Thank you for your Contribution!

Poinsettias purchased in honor or in memory of loved ones filled the sanctuary this Christmas, underscoring our Christmas at First Baptist concert and lending their bright colors to our candlelit Christmas Eve service.

The leaves of the 'Flores de Noche Buena', or 'Flowers of the Holy Night' are reminiscent of the Star of Bethlehem guiding the wise men to a manger of the Christ child. The vibrant crimson hue of the flowers symbolize the blood shed to free us from the wages of sin. As the candles share their light, bathing the leaves in golden glow, may you experience the wonder of the Lord's abiding love, as He guides you through each day of the new year.

First Baptist Church

Christmas Poinsettias

2025

The image is a vertical Christmas card. It features a central rectangular frame with a thin, light brown border. Inside this frame, the text "Wishing you and your family a very Merry Christmas" is written in a dark red, elegant cursive script. The frame is decorated with festive floral and foliage elements. At the top-left corner, there is a large, vibrant red poinsettia flower with green leaves and small red berries. The top-right corner features a sprig of holly with green leaves and red berries, along with some white berries. The bottom-left corner has another large red poinsettia flower. The bottom-right corner is decorated with a sprig of holly and red berries. The left and right sides of the frame are also adorned with vertical sprigs of holly and red berries. The background is a solid, light cream color.

*Wishing you and your
family a very
Merry Christmas*
