, independent compression and rebound double adjustable, simultaneous compression and rebound adjustable, or drag R Series adjustable. Lightweight Billet Aluminum Coilover Shocks High Travel Springs Easy, Bolt-In Installation Ride Height Adjustable, Made in the USA. SA = single adjustable DA = double adjustable DR = drag series adjustable MO = mod series

QA1 Performance Handling Kits

Want better handling for your classic? Turn to QA1's handling suspension kits for the best ride that fits your needs. Available in three different levels of performance, these handling kits offer easy, bolt-in installation and seamlessly works with whatever OE component each piece attaches to. You can build your car in stages using our parts list as a road map to get to the level of performance you want and have the peace of mind knowing you won't have compatibility issues.

Level 1 Includes: Front single adjustable Pro coil shock system, front & rear sway bars, tie rod adjuster sleeves, and rear lower boxed control arms.

Level 2 Includes: Front & rear single adjustable Pro coil shock system, front & rear sway bars, thrust bearing/spanner wrench kit, upper street control arms, lower street control arms, rear upper & lower tubular control arms, tubular rear control arm braces, tie rod adjuster sleeves.

Level 3 Includes: Front & rear double adjustable Pro coil shock system, front & rear sway bars, thrust bearing/spanner wrench kit, upper race control arms, lower race control arms, rear upper & lower boxed control arms, tubular rear control arm braces, tie rod adjuster sleeves. Level 2 & 3 kits available with and without shocks.

Aldan American Coil Over Kits

Aldan Road Comp kits are designed to convert your suspension to coil-overs. Aldan Phantom Series, single adjustable coil-overs deliver superior handling and ride quality for a drastic improvement over stock suspension. Aldan High tensile, high travel coil-springs provide greater consistency over stock springs. Aldan's rear bolt-on shock absorber kit includes 2 TrueLine Series shocks, 2 brackets, 2 T-Bars and hardware. Uses OEM shock mounting locations. TrueLine adjustable shock absorbers are designed to work with factory and aftermarket springs to add a more consistent, smoother ride.

Lakewood Bellhousing

The Lakewood 15000LKW bellhousing connects Chevy small and big block engines to transmissions utilizing the standard GM pattern such as the Muncie, Saginaw, Borg Warner T10 and Tremec TKO transmissions. This bellhousing is hydro formed to fit '58-'87 GM full and mid sized cars, 67-81 F-body vehicles and 68-79 Novas. This bellhousing is S.F.I. 6.1 certified which is required by many sanctioning bodies for cars running 11.49 or faster in the quarter mile. The Lakewood 15000 comes complete with engine block plate and Grade 8 mounting hardware.

HOL-319-575

LS Clutch And Flywheel Kit

This Kit includes all the hardware and components needed for a complete clutch install on a 6-bolt crank LS engine using a T-56 transmission. A 12-inch organic disc with 6 spring helix sprung hub provides superior grip needed for the strip, while the matched diaphragm style pressure plate provides a pedal feel comfortable enough for the street. This provides 30 percent more clamping pressure and transmits that through a billet steel flywheel.

HAYS-10-010

Hays Automatic Flexplate

Hays heavy duty flexplate for high performance competition Chevy engines are constructed of a thicker than stock steel plate. This enables them to withstand the stress of high-stall torque converters and high-RPM engines. These flexplates are supplied with a ring gear that is securely welded in place and feature a dual bolt pattern for use with a Powerglide or Turbo style torque converter.

BM-80690

BM-80840

B&M Automatic Floor Shifters

From the originator of high performance manual shifters, our line of performance, street and racing shifters for automatic transmissions won't let you down. With classic good looks and proven mechanical designs, giving choices of either positive ratcheting actions or gated racing shifters provide positive shifts guaranteeing you won't miss a shift when it counts.

Starshifter

Features include NHRA/ IHRA reverse lockout, backup light switch, neutral safety switch, polished T-handle. Cable operated for quick installation and accurate shifting.

BM-80675 All 2&3 Speed 289.99 ea.

Megashifter

The B&M Megashifter has it all, form, function and classic style. This all adds up to bring you a quality shifter that's been one of the most popular automatic shifters of all time. First off let's talk function. The Megashifter's positive ratcheting function won't allow you to over shift and miss a gear at that critical moment, along with the reverse lockout feature meets NHRA/IHRA safety rules for those weekend grudge races at the track. The look and feel of the T-handle and accordion style shift boot really shows off the racing heritage of the Megashifter.

BM-80690 All 2,3,4 Speed 449.99 ea.

BM-80694 1973-79 2,3,4 Speed 461.99 ea.

Quicksilver

The B&M Quicksilver features a ratcheting action for positive shifts, Chrome knob, neutral safety switch, NHRA/IHRA approved reverse lockout.

BM-80683 All 2,3,4 Speed 415.99 ea.

BM-80688 1973-79 2,3,4 Speed 405.99 ea.

Hammer

The Hammer shifter may just be the most comfortable and versatile shifter available. The unique design of the shift handle easily fits all sizes of hands providing the best wrist angle and feel when shifting.

BM-80885 All 2,3,4 Speed 319.99 ea.

Pro Stick

The Original Pro Stick shifter delivers rock-solid performance, mixed with clean design cues and compact size. This is why you see so many Pro Stick shifters at the race track.

BM-80706 All 2,3,4 Speed 409.99 ea.

Stealth Magnum Pro Stick

The Stealth Magnum Grip Pro Stick shifter delivers rock-solid performance, mixed with clean design cues and compact size.

BM-81052 All 2,3,4 Speed 399.99 ea.

Pro Ratchet

The Pro Ratchet shifter is one of our most popular and easiest to operate race shifters. Features include a positive ratcheting design that self-centers the handle after each shift giving you maximum clearance behind the shifter and won't allow you to miss a shift by over-shifting a gear. This versatile shifter will operate both forward and reverse shift patterns.

BM-80840 All Silver 2 Speed Powerglide 399.99 ea.

BM-80842 All Silver 3,4 Speed* 399.99 ea.

BM-80843 All Carbon 3,4 Speed* 399.99 ea.

