FROM THE PASTOR'S PEN

Dear Friends,

This newsletter is filled cover to cover with examples of your generosity and kindness. Serving our community, giving generously in support of our stewardship campaign, responding to relief efforts in the wake of Hurricane Helene, volunteer efforts around the building and good news about friendships forming across the generations that make up our family. Thanks be to God!

This past Sunday I was the grateful recipient of your kindness and generosity as you marked pastor appreciation with thoughtful gifts, beautiful flowers, the kindest of words and (of course!) pumpkin flavoured goodies. Thank you from the bottom of my heart. As I said on Sunday, your care for my family and I is a great gift. To quote the psalmist 'the boundary lines have fallen for me in pleasant places.' (Psalm 16:6) I am humbled and grateful.

And I am also inspired, because I truly believe that we, the people of this church, can be an example to others as we carry kindness and generosity with us now to election day and beyond. Remembering that our faith compels us to reflect Christ in every aspect of our lives, consider how you might make a difference in the days ahead with simple actions - choosing a kind response over a sharp one, a spirit of generosity over a spirit of meanness. While these small acts might not change the world, they might just transform us to be a better reflection of the One we love and follow, and that will make a world of difference.

See you in church,

Tracy

WORSHIP

JAMES

As we kicked off the fall season together, the Book of James brought us powerful challenges. From the importance of being mindful of the words we speak to the countercultural truth that wisdom is often found in gentleness, James offered us some guidelines living out our faith .

A central theme throughout the series was the call to put our faith into action. This culminated beautifully as we concluded our September sermon series with a dedicated Day of Service, where we literally took our feet to the streets, embodying the teachings we had reflected on.

For a full recap of the day's activities and highlights, please see [pages 16-17](#). Let's continue to carry the lessons of James into our daily lives as we serve and uplift one another!

BE RICH

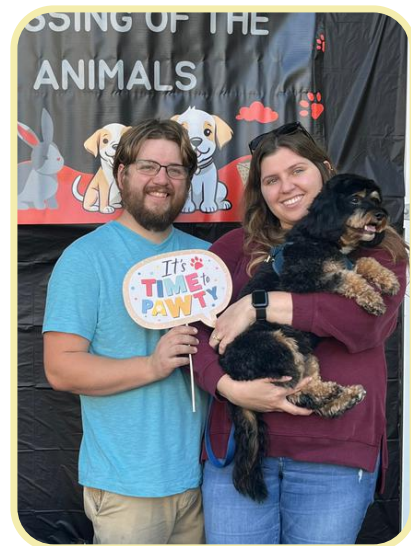

In the month of October we made our way through the tenth chapter of Mark's gospel as our sermons lined up with our Stewardship theme for the Fall - Be Rich. Learning from the disciples what to do (and what not to do!) we focused on growing in welcome, in generosity and in service - a lifelong journey.

WORSHIP

BLESSING OF THE ANIMALS

Sunday, October 6, Clinton Presbyterian Church held its 2nd Annual Blessing of the Animals Event. With over 45 local families and church members and more than a dozen animal friends in attendance, Pastor Tracey held a brief service inviting attendees to honor their pets and the importance of their relationships. With music accompaniment by Mari Greene and Bill Anthony Jr on guitar, following the service each animal was given a personal blessing along with a certificate. A photo station was set up with props for guests to take selfies with their beloved pets and refreshments were served. From fuzzy and fluffy, to slick and scruffy, there was a blessing for them all.

WORSHIP

YOUTH SUNDAY

On October 20th, our Middle and High School students took the reins of our worship service, showcasing their talents in reading, acting, playing, and more! The message they shared was the vital importance of love underpinning all aspects of our lives.

As they led us in worship, we were reminded of the privilege we have to include such faithful young people in our church family.

Let's make it a point to encourage them as you see them around the church. A simple word of thanks or affirmation can go a long way in supporting their journey of faith!

