ABOUT US

Marcelina Furniture Studio was created from a simple belief: that every project deserves a steady, thoughtful partner who understands how meaningful a well-crafted space can be. For us, the process is just as important as the final environment. We guide each client with care—translating ideas into clarity, easing the complexities, and ensuring every choice feels intentional.

Our approach is rooted in calm professionalism, genuine connection, and an unwavering commitment to making the journey feel effortless. At Marcelina, we stand beside our clients from the first spark of vision, shaping an experience defined by trust, refinement, and a shared passion for creating spaces that truly resonate.

RESIDENTIAL DINNING ROOM

Every home is approached as a unique journey. Our process allows furniture to be customized in response to lifestyle, space, and personal taste, guided with care from initial concept through final selection. The result is furniture that feels intentional, effortless, and truly personal.

DINNING CHAIRS.

DINNING CHAIRS.

Dinning chairs bring comfort and personality to the dining space. Designed with refined proportions and supportive forms, they invite longer moments around the table while maintaining a sense of visual balance. Each piece adds warmth and character, shaping an atmosphere that feels intimate, relaxed, and thoughtfully composed.

DINNING TABLES.

DINNING TABLES.

Dining tables form the natural center of the residential dining room. Solid structures and carefully considered surfaces create a sense of stability and presence, supporting shared meals and everyday rituals. Their timeless design encourages connection, bringing warmth and quiet sophistication to the heart of the home.

BAR STOOLS.

BAR STOOLS.

Bar stools extend the dining experience into more informal and versatile settings. Designed for comfort and ease, they offer supportive seating while preserving a calm, residential character. Balanced proportions and clean forms allow these pieces to integrate seamlessly into the home environment.
