DECEMBER REWIND: KEY MOMENTS THAT SHAPED THE MONTH

New Year Greetings from the Council Members 2024-25!

As the Council Members for 2024-25, we extend our heartfelt wishes for a joyful and prosperous New Year to our Principal, Vice Principal, all our teachers, staff, and students. Reflecting on the achievements of 2024, we look forward to the opportunities and growth that 2025 will bring. We are deeply grateful to the management and staff for their constant guidance and leadership, to our teachers for their dedication, to our students for their enthusiasm, to our staff for their invaluable support. As we begin this new year, we are committed to leading with integrity and enthusiasm, aiming to make 2025 a year of success, learning, and fulfillment for everyone. We wish all a blessed and prosperous New Year!

THANKSGIVING CELEBRATION BY CLASS 8 & CLASS 9 STUDENTS

The students of middle and high school presented a heartwarming assembly celebrating the essence of Thanksgiving. The event was a vibrant display of gratitude and togetherness, capturing the spirit of this meaningful occasion through inspiring performances and meaningful skits. Dance routines added a touch of joy and celebration to the occasion. These performances served as powerful reminders of the importance of cherishing every moment and the people who make them special. The assembly concluded with a call to action, encouraging everyone to practice gratitude not just on Thanksgiving but throughout the year. Students urged their peers to express their appreciation through acts of kindness, such as volunteering, helping those in need, or simply offering words of thanks to those who make a difference in their lives.

RESPECT AND OBEDIENCE: A GATEWAY TO BLESSINGS

The primary students delivered a heartfelt assembly on the theme "Obedience and Respect Bring Blessings", captivating the audience with their innocence and charm. Through a series of engaging skits and songs, the young performers conveyed the significance of these virtues in fostering harmony and goodwill. Their lively enactments highlighted how small acts of obedience and respect can lead to greater blessings in life, both at home and in the community. The vibrant presentation was a gentle reminder of the timeless values that form the foundation of strong relationships and character. The assembly concluded with a motivational message, encouraging everyone to embrace these values wholeheartedly and make a positive difference in their lives and those of others.

"ADVENTURE, FUN, AND MEMORIES: THE UNFORGETTABLE SCHOOL PICNIC!"

Our school had organized a fun-filled picnic day for the primary children, giving them a chance to step away from their classrooms and enjoy the outdoors. Children accompanied by their teachers visited a nearby garden, where they spent the day playing games, running around, and sharing cheerful moments.

The picnic was a perfect mix of adventure and relaxation, as the kids explored nature and bonded over delicious snacks in the open air. It was a day packed with joy and laughter, leaving everyone with memories to cherish and stories to share.

A DAY OF SHARING AND BONDING

Before heading off for the winter break, every class hosted a memorable Thanksgiving celebration. Students and teachers came together, bringing food boxes filled with a variety of dishes that showcased everyone's favorites. The event was marked by joy, laughter, and a strong sense of community as we all gathered to share meals and spend quality time with one another.

