# ABOUT US

Stellar Concepts has a team of talented interior design professionals with two decades of collective experience in delivering high profile projects of various scales and complexity; from 3-star hotels to 5-star plus luxury hotels, large scale residential developments and numerous high-end commercial projects in locations across the Middle East.

Our core principle is based on these three pillars: Time, Quality and Budget. By incorporating these into our design solutions, we strive to create distinctive and unique, yet budget conscious design, without compromising quality or time. We believe that these factors are essential in turning our client's vision into a reality.

At Stellar Concepts, we believe in inspiring our client's and delivering beyond their expectations. At Stellar Concepts, we manage the entire design process from start to finish, expertly making your dream a reality.

# OUR SERVICES

## CONCEPT STAGE

*Bring your vision to life with Stellar Concepts*

Our professional, passionate and creative team of consultants have over 20 years of experience in interior design delivery. Let us understand your requirements, vision and dreams, and we will enhance your concept and bring it to life.

## SCHEMATIC STAGE

From our initial consultation of realising your dreams to the concept stage of selecting colors, furnishing, fabrics, and materials - we visually transform your concept into high quality 3D renders. Our 3D renderings will give you a powerful full impression of how your space will be transformed. No matter the size and type of the project, the goal is always the same; "to make your style shine."

## DESIGN DEVELOPMENT STAGE

Our team are here to assist you with every minor detail to ensure that each junction and corner are perfectly implemented. We, at Stellar Concepts passionately believe that "details are the key to a successful design".

## SITE IMPLEMENTATION & SUPERVISION

Stellar Concepts provides strategic site supervision when implementing the intent of each project. Our seasoned and experienced team will manage the site to ensure superior quality which is both practical and cost-effective. We pride ourselves in delivering projects on time, within budget, and of the highest standard.
