WELCOME

MEET YOUR HOSTS

Jamie

Jamie's passion for food and drink budded during his years as a chef before a detour into rocks & minerals. Earning an MSc in Geology he began a career as a professional geologist down under in Perth, Australia, whilst still sneaking bites of gourmet goodness and wines wherever he could. Fueled by enthusiasm and a little zest for the good life, Jamie eventually returned to his homeland to fulfill a dream of creating a business building the best wine & food tours to support the then emerging and exciting wine scene of Sussex.

Steph

Steph, fuelled by an enduring love for incredible food and drinks, has danced through a 20-year journey in the vibrant world of hospitality, shimmying from Australia to the bustling streets of New York and the lively lanes of London. But amidst the glitz and glamour of city life, Steph felt the pull of her rural roots in Sussex, where she now weaves her entrepreneurial dreams into reality with Vine + Country. Here, she's on a mission to blend life's greatest pleasures – delectable food, divine wine, and the serene countryside – into an unforgettable experience.

(*DISCLAIMER - Jamie & Steph are also a real life husband & wife dream team!)