PSALMS

This November, as we move through election day and then beyond it we invite you to join us for a special sermon series titled "Psalms: Ancient Wisdom for Modern Living." Using the Lectionary Psalms, we'll draw from that deep well of wisdom which anchors us in times of uncertainty.

ALL SAINTS' SUNDAY

It has been our custom in the last few years to pause on the first Sunday in November to remember with gratitude those who have passed away in the last year. Join us on November 3rd as we remember with thanksgiving.

SERVICE OF THANKSGIVING

On November 24th, join us for a joyful service of Thanksgiving. There will be plenty of music and an opportunity to lift up your own words of thanksgiving.

BE RICH - STEWARDSHIP 25'

This past month, we've been counting our blessings as we reflect on the year gone by and look forward with hope to what lies ahead in 2025. If you haven't yet had the chance, we encourage you to read our Narrative Budget, which you can find [here](#). Don't miss out on our [weekly videos](#) either! They beautifully showcase the many reasons we are optimistic about our future and the impactful work we're doing together.

We asked for your financial support to help meet our mission and ministry goals and many of you have already responded with an enthusiastic "yes!" Thank you!! At the time of writing, **56 pledges totaling \$259,000 have been received. We are 80% of the way to our pledged giving goal of \$320,000.**

If you have not yet had a chance to make your pledge, please prayerfully consider doing so in the next week. You can easily pledge online or you can download a pledge card and drop it into the offering plate at church.

Remember, every gift—no matter the size—makes a difference in our life together. We are rich indeed!

BAPTISMS!

What a privilege to gather around the baptism font so often, to pray for and walk with families as they commit to raising their little ones in the Christian faith. This Fall we welcomed Jane, Charlotte and Lucas to the fold.

PRESCHOOL

This September we opened our doors for the seventh year, welcoming 26 families, many returning with second siblings. So much joy overflows from the classrooms and playground. We welcomed two new staff members, Laura Creteau and Megan Traphagen. Laura and Megan are team teaching in our three year old class. Our teachers provide many learning opportunities through play. The children are making new friends and having lots of fall fun.

The first Stay and Play Lunch Bunch of the year took place in October. After lunch the 4s played Halloween games in the Fellowship Hall and made a Halloween craft.

Ghosts, pumpkins and scarecrows along with costumes, parades, trick or treating, and games made for a fun-filled Halloween week.

MUSIC

The past couple of months have been overflowing with music, showcasing the wealth of talent we have here at CPC - featuring performers both young and aged to perfection. I'll try to give you a quick recounting of some of the highlights:

On Sept. 1st, Labor Day weekend, **Carol Zeh** filled in for Ted, giving him a much-needed rest! Then on Sept. 8, the school year began with an explosion of energy as **Mari Green** sang "Over My Head" with the **Chancel Choir**.

On Sept. 15 **Amey Barnes** graced us with one of her many talents, playing flute on a piece titled "My Love Is An Artubus". If anyone is wondering what an "artubus" is, it's a type of tree! Also during that service, the **Praise Team** introduced a new song by a great band, The Rend Collective, titled "Rescuer". We had an embarrassment of riches when **Mari Green** teamed up with **Judy Maxfield** to underscore Rev. Tracey's sermon with a song I'm sure we'll sing as a congregation again, "I Need You To Survive".

On Sept. 22, we were fortunate to have the former music director at CPC, **Gary Ross**, fill in for Ted. Gary now lives in Hawaii but happened to be in NJ at the time. He was joined by our very own **Larry Kursar**, playing French Horn with Gary on Trumpet on their arrangement of "Just A Closer Walk With Thee".

To close out the month, on Sept. 29th the **Chancel Choir** sang "Let Us Love" to send the CPC troops out into Clinton for a "Day Of Service". **Ted** and **Julie Baldassare** (with **Kevin Thompson** chiming in) gave musical support for the workers!

The hits just kept coming, starting October 6th with a couple of our dynamic young vocalists, **Emmet Dougherty** and **Matilda Harrison** singing "One Way, Jesus" to open up the service. Also in that service was a spectacular and inspiring performance by **Christian Asmani** on vocals and **Luc Kuna** on percussion, "Tu Es Plus Grand". Thanks to **Amey Barnes** and **Dave and Laurel Kelly** for facilitating Christian's and Luc's participation! Christian will be coming back to bless us with his singing - the date TBD.