Transmission Speedometer Gears

These are the correct speedometer driven gears which go inside the transmission case. Please compare the gear you have to what you are ordering as the color or tooth count may vary from original. We do not have an application chart for these, so if changing axle ratios or tire size, please consult various online resources.

HOL-19-112

1962-79 Sniper Fuel Injection Fuel Tanks

Converting the carbureted fuel system on your car or truck over to EFI can be a daunting task. We have made this conversion easy with our complete tank and fuel system kits! The heart of a fuel system begins with the fuel tank. When converting to EFI, it is crucial that you do not contaminate your new parts with dirt, rust and sludge from an old fuel tank. Sniper fuel tanks are designed to meet or exceed the quality of your factory fuel tank. Sniper tanks are made from steel with a galvanized finish that are manufactured to the OEM specifications.

Pypes Hybrid 3/2.5" Systems

Need a 3 inch exhaust system for your Nova, but are concerned about the fit around your shocks and/or gas tank? With plenty of flow to handle the horsepower and a fit that rivals OEM, the new Pypes 3 inch Hybrid systems combine the best of both worlds. These 3 inch Pypes Hybrid Systems use our 3 inch X-Pipe technology and a set of custom (3 inches in to 2.5 inches out) mufflers connected to a set of 2.5 inch mandrel bent tailpipes.

Hooker Dual Exhaust Cut-Out Kits

The choice is yours - Tease the Street or Please the Track with Hooker's new "Street-Tease" exhaust cut-outs! Good and "old" ideas improved with new materials, that's what we have here! These cut-outs will provide years of worry free use with a mixture of stainless steel and aluminum. The materials will keep the elements out and the sound. Well that's up to you, with a flip of the toggle or a push of the remote button.

- Tig-welded T-304 stainless steel tubing for a clean and weather resistant finish
- 6061 aircraft aluminum motor and valve bracket
- Instant performance gains when opened
- Stainless tip can be positioned for any direction of exhaust
- Simple 12v cigarette lighter plug in for main power supply
- Welding Required

Hooker Cast Iron LS Exhaust Manifolds

Hooker cast iron exhaust manifolds have been designed to hug close to the engine block so they fit into a wide variety of replacement and engine-swap applications. Their contoured design aims the exhaust directly at the exit port for improved flow. Being cast iron means they will provide years of leak-free performance with less under hood noise than traditional headers. Plus, their shorty design means you can route exhaust tubing close to your frame/floor pan for maximum ground clearance. "Hook" up your GM LS engine with Hooker cast iron manifolds today!

- Intended for all GM LS (except LS7 and LS9) engine swap applications where durability, quiet operation, emissions compliance and leak-free sealing is desired
- Cast from Hi-Silicon-Moly Ductile Iron to provide durability and corrosion resistance
- 2.25-inch outlet diameter
- Free-flowing for good performance and catalytic converter efficiency
- Recommended for strong performance on engines making up to 500 horsepower

Hooker Competition Headers

Hooker Competition headers offer the best value in the high performance header market. Designed for the value-conscious buyer who is running either a "stock" or "mildly-modified" engine, these headers offer premium features at a very competitive price. Made of durable 16 gauge mild steel tubing, header design utilizes a long transition collector to reduce back pressure and increase exhaust flow. A perfect sealing surface is assured with the 5/16" machined flanges, with welded O-ring seals. Experience has proven that this flange size is ideal to maintain header integrity and be pliable enough to seal each exhaust port. Tubing is mandrel-bent to maintain metal strength and provide consistent tube diameter at radii to maximize performance.

- All necessary hardware included for a complete installation
- Designed for easy, trouble-free fit
- Industry's best welds for durability
- Long transition collector for decreased back pressure
- Tuned-length primary tubes for street performance

Flowtech Afterburner Headers

Flowtech's Afterburner Turbo Chamber Headers represent the first new major design change in exhaust technology in decades. This design combines the race-proven 4 into 1 design with the torque managing capabilities of a Tri-Y header. The turbo chamber helps smooth out exhaust turbulence for increased performance and a broad power curve.

- Horsepower and torque increased over conventional header design
- Big 3" secondary collector for reduced back pressure
- Tuned-length primary tubes combine with velocity tube to smooth out exhaust pulses
- All hardware and premium gaskets included for a complete installation
- Patented Velocity tube increases cylinder scavenging

CCS-CC6267

Aluminum Radiators by Champion Cooling Systems

These aluminum radiators are made to the highest of standards paired with unequalled quality precision and workmanship. The highest of aluminum grades available are used in all manufacturing processes. All Champion aluminum radiators are constructed using 100% welded seams brazed core technology and absolutely no epoxy. All Champion radiators come with a limited lifetime warranty and are made to install with little or no modifications using your original mounts giving you the confidence you deserve. Choose from the following series:

- EC Economy Core Series - 2Row - Two Rows of 3/4 inch Tubes = Approx. 400-600+ Horsepower Cooling Capacity.
- CC Champion Core Series - 3Row - Three Rows of 5/8 inch Tubes = Approx. 600-800+ Horsepower Cooling Capacity.
- MC Monster Core Series - 4Row - Four Rows of 5/8 inch Tubes = Approx. 800-1200+ Horsepower Cooling Capacity.

COLD-11AL

COLD-548MFK

1962-79 Cold Case Radiators

These COLD-CASE radiators are TIG welded 100% aluminum. These radiators have dual oversize 1" cooling rows making them more efficient than 4 1/2" rows seen on 4 row models. Cold Case aluminum radiators cool 20% better than OEM copper radiators and are more than 50% lighter. They are original in appearance with OEM style stamped tanks for strength and that OEM original look. Once painted, they look like originals to all but the concourse fanatic. Each radiator is pressure tested, direct fit and carries a Lifetime Warranty!

