The Oxford Falls Grammar Drama Program operates from Week 2 in Term 1 each year. Our drama teachers have a wealth of knowledge and experience teaching drama in schools. All drama classes have skills taught through fun and engaging activities.

Drama classes will have a focus on character development, preparing for auditions and script reading. All drama classes will be participating in a performance evening and possibly an assembly that will enable students to develop and showcase their talents.

TheatreSports® enables students to increase their confidence and their ability to work as a team. Students will learn how to 'think on their feet', how to craft an engaging performance and how to effectively structure a story through improvisation.
