

WELD-IN DIGITAL LOCK CASE

Specification Sheet **DLC**

FEATURES

- This lock case is designed for use with our single keypads (code SK) or double keypads (code DK).
- Order the digital keypads separately.
- A simple and convenient method of including a digital lock in gate design.

PRODUCT DETAILS

Product code	Description
DLC 30	For 30mm gate frames
DLC40	For 40mm gate frames
DLC50	For 50mm gate frames
Material	Steel
Keypads to order seperately	

INSTALLATION

1. Weld the lock case into the gate and galvanise or paint as part of the gate.
2. Then simply fit the keypads to the lock case.
3. **Maintenance:** Lubricate keypads with light oil regularly.
