PHSW24 IS BROUGHT TO YOU BY

INNOVATIVE STARTUP ACT (ISA)

COMMITTEE

The Innovative Startup Act Committee (ISA) of the Philippines provides strategic guidance and oversight in the formulation and development of the **Philippine Startup Development Program (PDSP)** formalized through a Joint Admin Order

LEAD AGENCIES

PHSW24 IS SUPPORTED BY

SCALE NCR (Strategic and Collaborative Alliance for Leveraging Ecosystem of Startups - National Capital Region) is a consortium formed in 2022 with the support of DOST-PCIEERD under the ReSEED Program. It was initiated by PCIEERD-supported Technology Business Incubators in the region and is led by Miriam College - TBI, QBO Innovation, UPSCALE Innovation Lab, and DLSU-Animo Labs.

SCALE NCR plays a pivotal role in promoting and accelerating the growth of startups within the National Capital Region (NCR) of the Philippines. The platform offers mentorship, funding opportunities, strategic partnerships, and specialized resources to support startups at various stages, aiming to cultivate investable ventures and enhance NCR's standing in global startup ecosystem rankings.

Day 3

November 13, 2024

Main Stage

Blue Leaf Events Pavilion, Taguig

STARTUP PINAY x FOUNDER | OPEN TO ALL

8:00-9:30	Check in & Networking
9:30-9:45	Opening Remarks Emmy Lou Delfin <i>Director, DICT-IIDB</i>
9:45-10:00	Breaking Boundaries: Empowering Filipinas in Science, Data, and Technology (Keynote) How can Filipinas break into and thrive in traditionally male-dominated fields? This keynote will challenge traditional boundaries, encouraging women to think big and pursue opportunities in cutting-edge industries in science and technology. Reina Reyes <i>Head - NIP Data and Computation Research Group, National Institute of Physics, UP Diliman</i>
10:00-10:15	Space Tech and Beyond: Reach for the Stars in Innovation and Entrepreneurship (Talk) Effective content is essential for engaging audiences, driving startup growth, and establishing a lasting presence in the market. To achieve this, startups must prioritize impactful content that connects with consumers and enhances visibility. This panel discussion will explore how startups can redefine their content strategies by focusing on authenticity, maintaining a consistent brand voice, and adopting innovative approaches to engage modern consumers. Emeline Paat-Dahlstrom <i>Co-Founder and CEO, SpaceBase</i>
10:15 - 10:45	Beyond the Horizon: Harnessing Data and Space Tech for Global Innovation (Fireside Chat) A dialogue on how the convergence of data science and space technology drives impactful innovation and creates opportunities in emerging markets like the Philippines. This will highlight how industries are being transformed and solving real-world challenges. Reina Reyes <i>Head - NIP Data and Computation Research Group, National Institute of Physics, UP Diliman</i> Emeline Paat-Dahlstrom <i>Co-Founder and CEO, SpaceBase</i>
10:45 - 11:25	Leading the Charge: A Vision for Women in Tech and Inclusion (Panel Discussion) Creating a gender-inclusive tech ecosystem leads to more innovation and creativity because diverse teams bring varied perspectives to problem-solving. This panel will explore the strategies, challenges, and opportunities in creating more equitable workplaces and ecosystems for women. Rhea See <i>Co-Founder and CEO, She Loves Tech</i> Bianca Azurin <i>Co Lead, Web3 Metaversity</i> Lindsay Davis <i>Founder, Femtech Association Asia</i> Tina Di Cicco <i>Venture Partner, Investible</i> Russell Pili <i>Chief of RITTD, DOST PCIEERD (Moderator)</i>

Day 3

November 13, 2024

Main Stage

Blue Leaf Events Pavilion, Taguig

STARTUP PINAY x FOUNDER | OPEN TO ALL

<p>11:25 - 12:05</p>	<p>Unlocking Potential: Investment Opportunities in the Emerging Women-Driven Tech Sector (Panel Discussion)</p> <p>As we continue to advocate for a shift toward gender-inclusive investment practices, there is a need to shine a light on the high-potential, under-invested market of women-driven tech ventures. This session will dissect why investing in women-driven ventures is not just about diversity but about tapping into a wealth of innovative solutions, fresh perspectives, and sustainable growth.</p> <p>Hannah Birdsey <i>CEO, Investing in Women</i> Quenby Go <i>Executive Director, MAIN.ph</i> Abigail Tan <i>Co-Founder and Managing Partner, ARQ Capital</i> April Ong Vaño <i>Head of Environmental, Social and Governance, Quest Venture (Moderator)</i></p>
<p>12:05 - 12:35</p>	<p>The Future is Female Showcase (Startup Showcase)</p> <p>This all-female showcase celebrates the creativity, resilience, and impact of women-led ventures. The showcase aims to inspire greater investment in female-driven innovation and foster a more inclusive startup ecosystem.</p> <p>Dr. Rica Cruz <i>Founder, Unprude</i> Zahra Zanjani <i>Founder, Cubo Modular</i> Jules Veloso <i>Co-Founder and Chief Executive Officer, ITOOH</i> Ina Flores <i>CEO and Founder, Hey Roomie</i></p>

