The place for

savers.

We'll help you go from dreaming to doing.

Whether you're saving for a quick trip in months or a forever home in years, we know you love options. We've got everything from a **4.20% APY¹ money market account** to a **10% APY² high-yield savings account**, plus a **5.49% APY³ 9-month Boost CD**. Pick your favorite way to save, or even go with more than one.

Start saving at cfcu.org/savers.

¹ APY = Annual Percentage Yield. A minimum opening deposit of \$2,000 is required to open a Money Market Demand Account. Interest rates are variable and can change at any time. The following tiers and APYs are accurate as of June 28, 2023: Under \$2,000: 0.00%; \$2,000 to \$14,999.99: 1.10% or 1.10% APY; \$15,000 to \$24,999.99: 1.29% or 1.30% APY; \$25,000 to \$49,999.99: 1.59% or 1.60% APY; \$50,000 to \$99,999.99: 1.69% or 1.70% APY; \$100,000 to \$249,999.99: 1.98% or 2.00% APY; \$250,000 to \$499,999.99: 2.47% or 2.50% APY; \$500,000 to \$999,999.99: 3.20% or 3.25% APY; \$1,000,000 to \$4,999,999.99: 3.45% or 3.50% APY; \$5,000,000 and above: 4.12% or 4.20% APY. Interest will be compounded daily and credited to your savings account monthly. Fees may reduce earnings. Visit cfcu.org/depositrates for full details and all rate tiers.

² **Tiered Variable Rate Information.** This Account is subject to a Tiered Variable Rate. For the current dividend rate and corresponding APY, refer to the accompanying Account Disclosure Rate Supplement which We have included with and made a part of this Disclosure. **Minimum Balance Requirements.** No minimum balance requirements apply to this Account. **Transaction Limitations.** The Credit Union reserves the right to require a member intending to make a withdrawal to give written notice of such intent not less than seven days and up to 60 days before any such withdrawal.

³ *APY = Annual Percentage Yield. Rate Effective 1/3/2024. The term of the Term Share is 9 months. Minimum opening balance and minimum balance to earn interest is \$25,000. No portion of the initial deposit can come from funds that are already on deposit with CFCU. Entire initial amount deposited at account opening must be funds from a source other than funds you have on deposit with the Credit Union (e.g. funds from an account you hold at another financial institution). Fees may reduce earnings. Early withdrawal penalties will apply.

Build it beautiful.
