# SEW WHAT'S NEW

## *letter from the rabbit's den*

---

It's March already!!!? And I'm still wondering where 2025 went!

2026 has started on a high note, mostly. New classes, new machines, new customers ... we can't wait to share the next month with you.

February was... interesting. Have you ever arrived to a hotel in a city currently under siege by mother nature and been told your hotel has no heat? That was my recent experience in Charlotte, normally a warmer city, where I learned all about the New Husqvarna Viking Epic 3 Nordic Frost and the PFAFF creative elevate 680 sewing or sewing and embroidery combo.

Be sure and flip all the way through each month's book for coupons, freebies, patterns and more now hidden throughout the flip book. (I know you didn't read February or you'd have redeemed those coupons!)

See you in the shop.
