Where Brighter Beginnings Shape Stronger Futures

hummingbird.ae

Welcome!

At Hummingbird, we believe that the earliest years are the most precious. **Since 2008**, families across **Dubai** and **Abu Dhabi** have trusted us to provide a safe, inspiring space where children can play, learn, and grow with confidence.

From a baby's first steps to a child's readiness for school, our nurseries are built on one simple promise: to nurture every child's individuality and set them on a path toward lifelong success.

Our Philosophy

We follow the British Early Years Foundation Stage (EYFS) curriculum, guided by the belief that every child matters.

Every child deserves to feel safe, happy, and valued.

Every child learns best through play, curiosity, and creativity.

Every child thrives when parents and teachers work in partnership.

At Hummingbird, children are not just cared for, they are inspired to explore, discover, and imagine.

Our Branches

Each of our nurseries reflects the communities we serve, while staying true to our shared values of care, quality, and excellence.

📍 Hummingbird DIFC

Located in the heart of Dubai's Financial Hub, with specialist care for babies and long-standing trust from parents who value a nurturing "home away from home."

📍 Hummingbird DAFZ

Early Learning

Building emotional confidence, early literacy and numeracy.

Pre-School

Learning Through Play

Our curriculum comes to life in seven key areas of learning:

Personal, Social and Emotional Development

Numeracy

Communication and Language

Understanding the World

Physical Development

Expressive Arts & Design

Literacy

Children are encouraged to ask questions, test ideas, and create because we believe learning should be joyful, meaningful, and lasting.
