Southside Hospital is now **South Shore University Hospital**

Northwell Health  
proudly reveals  
a transformation:

**Southside Hospital  
is now South Shore  
University Hospital**

Transformation is profound change. The kind you can see and experience. It's facilities, remodeled. Top doctors, recruited. And capabilities, reimagined.

It's making vital updates to safely and effectively care for our community. So whether we treat your heart, your brain—or your loved one—you'll know you're in the very best hands.

**South Shore University Hospital is more than a rename; it's a remarkable transformation—and it's all for you.**

A MESSAGE FROM OUR  
**EXECUTIVE DIRECTOR**  
**MICHELE RIZZO-BERG**

Welcome to the Patchogue Theatre for the Performing Arts! As the Executive Director of this esteemed theater, it is both a privilege and an honor to curate the performances on this stage. Each event we bring to life is a celebration of the rich legacy we have built over the past century.

For a century, this theater has stood as the heart of a community that values and cherishes the arts. As we embark on another year, our goal is to continue offering a diverse array of top-tier entertainment, including live theater, rock concerts, comedy shows, and performances by talented singer-songwriters.

While live music is a cornerstone of our programming, our theater serves as a versatile space, accommodating meetings, art exhibitions, graduations, recitals, and more. We welcome over 50,000 guests annually, staying true to our mission of providing high-quality arts programming that entertains, educates, and inspires.

This success could not have been achieved without the unwavering support of Mayor Paul Pontieri, The Patchogue Theatre Board, Village Trustees, our dynamic Chamber of Commerce, volunteers, and, most importantly, our loyal guests, donors, advertisers, sponsors, and VIP members.

Tonight, we invite you to be our guest and experience the magic of live entertainment. So sit back, relax, and enjoy the show!

Sincerely,

Michele Rizzo-Berg  
Executive Director

A MESSAGE FROM  
**PATCHOGUE MAYOR**  
**PAUL V. PONTIERI, JR.**

On behalf of the Board of Trustees and the residents of the Incorporated Village of Patchogue, I'd like to welcome you to the Patchogue Theatre for the Performing Arts.

Many factors have contributed to the Theatre's success, including the dedication and hard work of its Board of Directors and staff. First and foremost, it has always been the unselfish contribution of time and talent by our legion of volunteers, without whom this magnificent venue could not operate. They are our ticket-takers, ushers and greeters at every performance. It is to them that we owe our largest debt of gratitude.

I hope you enjoy your time at Patchogue Theatre for the Performing Arts and I invite you to enhance your entertainment experience, before and after the show, and visit one of the many fine shops, restaurants and pubs within walking distance of the Theatre. I'm sure you'll be happy you did.

Yours truly,  
Mayor Paul V. Pontieri, Jr.

**PATCHOGUE THEATRE FOR THE  
PERFORMING ARTS: ENTERTAINING  
THE COMMUNITY FOR OVER 100 YEARS  
A LITTLE BIT OF HISTORY**

For 100 years, the Village of Patchogue has had a stage at the center of its community - the historic Patchogue Theatre venue that originally opened as Ward & Glynne's Theater in 1923. In its day, Patchogue Theatre attracted first-run feature films, Broadway productions, silent films, the very best in burlesque, vaudeville and live music performances with acts such as Bette Davis, Eddie Foy and the Fabulous Foys, The Paul Whiteman Orchestra, The Marx Brothers, John Philip Sousa and Rose's Royal Midgets, to name a few. During Patchogue Theatre's early years, the price of admission only cost 40 cents for adults and half that price for children. Glynne operated the Theatre until the Great Depression, when it was purchased by Prudential Playhouses, Inc. Not long after, the days of vaudeville had come to a close, but an evolving film industry and updated sound equipment helped maintain the Theatre as a major venue for first-run films on Long Island, while also serving as a community center for bingo, sing-alongs and other activities.

After a fire hit the Theatre Lobby in 1958, the Theatre was redecorated and designed in a simple and austere manner, with much of the ornate decor simply covered up by plywood, drywall and wallpaper. Patchogue Theatre continued to operate solely as a movie house, and in 1982, the ground floor was divided into two theater screens with the addition of a ceiling to extend the balcony level for a third screen. Essentially, this turned the Theatre into a "triplex," which it continued to operate as until 1987 when the building was closed. The combination of both an economic recession and the opening of a 12 screen multiplex theater nearby no longer allowed Patchogue Theatre to be profitable as a movie house. It stood empty for eight years, and an investigation of the building by village officials and business leaders in October 1994 found that much of the original decor had been preserved under the drywalls, wallpaper and plywood that was installed in the late 1950s.

In 1996, three local businessmen came up with the initial funds to purchase the Theatre while the Incorporated Village of Patchogue applied for grants to renovate and restore the venue to its former

## **A Message of Hope from Patchogue Theatre**

glory. The Theatre's interior was restored to its 1923 grandeur in several phases and Patchogue Theatre for the Performing Arts (PTPA) opened for business with its first performance in December of 1998.

Although the Village of Patchogue owns the historic Patchogue Theatre venue, the staff and volunteers of Patchogue Theatre for the Performing Arts manage the Theatre, under the leadership of a volunteer board of directors, through a community-based 501(c)(3) nonprofit arts organization known as the Patchogue Village Center for the Performing Arts. PTPA leases the building from The Village of Patchogue and covers all of the costs of operating the building, including programming, without any taxpayer subsidies.

Since 2004, Patchogue Theatre has maintained a state-of-the-art world-class sound system and Broadway caliber lighting & rigging. New, more spacious seating with better sightlines was installed by McHugh Institutional Furnishings in the winter of 2016. The new seats made their debut that spring at Patchogue Theatre's first show back on April 2 featuring The Chapin Family.

There are now 854 orchestra seats and 252 balcony seats; bringing Patchogue Theatre's total number of seats to 1,106, including the handicap-accessible seating throughout the Orchestra level. This allows Patchogue Theatre for the Performing Arts to remain the Largest Theatre in Suffolk County.