Vintage Air SureFit kits

Vintage Air SureFit kits are the most complete, bolt-in climate control systems available. SureFit kits install easily and utilize most of the factory sheet metal and body features and are engineered as "vehicle specific" complete systems. Our SureFit kits are designed to place the evaporator case and air duct hoses behind the dash for a factory-clean look. In most cases, the SureFit system will be controlled by your stock dash controls using our exclusive patented "Cable Converters." In some applications, a new "factory" look control panel is included with the kit. All SureFit systems provide full OEM-style operations including air conditioning, floor or vent exit heating and a powerful dehumidified defroster. To retain a true factory look, the A/C air exits through the factory dash louvers, if originally equipped in your car's dash. SureFit kits also offer the most complete and straightforward installations available anywhere. The Gen IV is Vintage Air's most powerful and intelligent climate control system available. The Gen IV uses an exclusive fully electronic microprocessor control system that eliminates cables or vacuum connections. Separate high-capacity copper parallel-flow heat coil and aluminum plate-and fin-cooling coils provide outstanding performance and instant temperature adjustments. Complete kits include the evaporator unit and mounting brackets, louvers (where required), duct hose, wiring harness, patented Electronic Cable Converters, compressor, engine brackets, condenser with brackets, preformed refrigerant lines, drier, fittings, hardware and installation instructions.

Features Include:

- Fly-By-Wire fully electronic servo motor controls with no cables or capillary tube to route
- Infinite just-right-temperature air blending - Infinite blower fan speed adjustment (3-speed on factory air models)
- High-volume dehumidified defrost mode - Separate high-capacity aluminum plate & fin cooling coil
- Copper/brass CuproBraz™ parallel-flow heater coil - Mounts behind the dash - Uses your factory system controls with our patented Electronic Cable Converters - Flat steel firewall cover panel - Replacement molded glove box (reduced capacity)

Holley

HOL-O-80670

Holley Carburetors

Holley is one of the most trusted carburetors of all time! Its 600 CFM of airflow, vacuum secondaries, single fuel inlet and mechanical or electric choke makes it amazingly universal. The 4160 carbs are constructed from aluminum which compared to its zinc counterpart equates to a weight savings of 40%! Being aluminum also means it will hold its shine and can be hand polished for a custom look! Don't trust your performance to just anyone, Holley is the only modular carburetor company that has been in business for over 100 years and has powered every NASCAR champion since the 60's.

QF-HR-600

QF-SS-650

The Hot Rod Series is a versatile performer designed for the most discerning street enthusiast. Featuring lightweight die-cast aluminum components, the HR-Series offers all the tunability you would expect from more expensive racing carburetors, including changeable bleeds, idle feed, power valve channel restrictions and four-corner idle. Offered in either vacuum or mechanical secondary models, all Hot Rod Series carburetors feature electric chokes and dual metering blocks for added performance. Now available in a 450 CFM model for applications with small displacement engines.

- All models feature a fully adjustable electric choke for easy starting
- Dual metering blocks w/ 4-corner idle for smooth and efficient idle quality
- Screw-in air bleeds and idle feed restrictions for quick unsurpassed tuning capability
- Dual inlet fuel bowls with sight glass windows for safe, easy float adjustment
- Universal throttle lever with sealed throttle shafts for smooth operation
- Tunable secondary opening rate
- Tumble polished for long lasting shine

Super Street Series carburetors combine street-friendly drivability and track-capable performance in a single value-oriented package. Setting them apart from ordinary street carbs, they feature billet dual metering blocks and throttle-bodies that offer tighter tolerances and eliminate porosity. Not only are Super Street Series carbs available with both vacuum or mechanical secondaries, QFT™ also offers models designed and calibrated specifically for E85 fuel and blow-through forced induction applications. Running alternative fuel or boost no longer requires an expensive custom carburetor. All SS-Series carburetors are equipped with universal throttle levers to accommodate a variety of models. Bolting on the ultimate street/strip carburetor has never been easier.

- Red billet dual metering blocks & silver billet throttle bodies for improved durability
- Changeable idle, high-speed air bleeds & power valve restrictions
- Dual inlet fuel bowls with dual sight glass windows for easy float adjustment
- 4-Corner idle for precise idle and smooth transition
- Fully-adjustable electric choke with easy one wire hookup
- Race-ready with notched secondary floats and jet extensions
- Polished or Black Diamond™ finish available (some models)

QF-SQ-650

Street-Q carburetor is intended to deliver legendary Q-Series performance to hardcore street enthusiasts at a reduced price. The major differences between the Street-Q and the race-bred Q-Series is the substitution of cast metering blocks and a cast throttle body in place of fully-machined billet components. All of the critical functionality is retained - 2-circuit metering, downleg boosters, changeable idle and high-speed air bleeds and 4-corner idle. A universal throttle lever to accommodate a variety of models.

- Lightweight die-cast aluminum components
- Changeable idle and high-speed air bleeds
- 2-circuit metering - 4-Corner idle system
- Downleg boosters
- 700-R4 mounting holes

QF-Q-750

Q-Series Race carburetors are purpose-built for the drag-strip. To combat the g's experienced during hard launches, Q-Series carbs are equipped with notched floats and secondary jet extensions. The high-flow aluminum main body isn't just lightweight, but it also features recessed air bleed cavities for improved air flow. Die-cast venturi are machined to exacting tolerances for outstanding throttle response. Billet metering blocks ensure a uniform fuel curve, while throttle-bodies enhance durability. For those days when track conditions vary from one pass to the next, QFT's QuickLink system makes adjusting the secondaries easy on models equipped with mechanical secondaries. The Q-Series is our most comprehensive line of carburetors, with applications available for use with gasoline, methanol and E85 fuels, forced induction, drag race, circle track and comes in both vacuum and mechanical secondary models.

- Lightweight aluminum main body
- Mechanical secondary
- Aluminum fuel bowls with dual sight glass windows
- Billet metering blocks with 4-corner idle system
- Changeable idle feed and power valve channel restrictions
- PTFE coated and sealed shafts that have been slabbed for added air flow
- Red anodized billet metering blocks and throttle plate

QF-FX-4710

QFX-Series stands as the flagship model in QFT's lineup. Raised air horns improve entry angle into the venturi while ensuring uninterrupted flow over the air bleeds. Annular boosters with CNC-machined billet aluminum inserts provide increased air flow, a stronger signal and less turbulence. QFX carbs offer unparalleled fuel atomization with annular boosters specific for either gas, methanol, or E85 fuels. Five-emulsion billet metering blocks and four-corner idle circuits offer flexible tunability that today's high-horsepower engines demand. Ready to run out of the box, the QFX-Series carburetor will help you get to the winner's circle.