MUSIC

On Oct. 13th, a scaled-down version of the **Praise Team** introduced a new song by Chris Tomlin, "Nobody Loves Me Like You Do" and the **Chancel Choir** sang "Without The Fire There Is No Burning".

October 20th was **Youth Sunday**, and what a special day it was, highlighting our wealth of youthful talent. **Adam Dougherty** opened the service with a jazzy piano version of "Sweet Hour of Prayer", followed by a spirit-filled rendition of another Rend Collective song, "My Lighthouse", led by our new CPC Director of Youth Ministries, **Vania Stevenson**. **Fred Sifuentes** led the Children's Conversation along with his friend camel, sharing his ventriloquism skills with the congregation! For her first performance at CPC, and definitely not her last, **Maddie Morman** played a beautiful piece on the piano, "Par la Fenetre de Theo". What a memorable day it was!

As of this writing, the last service of October has not happened, but I know it will be musically inspiring because we're bringing the **Bell Choir** and **Chancel Choir** together for a piece, "Music of Creation". The Bell Choir, led by **Jared Miner**, has been practicing every Wednesday since mid-September, and they sound great! The **Chancel Choir** will also be singing "Let All The People Say Amen", an African-inspired arrangement, featuring **Amey Barnes**, soprano, and Ted on the hand drum.

Phew!!! I hope that the music has brought you joy and inspiration during these complex and challenging times. Please, if you have any desire to join one of our musical groups, don't hesitate to reach out to me (tbrancato@clintonpresbyterian.net)! Thank you for your support of our talented musicians and vocalists!

CHILDREN & YOUTH

Our children and youth have been busy starting Sunday School classes, serving the community during our CPC "Day of Service", and gathering for fun activities during Sunday Funday and Chaos youth groups. Children stayed engaged with each other during the congregational meeting by making fall wreaths and playing lots of games. There is so much to look forward to this fall with children's ministry!

SUNDAY SCHOOL

Our Sunday School is off to a wonderful start with children getting to know each other and enjoying our exciting new curriculum! Jesus teaches us that children belong in the center of God's love. Classes are offered for preschool thru 8th grade. Would you like to volunteer as a part of a teaching team or as a substitute teacher? Let us know!

NURSERY

Our growing nursery needs you! Please contact Kim Darcy (mkfdare@aol.com) ASAP to be added to our list of volunteers. Older children can serve alongside you and you will be paired with another adult. We welcome those with grown children or no children too! It's a FUN and easy way to serve our youngest disciples!

CHILDREN & YOUTH

SUNDAY FUNDAY

4th and 5th graders had a blast at their fall-themed gathering! We kicked things off with an exciting game of "Don't Wake the Scarecrow," where giggles filled the air. Then, everyone unleashed their creativity and crafted their very own scarecrows! More adventures are loading for November. Next gathering: November 3 @1130am - RSVP to Vania

The mission of the Joy Scouts is to connect our children and families with face to face opportunities to serve the community. The Joy Scouts recently helped the Open Cupboard Food Pantry with a food drive at the Clinton Shoprite, and helped sort and organize hundreds of k-cups for the Flemington Area Food Pantry Thanksgiving baskets. They will be visiting the Hunterdon Care Center, Tabby's Place, and Creature Comforts Pet Therapy soon! Join us!!

CHILDREN & YOUTH

MESSTIVAL & MORE

Our youth kicked off the Fall with an epic gathering at the Manse. Middle and high schoolers came together for a night filled with fun, laughter, food and a bit of friendly chaos. From messy games to creative crafts, it was a blast watching everyone dive in and embrace the mess! We loved seeing friendships strengthen and new connections formed.

