01 EDITION - JUNE

## 43<sup>rd</sup> Annual Awards Night

After over a year long hiatus we are back and ready to party!

For PBC Members who RSVPd to our 43<sup>rd</sup> Annual Awards Night celebration, please don't forget that the party is this Saturday, June 26th, 2021 on the Sapphire Princess Yacht Charter. Please refer to your invitations for details or contact one of your PBC officers.

“There are friends, there is family, and there are friends who become family.”

## WELCOME BACK BOWLERS!

It is with great pleasure that I write this foreword for Philippine Bowling Club's first monthly newsletter. Our beloved club is about to embark on 44 years of existence, and I cannot contain my excitement for what the future holds for our league. Let me start off by saying that it is an inspiration to see the kick-off of my presidency with a vibrant and robust summer league filled with 14 very talented teams.

I, myself am a child of PBC. My father and mother bowled for the league in the early 1980s and I spent most of my childhood watching them bowl. It is such an honor to be a part of this community and serve as your President. My officers and I have many things in store for our bowlers such as this newsletter.

This newsletter will serve as a way for our community at large to get to know our bowlers and their achievements, upcoming tournaments/events and even “what's new” in the overall sport of bowling. We hope to share your stories as well and to provide you with an outlet to share your ideas in improving your experience in our league.

I want to take this time to thank our editor Grace Vilorio for spearheading this initiative. I wish all our bowlers a successful, rewarding, and inspiring season. See you on the lanes.

Your President,  
*Cindy*

# PBC MEMBER *Highlight*

## **Ronnie Fandino**

Ronnie has been bowling since the early 1990s with his two mentors Willy Libid and Jimmy Lizzo. This former president and current rules chairman has many bowling achievements. He's bowled an 807 series at Sheridan Lanes, 300 game at Bellrose, and a 864 series & 300 game at Jib Lanes. Ronnie enjoys bowling and only has a couple goals in mind, "to have my friends around and stay competitive at PBC in Jib Lanes."

## **Donna Mussig**

One of the top ladies of PBC, Donna has been bowling since 1992. "Bowling was a family favorite", she says. She started bowling at a Filipino League at Americana Lanes and there, teammates and fellow bowlers helped her grow as a bowler. "I met so many people as my game improved. As I bowled with them, they would also coach me." Donna has many accolades, from 700 series awards to 800, sportsmanship awards and even a sanctioned 296 game. Though already great at the sport, her goals are always the same, "better footwork, timing, ball control, reading and understanding the lane conditions, and how to adjust my game to it."

## **Kevin-Justin Vilorio**

"It's good to be back bowling", says Kevin after a yearlong break from the sport. Kevin, who has been bowling since he can remember says his dad has been teaching him how to bowl since he was just 4 years old. This former PBC League Secretary has bowled quite a few 300 games during league. He is also a gold medalist, winning with the 4<sup>th</sup> WOFBT (World Overseas Filipino Bowling Tour) USA team in Greece. His current goals are to bowl an 800 series, win another gold medal, and just bowl/have fun with his family and friends for as long as he can.

# BOWLING 101

## TIP of the Month

Timing: Each step of your foot should match up with a specific part of your arm swing and release.

Bowling is the ideal sport. It's basically an hour of drinking beer occasionally interrupted by six seconds of exercise.