- QFX aluminum main body w/raised venturi
- Billet aluminum metering blocks with screw in restrictions
- Aluminum fuel bowls with dual sight windows and fuel inlets
- Viton .130" Needles and Seats
- Billet Aluminum annular booster inserts
- QuickLink™ adjustable secondary opening adjustment
- Hand assembled and engine tested

Tuff Stuff Internally Regulated Alternators

Designed to handle the demand for power needed for today's electronics, Tuff Stuff's high powered internally regulated alternators are perfect if you have added a set of high powered headlights, or a high powered stereo system, or any other electronic systems to your Nova. Although meant for 1971 and newer internally regulated set ups, they can be used on older models that have been converted from external to internally regulated.

MSD-8362

MSD HEI Distributor

For value conscious enthusiasts, the Street Fire HEI is a great choice! We know the importance of a centrifugal advance in a distributor so our engineers made sure that the Street Fire received an advance assembly with coated weights and welded weight pins (not just pressed in like other models). Another area that you cannot afford to scrimp on is with a distributor gear. The Street Fire is fit with the same gear that is used on our Pro-Billet models. The metallurgy of this gear has been refined for years to perform through the harshest conditions.

MSD-8362	All, Red Cap 4 Pin*	229.99 ea.
MSD-8365	All Billet, Red Cap 4 Pin*	579.99 ea.

Note: Standard deck height blocks only. Will not fit gen 5 and 6 big blocks.*Refers to the amount of terminals on the ignition module. No Volume Discount.

MSD-8360

MSD Pro Billet Distributor

The Pro-Billet Ready-to-Run distributor is the perfect upgrade for outdated points distributors or bulky HEIs. Simply install the distributor in the engine, connect three wires, the coil and fire it up!

MSD-8360	Chevy V8*	469.99 ea.
MSD-85551	Chevy V8**	369.99 ea.

*Does not have nor can accept a vacuum advance canister.

**Must be used with a MSD 6,7, or 8 ignition box. Note: Standard deck height blocks only. Will not fit gen 5 and 6 big blocks. No Volume Discount.

Mallory Unilite Distributor

A legend returns - the tried and true Mallory Unilite Distributor line is back! The easy three wire hookup of the Unilite makes running a stock coil, a Mallory performance coil and even a Mallory HyFire CD ignition a snap. Supplied with a quality cap and rotor, the Mallory Unilite also provides a fully adjustable mechanical advance to dial in the perfect timing curve for a multitude of engine combinations. The Unilite features a compact housing that lends itself well to applications where space is a premium due to tight firewall clearance or blower applications.

MAL-3748201	All SBC, BBC*	409.99 ea.
-------------	---------------------	------------

*Standard deck height blocks only. Will not fit gen 5 and 6 big blocks. No Volume Discount.

MSD-6201

MSD Ignition

An MSD Ignition will improve the overall performance of your engine thanks to its high output capacitive discharge sparks. Below 3,000 RPM the ignition delivers multiple sparks that will clean up the idle, improve starting and throttle response. If you're looking to improve the performance of your modified mill, we have the answer. Whether you've done a cam swap, or bolted on a carb, intake and headers the 6A is a surefire way to harness all the ponies under your hood. Step up to the 6AL to have an engine saving rev limiter.

MSD-6201	Red All 6A	299.99 ea.
MSD-6425	Red All 6AL	349.99 ea.
MSD-64253	Black All 6AL	349.99 ea.

"Dated" Spark Plug Wire Set

New exact reproduction wire set correctly dated for your specific car, pre-cut and ready to install! Each set features correct colored wires and correct angle "cut" boots. Please give your sales rep your desired date. Non-HEI cars only. Here's how to order:

ALL-70BB1Q.....99.99 set

*For example, if the build date of your car was on or before January 15th of the model year, order 3rd quarter of the previous year. If the build date was after January 15th of the model year, order 1st quarter of that year. i.e. A 1970 Nova built on or before Jan 15th of 1970 would receive 70BB1Q.

AHC-3508	All w/ HEI	54.99 set

MAL-937C

Mallory Pro Spark Plug Wires

Burning spark plug boots in high heat applications is a thing of the past with Mallory's high temp ceramic boot spark plug wires. The ceramic boot is capable of withstanding temps up to 2,000 degrees F, making them ideal for applications with close tolerance headers and any other application where boot failure is an issue. These universal sets come with HEI type and socket type distributor ends. Cut and crimp to fit. 90 Degree boots typically fit small block and the 135 degree boots typically fit big block.

MAL-937C	90 Degree Red	159.99 set
MAL-947C	135 Degree Red	159.99 set
MSD-35051	Universal Crimper Tool	119.99 ea.

Holley

HOL-302-2

Holley LS Swap Oil Pan

GM's popular LS engines are finding their way into a large variety of vehicles. They make great power, plus they're very durable and reliable. Unfortunately, the factory LS pans don't always fit or they hang too low for today's hot rods. Holley's new LS Retro-fit Engine Oil Pan is designed to help! It provides maximum clearance to the chassis and ground, plus provides an OEM fitment for durability and proper sealing.

- Provides OEM fitment- OEM oil filter mounting, OEM oil cooler port provision, OEM engine NVH suppression, OEM flange gasket and sealing, proper structural rigidity and OEM bellhousing attachments.
- Traditional high-quality cast aluminum appearance with clean exterior styling.
- Provides maximum clearance to chassis.
- Cast and machined aluminum.
- Complete kit including sump baffle, pick-up tube, sump plug, oil filter stud & oil passage cover.
- Fits GM rear wheel drive applications that were originally equipped with a Small Block or Big Block Chevy engine and traditional rear sump oil pan*.

HOL-302-2 1968-74 All 449.99 ea.
Maximum crankshaft stroke = 4.25"

*Engine location may need to be adjusted (up / down or fore / aft) for cross member or steering linkage clearance depending on the vehicle, steering configuration and chassis type. No Volume Discount.

AMX-96

Motor Mounts OE

These new motor mounts are from GM's original supplier! MADE IN USA!!!

ART-2289 1968-74 SB Except 1969-74 350 39.99 pr.