At our next Youth group gathering we were able to build on our connections with one another and pray for each other. We can't wait to see how these friendships grow throughout the year. Stay tuned for more awesome events in the pipeline—we can't wait to hang out again soon! Next gathering: November 3 - RSVP to Vania

MIDDLE & HIGH SCHOOL RETREATS!

As you may have already heard, there are two retreats coming up this fall at Camp Johnsonburg! Johnsonburg is especially great at helping young people reconnect with God, deepen relationships, and explore their personal faith while also enjoying camp activities out in nature! Youth Groups from all over New Jersey attend these retreats, so it's also a really cool opportunity to meet new people! Bonus: We'll be sleeping in lodges that are fully heated and cooled AND the beds have Tempur-Pedic mattresses! I will be attending both retreats, so your kids will have a familiar adult face!

ADULTS

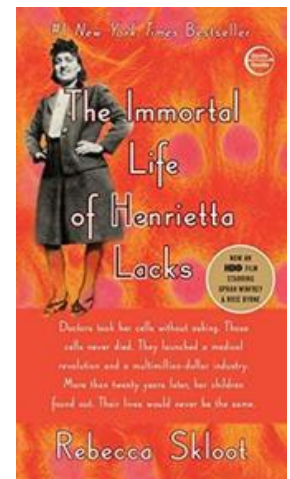

ADULT SUNDAY SCHOOL

Every Sunday morning after service, there is an adult study group that meets in the den downstairs. This year we are studying the book of Acts. The focus of the group is to study how the church began. What happened after the Pentecost and the Ascension. How did the apostles and other followers grow the church and what were the obstacles they had in that growth. How does that growth and obstacles apply to our daily life today? What is different about the author Luke and his approach! This is a study group that you can drop in at any time. Bringing a bible is encouraged but we have some in the den. If you would like to know more please don't hesitate to contact Rick Hyman or Pete Peterson.

BOOK CLUB

On October 17th, our church book club discussed *The Immortal Life of Henrietta Lacks*. The book told the true story of Henrietta Lacks, a poor Southern tobacco farmer whose cells were taken without her knowledge during medical treatment for cervical cancer. Henrietta died, but her cells, named HeLa by scientists, became the first "immortal" human cells grown in culture. HeLa cells were vital to the development of the polio vaccine and were used to uncover secrets of cancer, viruses, and atom bomb effects. They helped lead to important advances like in vitro fertilization, cloning, and gene mapping.

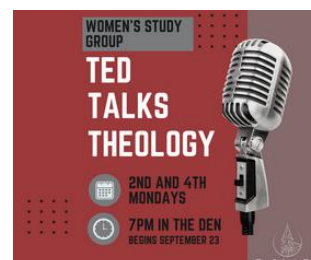

Despite the medical breakthroughs attributed to the cells as well as the monetization of them into a multimillion-dollar industry, Henrietta's family, struggling with basic needs, were kept in the dark for decades. Members of the book club used this novel as a springboard for discussion on issues such as informed consent, racism and healthcare, income and education disparity, and whether individuals should be compensated for scientific use of their own biomatter. The next meeting is November 21st at 7:00 p.m. in the den. The club will discuss *Inheritance* by Dani Shapiro.

FELLOWSHIP & COMMUNITY

TRUNK OR TREAT

We had a boo-tiful time at our annual trunk or treat event! Our parking lot was alive with excitement as kids (and the young at heart!) soaked up the magic of a perfect fall night! Dr. D cranked up the energy with an incredible mix of dance tunes, and the kids couldn't help but show off their best moves!

Our hot dogs were a smash hit, keeping everyone fueled up for a night full of fun. A huge shoutout to our amazing volunteers who cooked and served, making sure everyone left with happy, full bellies!

A massive thank you to everyone who helped make this event possible—those who decorated their trunks, donated candy and more! . Your contributions turned this evening into a spectacular success! Can't wait for next year!

