

When I start Early Years at Weeke Primary

WWW.WEEKEPRIMARY.COM

Meet the team

In Early Years there are two classes, Ash and Fir, but we love to learn and play together.

Mrs Marshment is one of the teachers in Ash class. She works in Ash on Monday, Tuesday and Wednesday morning.

Mrs O'Shea is the other teacher in Ash class. She works in Ash on Wednesday afternoon, Thursday and Friday.

Miss Taylor is the teacher in Fir class. She works in Fir all week.

Some of the other people in school
that I may meet are...

Mr Kirkham
(Head Teacher)

Mrs Goodchild
(Deputy Head Teacher)

Mrs Smith
(Assistant Head Teacher)

In the office I will meet...

Mrs Waite

Mrs Tavender

Mrs Clayton

**Mr Boorn
(Site Manager)**

In the morning, I will arrive at the school gate, say goodbye to my grown-up and make my way into the classrooms, with all my friends. I will need to hang my coat up and put my water bottle away.

There are lots of grown-ups to help me, they are always around if I need to talk or be comforted.

The teachers will do the register and take my lunch order. Then I will do some phonics learning on the carpet.

Next, it's time to choose my learning. Where would I like to play?

Choose it, use it, put it away

Or outdoors?

In my classroom there is a snack table. I can help myself to a piece of fruit or a cup of milk or water when I get hungry or thirsty.

Next, I will tidy up my toys, listen to a story and then I will wash my hands ready for lunch.

This is where I will eat my lunch. Some of the grown-ups from my class will help me at lunchtime.

When I have eaten my lunch, I will then go out to play. Sometimes I will play on the field and sometimes on the playground. I will see children from other year groups out at play.

There are four toilets I can use, two in Ash class and two in Fir class.

After lunch, I will have some time for maths learning and then I can choose my learning again.

My school day will always end with singing or a story, as a class. I will then collect my things and meet my grown-up on the playground.

Before starting school I might have a mixture of feelings, but I know all my teachers will be there to help and look after me.

Happy

Excited

Angry

Sad

Silly

Embarrassed

My teachers are very excited to have me in their class.

What I will need at school

I will wear a school uniform to school.

We recommend red polo-shirt as they do get mucky!

You do not have to purchase branded uniform.

Read our page on our website to help decide on uniform.

I will get changed into my PE kit for PE lessons.

We wear our house colours.

Make sure you have a comfortable pair of trainers.

Plain coloured t-shirt or a Weeke PE t-shirt.

I will also need a pair of wellie boots, waterproof coat and trousers at school. I will do lots of learning outside, in all weathers.

Outdoor Learning

At Weeke Primary School, we are excited to introduce our Forest Schools programme, where children will have the opportunity to explore the great outdoors in a safe and nurturing environment. Our purpose-built yurt, led by Mr. McGettigan, serves as a cosy base for adventure and learning.

Mr McGettigan

Thank You

Thank you for reading and looking through our booklet. We are so excited that you are coming to our school and look forward to welcoming you with open arms.
