COMMUNITY MOVIE NIGHT

-THE SANDLOT-

On Saturday, July 26th, 2025, the [Union Square Neighborhood Connect](#) and [Green Mountain United Methodist Church](#) co-hosted the **1st Annual Community Movie Night** in the Union Square Neighborhood. At sundown the night skies were clear, the stars were shining, and a collective breeze of joy filled the air. Despite having to delay the start of the movie due to the sun's glare on the projector screen, it was an amazing night from start to finish.

Before the showing of [The Sandlot \(1993\)](#), kids from the neighborhood had a fantastic time playing wiffle ball and other outdoor games. We enjoyed delicious pizza and freshly popped popcorn, setting the perfect mood for the movie. The Sandlot takes us back to the early 1960's, a time when there were no phones, the pool was the community hangout, and baseball ruled the world.

I couldn't help but admire how Movie Night gave us a profound sense of community, much like it was portrayed in the movie. The night was welcoming, safe, and full of laughs. It was a wonderful opportunity for social interaction, building connections without phones, and sharing a memorable experience that brought us all closer together. Thank you for spending time with us!
