

PLAN YOUR YEAR *with Compass Classroom*

A curriculum selection guide

What curriculum best fits my child?

We're here to help homeschool families select the right courses for your students. This guide is designed so you can easily see all the curriculum options we recommend for each grade level, allowing you to print, make notes, and plan your year with Compass Classroom.

We've included an example of a curriculum plan for a family with an elementary, middle school, and high school student. You'll see that you can teach multiple ages at the same time with courses such as *Visual Latin*, *Word Up!*, and *American History*.

At CompassClassroom.com, you can learn detailed information about a particular course, try sample lessons, and take a look at our informative "How to Teach" resources at bit.ly/htt-classroom.