3-11176

3-11166

Poly Motor Mounts

Energy Suspension motor mounts can take the abuse of today's high performance engines. Poly bushings can last longer than stock rubber mounts while handling more power. Add G to the part number for black. Add R to the part number for red.

Example: 3-4114G is for 68-72 black.

3-1114_ 1968-72 SB 2-5/8" x 3/4" H.....53.99 ea.
3-1117_ 1969-72 BB 2-3/8" x 1-3/16" H..... 57.99 ea.
3-1116_ 1973-79*.....36.99 ea.

Two mounts required per car. *You must reuse your original clamshells on the 1973-79 applications by drilling out the rivets and replacing the rubber insert with the new poly mount.

AEM-67FS

Engine Mounting Kits

These convenient engine mounting kits make it easy to convert from a 6 cylinder to a small block or from a small block to a big block. Each kit includes motor mounts, frame brackets, attaching bolts, thru-bolts and frame bracket bolts.

HOL-12834

Holley Chrome Fuel Pumps

Mechanical pumps designed to work with stock or mildly modified engines.

Free-flow output of 80 GPH (SB) or 80-130 GPH (BB). Body castings can be rotated 360-degrees to ease mounting in difficult places. Heavy duty construction can withstand long periods at high RPM. 1/4" (SB) 3/8" (BB) pipe thread inlet and outlet ports.

HOL-12834	Small Block	119.99 ea.
HOL-12835	Big Block	119.99 ea.

Note: Not compatible with methanol or alcohol. Cannot be used with fuel injection systems.

QF-30-350QFT

Quick Fuel Technology Fuel Pumps

For the street cruiser, it's tough to beat the simplicity and reliability of a mechanical fuel pump. Quick Fuel Technology's mechanical pumps flow 110 gallons per hour and utilize lightweight aluminum housings. They feature integrated shutoff valves that are preset at 6.5- to 8 psi, eliminating the need for a separate pressure regulator. For added installation flexibility, the pump casting can be rotated to accommodate various plumbing configurations. 3/8" NPT threads. Gasoline only.

QF-30-350QFT	Small Block	129.99 ea.
QF-30-454QFT	Big Block	149.99 ea.

No Volume Discount.

QF-30-125-1QFT

Quick Fuel Technology Electric Fuel Pumps

QFT's electric fuel pumps are perfect for combinations that are neither stock nor all out race cars. These pumps flow more than enough fuel to support between 400-750 hp. Mounting hardware and brackets are included.

- 125 GPH Flow Rate
- 14 PSI Maximum Pressure
- Features 3/8" NPT Inlets and Outlets
- Draws 4 Amps or Less at Full Load
- For Carbureted Gasoline Applications Only

JTW-X2301

Rear Quarter Glass Seals

Stop the rattles and leaks in your quarter window glass by replacing the worn felt channel on your Chevy II / Nova 2 door with this 4 piece quarter window upper channel replacement kit. These channels have a chrome bead on the outer edge. Non-functional kits are used to seal the windows and restore the appearance of your Nova if the channel guide tab on your glass is missing. The windows will not roll up or down. If you have the original plastic channel guide tab please select the functional kits. Rebuild kits are the glass channels only. You must reuse your original brackets. Most cars came from the factory without the chrome bead. Please check before ordering.

DSE040402	1968-74 All	499.99 kit

Ships Oversized. No Volume Discount.

DSE010104

DSE Subframe Connectors

These uniquely designed DSE weld-in subframe connectors increase your car's stiffness by connecting the front subframe to the rear frame rails. DSE subframe connectors are fabricated from 2 inch x 3 inch x 0.120 inch wall rectangular steel tubing. Laser cut brackets are included that attach the rear of the subframe to the connector for an easy, strong and simple welded joint. Unlike others, the DSE subframe connectors are barely visible from underneath the car. The rear of the connector is tapered to attach to the rear frame rails and also has a laser cut slot that conforms to the rear seat floor pan. The connectors are bent and TIG welded in a fixture for accuracy and repeatability. DSE subframe connectors do not interfere with seat attachment hardware or the installation and removal of the rear leaf spring pocket. These can be installed on coupes and convertibles and the molded factory carpet will still fit over them. DSE weld-in connectors include templates, pictures and detailed instructions.

DSE010104	1962-67 All*	243.99 pr.
DSE9304115	1962-67 Torque Box	205.99 pr.
DSE010102	1968-74 All	306.99 pr.

** If not installing the Chevy 2 Quadralink you will need to purchase the DSE torque boxes.*

RFP-1636

1962-67 Full Floor w/ A/T Cutout

Eddie Motorsports Biliet Trunk Hinges

These biliet trunk hinges are CNC machined from high quality 6061-T6 aluminum. They utilize Nitrogen filled gas struts that replace the stock torsion springs and high quality Delrin bushings for smooth reliable operation. The hinges are designed as direct fit, "bolt on" parts with some minor drilling required for fastening of the strut mount. The hinges come complete with mounting hardware, brackets (where required) and gas struts.

Power Window Retrofit Kits

Ground Up Motors's exclusive power window kits are the best available on the market today! They bolt into the original mounting holes making for a hassle free installation. Using 1018 cold-roll steel, bronze oilite thrust bearing at all the pivot points and heat treated metal for all gears results in a quality smooth operating regulator that will last for many years. The motors are all brand new and have been thoroughly tested for quality and feature a strong dependable motor. Kits include: new regulators, new ACI window motors, a new completed wiring harness, your choice of switches and the conduit from the a-pillar to the door. Our kits feature detailed instructions with helpful diagrams and photos. F/R= Front and Rear Kit, Cpe/Sed = 2 Door Coupe or Sedan, Cvt = Convertible

JTW-X2301

JTW-X6250-R

Rear Quarter Glass Seals

Stop the rattles and leaks in your quarter window glass by replacing the worn felt channel on your Chevy II / Nova 2 door with this 4 piece quarter window upper channel replacement kit. These channels have a chrome bead on the outer edge. Non-functional kits are used to seal the windows and restore the appearance of your Nova if the channel guide tab on your glass is missing. The windows will not roll up or down. If you have the original plastic channel guide tab please select the functional kits. Rebuild kits are the glass channels only. You must reuse your original brackets. Most cars came from the factory without the chrome bead. Please check before ordering.

