website

A wide ranged wordpress website development that are used by major business industries to promote their business. I design modern/ complex and mobile friendly website to suite your organisation needs. Wordpress template can be designed or bought based on client's business needs. Customised wordpress website for business based on discussion.

Hibiscus Tower, Grandeur view

architecture

Sunway Campus ver2
This video is done using Lumion 4.5 3D Visualisation. The purpose of this video is to measure my capability in making 3D Architecture Visualisation. The updated video consists of animated people and moving vehicles and has background music. It's a 2nd personal project done by me.

African Boutique Hotel
The video is a promotion for an African Boutique Hotel located in Ghana, Africa. It was done based on the client's proposal to have a boutique hotel in the Africa continent. The video was rendered using Lumion 4.5 with 720p resolution.

3D architecture walkthrough offers a glimpse into the future based on thoughts process and business needs/ individual needs. It allows what can be done and what is possible in 3D environment to assists client in envisioning their future office's layout, interior decoration, renovation, city township planning or creative 3D architecture design!

video FX

Video FX can be used as showcase of a launch or a product highlights. It can also be used as an enhancement to the video to enhance the storytelling or product promotion. Giving it a visual flare can leave a lasting impact onto current client and future client!