FELLOWSHIP & COMMUNITY

SUPER HERO RUN

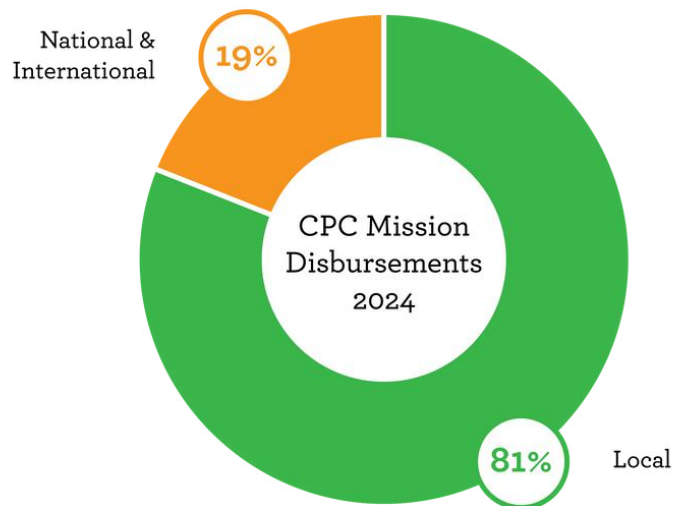

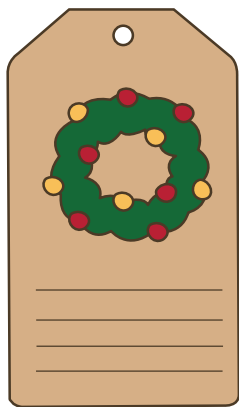

On Saturday, October 19, Proactivity held its annual youth Superhero Fun Run at the Red Mill in Clinton. For families participating in their Half Marathon on Sunday, they hold this children's run during Packet Pickup and Registration. From 2:00-4:00pm CPC volunteers Judith Beck, Freddie and Judi Sifuentes, Tina Honthy-Little, Brielle Madriz and Ron and Elias Wysong helped with the race registration, directing registrants into the property and giving out superhero capes to all of the runners. Brielle kept youth entertained with crafts of beading bracelets and coloring bookmarks - and a big bucket of candy to entice passers by as we spread the good news of CPC and our upcoming Trunk or Treat! It was the perfect fall day for cheering on the super kids who participated!!

MISSION

During our September meeting, the Mission team went through their disbursements for the year, with an increase of funds (compared to last year) serving local organizations, especially ones we have a strong relationship with.

Of all the disbursements distributed, 81% went towards local organizations (Anderson House, Camp Johnsonborg, CASA, City Relief, Clinton Fire Department, Clinton Rescue Squad, Family Promise, Flemington Food Pantry, Friendship Center for New Beginnings, Grow-A-Row, Habitat for Humanity ReStore (Clinton ReStore), Market Street Mission, Meals on Wheels, and Safe in Hunterdon) and 19% went towards national / international organizations (All Hands, Presbyterian Disaster Assistance, and Samaritan's Purse).

THE GIVING TREE

Our Christmas tree will be up in the sanctuary on November 10 and loaded with tags! We have from November 10 until December 1 to shop for friends and neighbors in need, many of whom we support during the year with our mission outreach. Let's help make this a Merry Christmas for them all. Each tag describes an individual need for a gift and you are welcome to take one or several.

Tags on the tree are for children of local families, children whose families are homeless and part of Family Promise, single moms and their children at Friendship Center for New Beginnings in Flemington, Family Promise in Hunterdon County, children and teens in an impoverished rural area in Maine, Safe in Hunterdon, Family Success Center, Landsdowne Treatment Services and our own CPC Preschool Scholarship Fund.

In addition to the tree in our sanctuary, we also have some tags available online for those who are worshipping from home and wish to participate.

[**CLICK HERE**](#)

Please return all gifts UNWRAPPED and place them under the tree by Sunday, December 1. Tape the tags to your gifts and you can include wrapping paper and tape if you'd like to. The Mission Team will gather in Fellowship Hall on Tuesday, December 3 to pack up and organize all the gifts for local delivery or mailing.

Thank you everyone for your generous support as always!