PACKARD RADIO TVRS LR 3-Q-64

Dated Spark Plug Wires

New OE style reproduction wire set correctly dated for your specific car, pre-cut and ready to install! Each set features correct colored wires and correct angle "cut" boots. The date coding identified the quarter and year in which the wires were produced. As an example, a wire date coded as 1-Q-67 would have been produced in the first quarter of 1967. Research has shown that most cars had spark plug wires installed that were dated from 1 to 4 quarters prior to the build date of the car.

----------	------------------	------------

AC43

AC Delco Spark Plugs

This is a brand new set of 8 spark plugs for your Nova. These high quality reproduction AC Delco spark plugs feature the correct green AC and markings as original.

AC43	1964-70 #43	62.99 set
AC44	1964-70 #44	62.99 set
AC45	1964-70 #45	62.99 set

Note: The number on the plug refers to its operating temperature. The lower number is a cooler running plug which is typically found on the SHP high performance engines. A hotter, higher numbered plug would be used in engines where plug fouling may be or is a problem.

MAL-937C

Mallory Pro Spark Plug Wires

Burning spark plug boots in high heat applications is a thing of the past with Mallory's high temp ceramic boot spark plug wires. The ceramic boot is capable of withstanding temps up to 2,000 degrees F making them ideal for applications with close tolerance headers and any other application where boot failure is an issue. These universal sets come with HEI type and socket type distributor ends. Cut and crimp to fit. 90 Degree boots typically fit small block and the 135 degree boots typically fit big block.

MAL-937C	90 Degree Red	159.99 set
MAL-947C	135 Degree Red	159.99 set
MSD-35051	Universal Crimper Tool	119.99 ea.

FACTORY T3

HI-INTENSITY T3

T-3 Headlamps

Upgrade your weak old original T3 and Power Beam headlights with a pair of high performance headlights from Ground Up Motors! These headlamps utilize modern bulb filaments with a much brighter high/low beam, which are considerably brighter than the original factory and Power Beam units. These fit and function exactly as original which makes installing these a breeze. They feature a T3 or Power Beam logo and look just like the originals! We tested these on our own 1969 Camaro in our warehouse and you can really see the difference!

Side Marker Bezel

Excellent reproduction of the original side marker bezel for use on front fenders and rear quarters and are available with or without engine size designation. The front bezels are installed over the side marker lens assemblies and act as a chrome trim molding piece displaying your vehicle's engine designation.

Since 1985, Phoenix Graphix's goal has been to provide factory correct restoration, user-complete decal, and striping kits at an affordable price and in a timely fashion. With this philosophy, Phoenix Graphix leads the industry. They sell officially licensed restoration decals and stripe kits for General Motors (GM), Mopar, American Motors (AMC), Jeep and Ford Motor Company vehicles. Their complete product line is proudly manufactured in the USA.

1969 Yenko Stripe Kit

This stripe kit is exclusively for this one year only Yenko Super Car! Includes hood, fender, door and quarter panel stripes and is available in black or white. This kit does (1) car.

69-YNKO	Black.....	209.99 kit

Universal Rally Stripe Stencil Kit

This universal rally stripe kit makes it easy to add stripes to any year Nova. Based off of the 1969 Camaro Z/28 stripes this complete kit includes (2) sets of front hood stencils, (2) trunk stencils and (1) 9/32 x 38-1/2 foot roll of stripe masking which can be cut to desired length depending on car.

MSS-0688	All.....	69.99 kit
----------	----------	-----------

Note: This is a universal stencil kit. Simply cut the roll of stripe masking to your desired length to add stripes to any car.

Pre-Application Surface Cleaner

Nothing is more important than proper preparation of a vehicle's painted surface prior to applying decals and stripes. Remove contaminants like silicones, wax, tree sap and bug guts for a clean and adherent surface. Nothing beats smooth decals and stripes that resist lifting because of a proper PRE-Application!

PREAPP	4 oz. Pre-App Cleaner	13.95 ea.
--------	-----------------------------	-----------

SLIDE-ON Application Gel

Slide-On Application Gel will provide you the greatest advantage of a perfect application; time. Slide-On contains a special formula that resists drying until you are ready to squeegee the graphic into place. Only then does the decal "set up". With Slide-On time is on your side. The more Slide-On you use the more time you have.

SOAG	16 oz. Application Gel	24.99 ea.
------	------------------------------	-----------

SLIDE-OVER UV Protectant

Help protect your decal from harsh elements and natural aging by applying our revolutionary Slide-Over UV Protectant & Conditioner. Slide-Over is not oily or greasy and does not attract dust. More importantly, unlike petroleum distillates, it does not draw moisture from the vinyl.

SOPC	8 oz. UV Protectant	19.99 ea.

OER Interior Paint

OER's revolutionary formula provides 40% more coverage than standard dyes and lacquers and actually penetrates and molecularly bonds to the surface to permanently seal in the color. Dries to the touch in 45 seconds, forms a complete bond in just 10 minutes. UV stable and color fast, it will not crack, flake or peel. For use on vinyl, leather, ABS plastic, polycarbonate, polypropylene, polyurethane, acrylic, lexan, fiberglass and recycled plastics.

Company Policies

Hassle Free Returns

Products may be returned for a full refund, credit, or exchange within 30 days of receipt, provided that the product is in its original shipping condition and has not been modified, altered, painted, installed, or damaged. Products returned after 30 days can only be returned for exchange, store credit, or refund check. All returns after 30 days are subject to a 25% restocking fee. Ground Up Motors – SS396.com will not accept returned goods without prior authorization, any returns without prior authorization will be subject to a 25% restocking fee. The customer is responsible for shipping charges on returned merchandise unless otherwise indicated by Ground Up Motors – SS396.com.

Ground Up Motors – SS396.com always recommends professional installation for all the products we sell. Any item that has been altered, painted, installed, or deemed non-resalable by Ground Up Motors – SS396.com will be returned to the customer at the customer's expense. If the customer does not want to pay for return shipping, the item will be field destroyed. Ground Up Motors – SS396.com is not responsible or liable for any labor fees associated with the installation, removal, modification, or repair of any product purchased, regardless of the circumstances. Additionally, Ground Up Motors – SS396.com is not responsible for any damage or discoloration incurred in relation to chemical products, including cleaners, waxes, polishes, paints, and/or similar items.

