SEAMLESS SOLUTIONS FOR CORPORATE EVENTS ON THE SOLENT

GO BEYOND THE CONVENTIONAL FOR YOUR CUSTOMERS AND YOUR EMPLOYEES!

CBRE chartered EML's brand new Cobra rib and Axopar for a corporate trip to The Hut from Southampton.

Both weather safe and capable boats, despite rough seas on our outbound trip, we stayed dry and felt safe at all times. Our return trip was much smoother and was great to see these boats unleashed.

We were excellently looked after by Ollie during the booking process and skippers Matt and Kevin on the day.

If you're looking to charter a boat along the South Coast and need a trusted pair of hands, I wouldn't hesitate to recommend EML Charters.

Thank you, EML! We booked a two-boat charter to take a number of clients to The Hut.

We were collected from Ocean Village on time as promised. Josh and Jack looked after us superbly!

Beautiful boats, understanding and professional staff—what can we say?

We have just booked a second two-boat charter and another day bareboat charter.

Five stars from us and our guests.

CORPORATE CASE STUDY - FLAGSHIP ADVENTURE - KNIGHT FRANK LLP

We organised a corporate incentives trip to the Hut and after much research, we booked with EML Charters to make the trip extra special.

Ollie was extremely helpful and communicative throughout the whole process and helped me organise the trip for 37 people!

The boats were absolutely fantastic, the service from Ollie and his team was exceptional and we all had a truly fantastic time!

Ollie also organised for photographs and a video to be taken of the trip, including a drone! They created a great memento of the whole trip and captured the special event really well!

Would definitely recommend EML Charters and will be using their service in the future!