Day 3

November 13, 2024

Main Stage

Blue Leaf Events Pavilion, Taguig

GREENOVATION NATION | OPEN TO ALL

<p>2:00-2:20</p>	<p>Powering a Greener Future: Vision for Corporate Innovation in Sustainable Energy (Keynote Talk)</p> <p>Raymond Ravelo <i>FVP and Chief Sustainability Office, Meralco ; President and CEO Movem Electric, Inc.</i></p>
<p>2:20- 3:00</p>	<p>Driving Change: The Power and Potential of Impact Investing in Shaping a Better Future (Panel Discussion)</p> <p>Southeast Asia, with countries like the Philippines, is experiencing growing interest in impact investing. The region faces many social, environmental, and economic problems. Impact investing provides a strong way to support change and encourage new ideas. This discussion will explore how impact investing helps sustainable growth by strengthening startups.</p> <p>Rodrigo Alarcon <i>Studio Director, ThinkPlace</i> Arun Pai, Principal <i>Monk's Hill Ventures</i> Ruod Ariete <i>Community Choreographer, Pollinate Impact</i> Tina Di Cicco <i>Venture Partner, Investible (Moderator)</i></p>
<p>3:00-3:40</p>	<p>Climate Tech: Adapting for Tomorrow, Today (Panel Discussion)</p> <p>The Philippines often deals with severe weather and is turning to Climate Tech for new solutions. This session looks at how companies, private organizations, and governments join forces to create technologies that improve climate strength, increase renewable energy use, and support eco-friendly growth.</p> <p>Gillian Santos <i>CEO and Co-Founder, Anihan Technologies</i> Priya Thachadi <i>CEO and Founder, Villgro Philippines</i> ASec. Romell Antonio Cuenca <i>Deputy Executive Director, Climate Change Commission</i> Josef Werker <i>CEO and Founder, Humble Sustainability (Moderator)</i></p>
<p>3:40-4:20</p>	<p>Closing the Loop: The Future of Waste Management (Panel Discussion)</p> <p>The Philippines is the top plastic waste contributor and struggles with trash problems because cities are growing fast. Finding ways to handle waste is really important for keeping the environment healthy. The panel will talk about how startups, big companies, and organizations try various ideas to cut down on waste and use materials again and again, which helps the planet.</p> <p>Mark Sultan Gersava <i>CEO of Bambuhay</i> Linda Nguyen Schindler <i>Director of Ecosystem, Client & Partnerships/Director of AI Competence Center (Asia), Start2 Group</i> Jonji Madara <i>CEO of MET Power Ventures</i> Pamela Mejia <i>Founder of PAMME (Moderator)</i></p>
<p>4:20-5:00</p>	<p>Energy Transition: Corporate Innovation and Startup Collaboration for Sustainability (Panel Discussion)</p> <p>Relatively at the center of a global shift towards clean energy, Southeast Asia is increasingly focused on shifting towards renewable energy. The Philippines is promising, with significant renewable energy potential. In this regard, this discussion will feature how collaboration between corporates and startups is driving energy innovation, with a strong emphasis on sustainability and enhancing energy resilience in the region.</p> <p>Raymond Ravelo <i>FVP and Chief Sustainability Office, Meralco, and President and CEO, Movem Electric, Inc.</i> Dennis Ng <i>CEO and Founder, Mober Green+Tech Logistics</i> Andy Othman <i>Chief Venture Officer, Aboitiz Power</i> Brenda Valerio <i>Country Director - Philippines, New Energy Nexus (Moderator)</i></p>

PARTNER SPOTLIGHT: IMAGINABLE IMPACT

Imaginable Impact is co-creating a world where Filipinas thrive.

We activate the power of the female lens in growing a more vibrant and equitable economy, so we can close the gender gap in leadership, especially among entrepreneurs and startup founders.

FoundHer is Imaginable Impact's community platform that aims to champion, spotlight, and empower Filipina founders throughout their startup growth journey, through community-driven spaces and stages anchored on feminine leadership principles.

Follow [@imaginableimpact](#) on LinkedIn, Instagram, and Facebook; or email hello@imaginableimpact.com to learn more.