Product Availability & Pricing

The availability of all items on SS396.com and in our print catalogs is subject to change without prior notice. Ground Up Motors – SS396.com reserves the right to discontinue products, services, accessories, and substitute products of a similar nature (i.e., different manufacturers/brands) without notice. While Ground Up Motors – SS396.com strives to maintain accurate pricing, please note that prices are subject to change due to factors such as increased costs in manufacturing and materials. For the most up-to-date pricing information, please visit our website 24/7 or contact a Ground Up Motors – SS396.com customer service representative by phone or email.

Backorders

Ground Up Motors – SS396.com will try to notify you in the event backorders are present on your order. While back orders are often beyond the control of Ground Up Motors – SS396.com, most out of stock items are shipped within two (2) to six (6) weeks. We generally ship back ordered items as soon as they arrive at our warehouse, without notification. If one of your items has been out of stock for more than 90 days, we will try to contact you before shipping. If you wish to cancel a back order, please contact us as soon as possible to avoid return shipping charges and restocking fees.

Ground Up Motors – SS396.com will keep track of all backorders on products that are "out-of-stock" or unavailable at the time the order is placed. The pricing on a back-ordered product is not guaranteed due to labor, manufacturing, materials, shipping costs, and other unforeseeable issues that may arise requiring a price adjustment. We will maintain the price on any backorder product for 60 days after the order is placed. After 60 days, the product may be subject to a price adjustment. If a price adjustment is necessary on a particular product, we will do our best to inform the customer before the product is shipped.

Kit Products

Our Parts and Accessories catalogs, as well as SS396.com, offer kits that include a variety of products to provide you with the best value. Please note that most of these kit items are exclusive to Ground Up Motors – ss396.com and are not eligible for further discounting or price matching against our competitor's kits.

Occasionally, we may run out of a specific item that is included in a kit. In such cases, we will generally ship the items that are in stock and backorder the ones that are currently unavailable. You can contact our sales department by phone to verify which items are out of stock at the time of placing your order. As our customer, you have the option to accept a partial kit delivery or choose to have the entire kit backordered until it is ready to ship in its entirety, be sure this is either verbally communicated over the phone or specified when placing an order online. Please note that additional freight fees may apply for multiple shipments, if applicable.

Color Matches

Please note that due to multiple manufacturers of products provided by Ground Up Motors – ss396.com, color variations may occur. Slight color variations, especially among interior products, are common and do not constitute a defect. These products are not eligible for return shipping solely based on color variations.

Additionally, there are products noted online and, in our catalog, as non-returnable. This primarily includes colored products such as interior items, as well as special order or built-to-order products like date-coded glass and custom gauge clusters. If you are unsure whether a product is non-returnable, please contact a us via phone or email for clarification. Please be aware that colors displayed on computer monitors and, in our print, catalogs may differ slightly from the actual color of the product. If precise color matching on interior items is a concern, we recommend ordering black and color matching using interior paint or dyes. Returns of colored, special order, or non-returnable items are not permitted and will be subject to 25% restocking fee.

Sales Tax Information

If you live in a state that requires sales tax, Ground Up Motors – SS396.com will collect the appropriate sales tax for your shipping location. Most states currently require sales tax and Ground Up Motors – SS396.com is compliant with all the latest laws associated with state sales tax. Due to regular variations in state sales tax, rates are subject to change without notice based on state and zip code. State sales tax is applied to products as well as shipping fees, handling fees, etc

Ordering Lefts and Rights

Items in this catalog are presented as right hand (RH) or left hand (LH). RH and LH sides are determined by sitting in the vehicle. RH = passenger and LH = driver.

International Orders

Ground Up Motors – SS396.com is happy to ship parts to international customers via International Economy shipping. Shipping can also be arranged per the customer and the packages will be boxed at our dock. Please call our sales department or send an email to logistics@ss396.com to get a shipping quote for the parts that you wish to order.

Oversize Items

We offer shipping for items that are considered Oversize. These items can be shipped via UPS Ground at an Oversize rate, which entails a minimum dimensional weight fee of 30 lbs. for Oversize or 70 lbs. for Oversize 2.

It's important to note that Ground Up Motors – SS396.com reserves the right to charge an Oversize fee on any item that is deemed Oversize, even if it is not explicitly indicated as such. This ensures that the shipping costs associated with handling and transporting these larger items are adequately covered. If a shipping adjustment is necessary on a particular product, we will do our best to inform the customer before the product is shipped.

Truck Freight

Ground Up Motors – SS396.com recognizes that certain products are too large or heavy to be shipped via Ground freight and must be shipped using truck freight. Efforts are made to clearly indicate these items in the print catalogs and website, but there may be instances where an item not specifically marked for truck freight may still require or benefit from this shipping method.

To ensure we are providing our customers with the best possible shipping rate all orders are subject to review by our Truck Department for adequate freight quoting. When placing an order online or over the phone you will not be charged any shipping, and a quote will be provided for your approval which is valid for 10 days from the date it was provided. Orders will remain as a quote until the order has been approved by the customer. Note that products are not reserved until the quote has been approved. Due to the quoting process PayPal payment is not accepted for truck orders. It is crucial to provide us with accurate information regarding the delivery destination. Any fees or charges resulting from the provision of false information or failure to comply with Ground Up Motors – SS396.com's policies are the sole responsibility of the customer and may be applied without notice.

Expedited Shipping

Ground Up Motors – SS396.com provides various expedited shipping options for customers' convenience. To ensure timely delivery, orders must be placed by 2:00 pm from Monday to Thursday, and by 12:00 pm on Fridays. Please note that weekends and holidays are not considered shipping days. It is important to mention that we recommend contacting our sales department to obtain the expedited shipping rates for your order. They will be able to provide you with accurate pricing information based on your specific requirements to ensure you are receiving your expedited order in a timely manner.

APO/FPO Shipping

Please note that for APO or FPO addresses, USPS is the only available shipping method. If you are military personnel with an APO or FPO address, it is important to contact Ground Up Motors – SS396.com prior to placing your order. This will allow them to verify that the desired parts do not exceed the size limit and ensure a smooth shipping process for you. You can reach out to our customer service team by writing, calling, or emailing, be sure to also ask about our Military discounts which we are honored to offer to both active and retired military personnel.