MISSION

DAY OF SERVICE

Thank you everyone who participated in our first Clinton Day of Service on 9/29! It was a great success, with **100** congregation members coming together to serve throughout Clinton. It is true what they say, many hands make light work.

Luckily the rain took a two-hour break, and we seized the moment to hit the streets, serving our neighborhood with joy.

We had teams cleaning the bridge by the Red Mill, picking up trash, cleaning up the stream, baking cookies for local first responders, putting together / delivering a gift to our neighbors on Center Street, putting together hygiene kits and CPC visitor bags, hanging Trunk or Treat posters, serving hotdogs to the community, and playing music on the Art Museum Terrance.

It was great seeing so many congregation members, in their red CPC shirts just out there serving the community that we love! Thank you to our Clinton Day of Service crew!

MISSION

DAY OF SERVICE (CONT'D)

As Jean Luc, Christen and Chopa are continuing with ESL this fall and the guys are busy working at Walmart. As they continue to get settled into life in the USA though it's not all work and no play! On a warm October Sunday they ventured into NYC with Laurel and Dave Kelly, where the Kelly's daughter, Heather, played tour guide to show everyone the sights and sounds!

If you would like to help with rides to ESL classes, please sign up here:

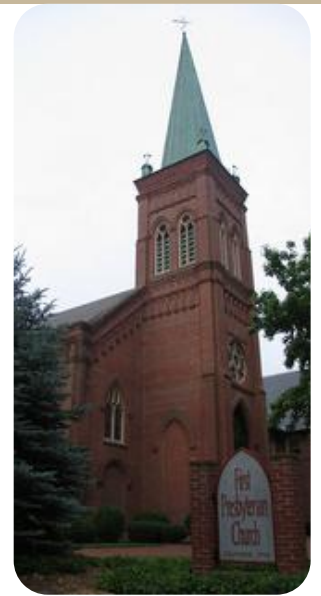

ASHEVILLE, NC - HURRICANE RELIEF

Deepest gratitude for your incredible generosity in responding to hurricane relief efforts in Asheville, NC in the wake of Hurricane Helene. In just a couple of weeks, you contributed an astonishing **\$5,853**—WOW! Your kindness and compassion are truly inspiring.

These funds will be directed to First Presbyterian Church, located right in the heart of Asheville, where they will be used to support those in need. As relief efforts unfold in the coming months, we will keep you informed about additional ways we can continue to offer our support.

Thank you for embodying the spirit of love and service that makes our community so special.

CAPITAL CAMPAIGN UPDATE

The handicap ramp was demolished thanks to the hard work of Zack Mo, Jake Treese, Paul Morrissette and his brother who was visiting NJ. A huge thank you to these gentlemen. Their efforts have saved us the demo cost. Excavation for the footings is scheduled for the last week of October and then construction of the ramp and stairs will begin. After the ramp is completed, templates for the railings will be made. Fabrication and installation of the railings could take up to 5 weeks.

Volunteers Needed

The kitchen “refresh” will commence soon. Volunteer help in November would be greatly appreciated and help keep us within budget. We need help with the following tasks:

1. Detach and reset the cabinets over the stoves 6” higher to accommodate new exhaust hoods.
2. Remove the current countertops
3. Paint the ceiling, walls and trim.

If you are willing to help on Saturday November 9 with demo, please let Ali or Tracey know. (office@clintonpresbyterian.net) If you can help on a weekday, we will gladly provide you a task. The painting, in particular, can be done during the week. Our goal is to have the project substantially completed by mid December.

NOTES & NEEDS!

A WORD FROM FELLOWSHIP & MEMBER CARE

We love our Fellowship Hour for sharing conversation and refreshments together after service! Would you be willing to host a Fellowship Hour this Fall? All you need to bring are some snacks, and juice and set it out for everyone before church starts. The Fellowship and Member Care Ministry Team will provide milk and half and half and take care of preparation of the coffee.

We will send out directions ahead of time and help you with whatever you need. Any questions contact Barb Pearson (barbarajpearson@hotmail.com) or Jes Bruno (jessicaqbruno@gmail.com).
