Wall Textures V

SIMPLY **WELL DRESSED!**

Soild colour wallcoverings do not only decorate walls in great colours, but also come with very special haptics and looks: **Washed concrete, fabric and linen looks** fit into any modern household, three-dimensional textures are the perfect accompaniment on the wall for those who like it a little tactile, and classic home furnishers will love the elegant and sophisticated appearance.

We also provide you with a wide selection of colours with different effects: Whether matt, glittering or metallic, from a subtle natural shade to rich red – **here you will find the perfect contrast to the white wall or patterned wallcovering.**