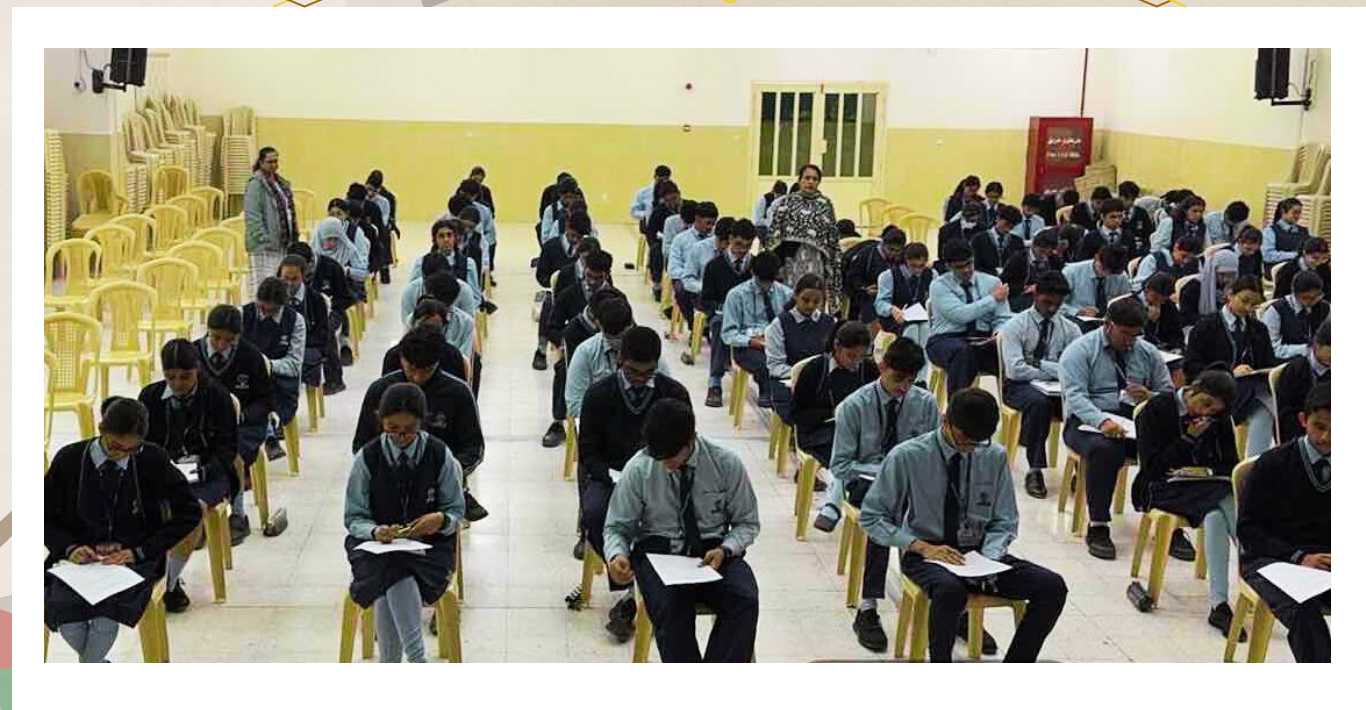

This wasn't just about the food—it was about the spirit of togetherness, gratitude, and celebrating the bonds that make our school so special. The classrooms were filled with warmth and festive cheer, reminding us of the importance of sharing and appreciating those around us. It was the perfect way to wrap up the term, creating beautiful memories and a renewed sense of connection as we prepared to welcome the Christmas season.

PRIME MINISTER VISIT TO KUWAIT

STUDENTS TACKLE POST MID-TERM EXAMS AS THEY APPROACH THEIR WINTER BREAK

On 21st of December, our school principal and a group of students had the honor of meeting Prime Minister of India Shri Narendra Modi, who arrives Kuwait today on a two day official trip. The event was filled with excitement as dignitaries and the public gathered to meet the Prime Minister. During the visit, students had the opportunity to interact with him, ask questions, and hear his inspiring views on education, innovation, and India's future as a global leader. Prime Minister Modi encouraged us to actively participate in nation-building and emphasized the importance of youth in shaping India's progress. The experience left us motivated and proud, with a renewed sense of responsibility to contribute to our country's growth. It was an unforgettable occasion that highlighted the power of education and leadership.

The Post Mid-Term examination was held for all students, with the 10th and 12th grade students completing their preliminary exams before the December holidays. These prelims were an important practice for the upcoming final board exams, giving students a chance to experience the exam format, manage time, and assess their preparation across subjects like mathematics, science, and languages.

The exams provided valuable feedback from teachers, helping students identify strengths and areas for improvement adjusting their study strategies ahead of the final exams. The timing of the exams, just before the holidays, allowed students to relax while also focusing on areas needing more attention. Overall, the preliminary exams helped students gain confidence and motivation for their final exams.
