THE REAL ITALIAN STYLE IN YOUR CAR

Mr&Mrs Fragrance is an **Italian company** present in more than **40 countries WW**, specializing in the creation of **car air fresheners** and born from the idea of bringing **Made in Italy** to cars all over the world.

Our products are ambassadors of **true Italian style** and blend **aesthetics and functionality**, transforming every journey into an experience of beauty and pleasure..

Why choose Mr&Mrs Fragrance

Italian Style and Made in Italy: Mr&Mrs Fragrance expresses Italian style at its best, with scrupulous attention to detail and a deep connection to the tradition of Made in Italy. Each product is designed to combine aesthetics and functionality, transforming the interior of cars into spaces that reflect Italian taste and authenticity.

High performance: our fragrances, designed to ensure high performance in terms of fragrance duration and intensity, continuously diffuse a pleasant and homogeneous fragrance inside the car. We strive to maintain high quality standards for both mass market and premium lines, ensuring the same attention to fragrance performance at all times.

Fragrance Quality: our range of fragrances is designed to offer a wide choice, always ensuring the same quality excellence. At Mr&Mrs Fragrance, we strive to create fragrances that stand out for their originality and authenticity, ensuring a balanced diffusion and pleasant persistence.

Focus on sustainability: sustainability and social responsibility are at the core of Mr&Mrs Fragrance's values. We are committed to reducing our environmental impact by choosing natural ingredients for our fragrances and adopting environmentally friendly practices (such as refillable solutions). Each product is developed with the well-being of people and the planet in mind, ensuring a pleasant fragrance without compromising on safety.

Odor Neutralizer

BREATHE HAPPY

Tired of the unpleasant odors that invade your car's interior? Smoke, food, pet smells, and more seem impossible to get rid of? Now, there's a definitive solution!

Our car air freshener is equipped with a **special molecule** that effectively and permanently neutralizes unwanted odors, ensuring a fresh and clean environment every time you get in your car. This advanced technology works deep within the air, **breaking down the particles that cause unpleasant smells**—not masking them, but eliminating them completely.