Product Damages & Shortages

We understand that errors and issues can sometimes occur during the fulfillment, shipping, or manufacturing process. If you receive a product that is damaged, missing, or incorrectly shipped, it is important to notify us within three (3) business days of receiving the order. You can do so by contacting us via phone or email. If you are present at the time of delivery and notice any carrier damage it is recommended that you refuse the shipment with the reason of carrier damage. If this is the case notify our customer service team so we can rectify this issue in a timely manner and ensure you are not charged any additional fees.

To ensure a prompt resolution on a damaged or missing claim, we may request additional information, such as images or details about the damaged, missing, or incorrectly shipped product. In most cases, we will provide you with a pre-paid shipping label to return the damaged or incorrectly sent product. Once we receive and inspect the returned item, we will issue a refund or send a replacement, depending on your preference.

Please note that if you report damage, missing items, or incorrect shipments after the 3-day window, you may still be able to make a claim, but will not be eligible for a pre-paid shipping label.

Refusals

In the event of a refused delivery, please note that a restocking fee of 25% will be applied, along with applicable return shipping charges, unless the refusal was due to damage that occurred during shipping (refer to our Damage Claim policy).

For more policies and information on discounts/eligibility please see ss396.com for more information.

Company Policies

Hassle Free Returns

Products may be returned for a full refund, credit, or exchange within 30 days of receipt, provided that the product is in its original shipping condition and has not been modified, altered, painted, installed, or damaged. Products returned after 30 days can only be returned for exchange, store credit, or refund check. All returns after 30 days are subject to a 25% restocking fee. Ground Up Motors – SS396.com will not accept returned goods without prior authorization, any returns without prior authorization will be subject to a 25% restocking fee. The customer is responsible for shipping charges on returned merchandise unless otherwise indicated by Ground Up Motors – SS396.com.

Ground Up Motors – SS396.com always recommends professional installation for all the products we sell. Any item that has been altered, painted, installed, or deemed non-resalable by Ground Up Motors – SS396.com will be returned to the customer at the customer's expense. If the customer does not want to pay for return shipping, the item will be field destroyed. Ground Up Motors – SS396.com is not responsible or liable for any labor fees associated with the installation, removal, modification, or repair of any product purchased, regardless of the circumstances. Additionally, Ground Up Motors – SS396.com is not responsible for any damage or discoloration incurred in relation to chemical products, including cleaners, waxes, polishes, paints, and/or similar items.

Product Availability & Pricing

The availability of all items on SS396.com and in our print catalogs is subject to change without prior notice. Ground Up Motors – SS396.com reserves the right to discontinue products, services, accessories, and substitute products of a similar nature (i.e., different manufacturers/brands) without notice. While Ground Up Motors – SS396.com strives to maintain accurate pricing, please note that prices are subject to change due to factors such as increased costs in manufacturing and materials. For the most up-to-date pricing information, please visit our website 24/7 or contact a Ground Up Motors – SS396.com customer service representative by phone or email.

Backorders

Ground Up Motors – SS396.com will try to notify you in the event backorders are present on your order. While back orders are often beyond the control of Ground Up Motors – SS396.com, most out of stock items are shipped within two (2) to six (6) weeks. We generally ship back ordered items as soon as they arrive at our warehouse, without notification. If one of your items has been out of stock for more than 90 days, we will try to contact you before shipping. If you wish to cancel a back order, please contact us as soon as possible to avoid return shipping charges and restocking fees.

Ground Up Motors – SS396.com will keep track of all backorders on products that are "out-of-stock" or unavailable at the time the order is placed. The pricing on a back-ordered product is not guaranteed due to labor, manufacturing, materials, shipping costs, and other unforeseeable issues that may arise requiring a price adjustment. We will maintain the price on any backorder product for 60 days after the order is placed. After 60 days, the product may be subject to a price adjustment. If a price adjustment is necessary on a particular product, we will do our best to inform the customer before the product is shipped.

Kit Products

Our Parts and Accessories catalogs, as well as SS396.com, offer kits that include a variety of products to provide you with the best value. Please note that most of these kit items are exclusive to Ground Up Motors – ss396.com and are not eligible for further discounting or price matching against our competitor's kits.

Occasionally, we may run out of a specific item that is included in a kit. In such cases, we will generally ship the items that are in stock and backorder the ones that are currently unavailable. You can contact our sales department by phone to verify which items are out of stock at the time of placing your order. As our customer, you have the option to accept a partial kit delivery or choose to have the entire kit backordered until it is ready to ship in its entirety, be sure this is either verbally communicated over the phone or specified when placing an order online. Please note that additional freight fees may apply for multiple shipments, if applicable.

Color Matches

Please note that due to multiple manufacturers of products provided by Ground Up Motors – ss396.com, color variations may occur. Slight color variations, especially among interior products, are common and do not constitute a defect. These products are not eligible for return shipping solely based on color variations.

Additionally, there are products noted online and, in our catalog, as non-returnable. This primarily includes colored products such as interior items, as well as special order or built-to-order products like date-coded glass and custom gauge clusters. If you are unsure whether a product is non-returnable, please contact us via phone or email for clarification. Please be aware that colors displayed on computer monitors and, in our print, catalogs may differ slightly from the actual color of the product. If precise color matching on interior items is a concern, we recommend ordering black and color matching using interior paint or dyes. Returns of colored, special order, or non-returnable items are not permitted and will be subject to 25% restocking fee.

Sales Tax Information

If you live in a state that requires sales tax, Ground Up Motors – SS396.com will collect the appropriate sales tax for your shipping location. Most states currently require sales tax and Ground Up Motors – SS396.com is compliant with all the latest laws associated with state sales tax. Due to regular variations in state sales tax, rates are subject to change without notice based on state and zip code. State sales tax is applied to products as well as shipping fees, handling fees, etc

Ordering Lefts and Rights

Items in this catalog are presented as right hand (RH) or left hand (LH). RH and LH sides are determined by sitting in the vehicle. RH = passenger and LH = driver.
