Building the Future

01 PRESENTATION

Welcome to the Sierra Blanca Estates Marbella Half Marathon 2025!

The organisers are working hard to ensure the event is a complete success and that you can enjoy the experience to the fullest. This year is especially exciting: we surpassed 2,400 runners and are hosting the most international edition to date, with 70 different nationalities!

We present this guide with all the organizational details, so you only have to focus on what's important: running and enjoying your favorite sport. We've compiled all the relevant information in a clear and concise manner, including schedules, refreshment areas, runner kit collection, parking options, relays, and more.

We ask for your cooperation by following the instructions in this guide. If we all do our part, everything will turn out wonderfully. We've also included tips so that those accompanying you can also enjoy the event, while helping to make it a truly runner-centric celebration.

We want to thank you for your trust in this event. We've worked hard for months to offer you a top-quality event. This year, more than ever, we're proud of the community we've created.

See you at the starting line on September 28, 2025.

07 RELAY

01

HOW TO GET TO THE EXCHANGE ZONE

There will be a bus service for relay for those teams that wish to use official transportation, both to get to the exchange area and back to the finish line.

*The bus will return when the last runner has made the exchange.

02

WHAT TIME DOES THE BUS LEAVE?

It will depart at 8:15 from the Arco de Marbella (BP Gas Station) in the Departure Area.

03

WHAT TIME DO RELAY RUNNERS WHO DON'T USE THE BUS HAVE TO BE THERE?

They must arrive at the exchange area at least 15 minutes before the race leader arrives and identify themselves to the coordinator. At 9:00 a.m., RUNNER 2 and before 9:30 a.m., RUNNER 3.

04

WHERE IS THE EXCHANGE ZONE

The EXCHANGE AREA will be located at Km 7 First change and 14 the second change, both located on the beach of the ANCON. In the Puerto Maritimo of Marbella.

08 INFORMATION FOR SUPPORTERS

We ask athletes to inform their families and supporters of the following recommendations so they can enjoy the race, cheer you on, and help ensure the competition runs smoothly.

1. Those accompanying persons who wish to watch the start may do so without any problem, provided they respect the athletes' starting area and do not invade their exclusive space.
2. Afterwards, they can go to any point along the route, as long as they respect the "reduced" space of the maritime crossing reserved for runners to compete without interruptions.
3. The finish area will be in the Parque del Mediterráneo, and the organizers will provide a path for spectators.
4. At the finish line, there will be a dedicated area within the Mediterranean Park for athletes to recover, and another space where athletes and their companions can enjoy the festivities.
5. We recommend using the pedestrian walkways over the A7 to reach the finish line, or taking the route along the beach or designated areas before the race leader arrives.

Download the Gesconchip app and follow the race in real time.

BUILDING THE FUTURE

6th edition

FOUNDATION:

SIERRA BLANCA ESTATES

At Run-on, we are proud to collaborate and promote events that contribute to improving the lives of the most vulnerable, especially when it comes to causes focused on children, their well-being, and education.

We firmly believe that sport brings out the best in each of us, and we are convinced that competition is not just about winning or personal challenges. It is a space that unites people around common goals, generating a positive impact both individually and socially.

So, when we learned about the work of Building the Future, we were inspired and decided to collaborate on their program for the construction and maintenance of the RWENZORI FOCUS NURSERY AND PRIMARY SCHOOL in Kasese, Uganda. As part of this collaboration, we have donated the proceeds from the 5K Solidarity race, part of the Sierra Blanca Estates Marbella Half Marathon, to this charity.

In addition, Run-on provides sports equipment and training support to the school's physical education teachers, helping to promote sports and community integration in the region.

Through our collaboration with Building the Future, we have also supported other national charities such as AVOI, DEBRA Piel de Mariposa, Fuensocial, Ubuntu, Paula y la Fábrica de Médula, Fundación Cesare Scariolo, Victoria Kent (in the Andaluces con Ucrania program), CADi, AECC, AspanDEM, Asociación CRECE, Club Deportivo Marbella Juega, and the Sierra Blanca Estates Foundation, among others.

Thank you to all the runners, not only for participating, but also for supporting these important causes. Together, we make a difference!

Thanks to all
