2.1.A EVEREST P2E GAMING CENTRE DATA

Everest P2E Gaming center. 5-Star

Everest P2E Gaming center is one of two land-based game center where visitors can try their luck at table games and slot machines. Visitors can even opt for high stakes gambling, completely undisturbed, in one of the many exclusive private rooms.

With over 200 state-of-the-art slot machines, 20 blackjack games, 2 roulette tables and, of course, poker (including 3 world poker, 2 poker 123, and a gambler's favorite, Texas hold-'em), along with 4 Mahjong games, casino craps and baccarat, Everest is designed to appeal to a broad spectrum of players.

For entry into the game center, patrons are required to place a minimum of \$10 worth of bets. Once inside, betting costs range from a minimum of \$0.50 to a maximum of \$20.00 per game to be paid in Archie Coin. While some patrons find the \$10.00 minimum more affordable, the majority prefer higher stakes, betting an average of up to \$40 over a 24-hour period. Archie Coin is required for all game play

Revenue Calculations

Revenue calculations are estimations based on 2000 visitors daily and 50% of them will play FREE and the other 50% will be playing with real money
