About Today's Host

***Life is
Energy!***
-Jason Ritchie

For players like Jason, hockey is more than just a sport--it is a passion that builds lifelong character. Hockey promotes commitment, teamwork, and persistence.

Players work hard and demonstrate a strong will to succeed that carries over into their everyday lives and futures.

The Jason Ritchie Memorial Hockey Scholarship Fund believes the best way for our children to gain the life skills necessary to succeed is to embrace hockey and all of its teachings on and off the ice.

Life is Energy!

The Boston Bruins Alumni Association is pleased to have you join us at our games and hope you will enjoy our event. We strive to be one of the finest organizations of its kind throughout the New England area.

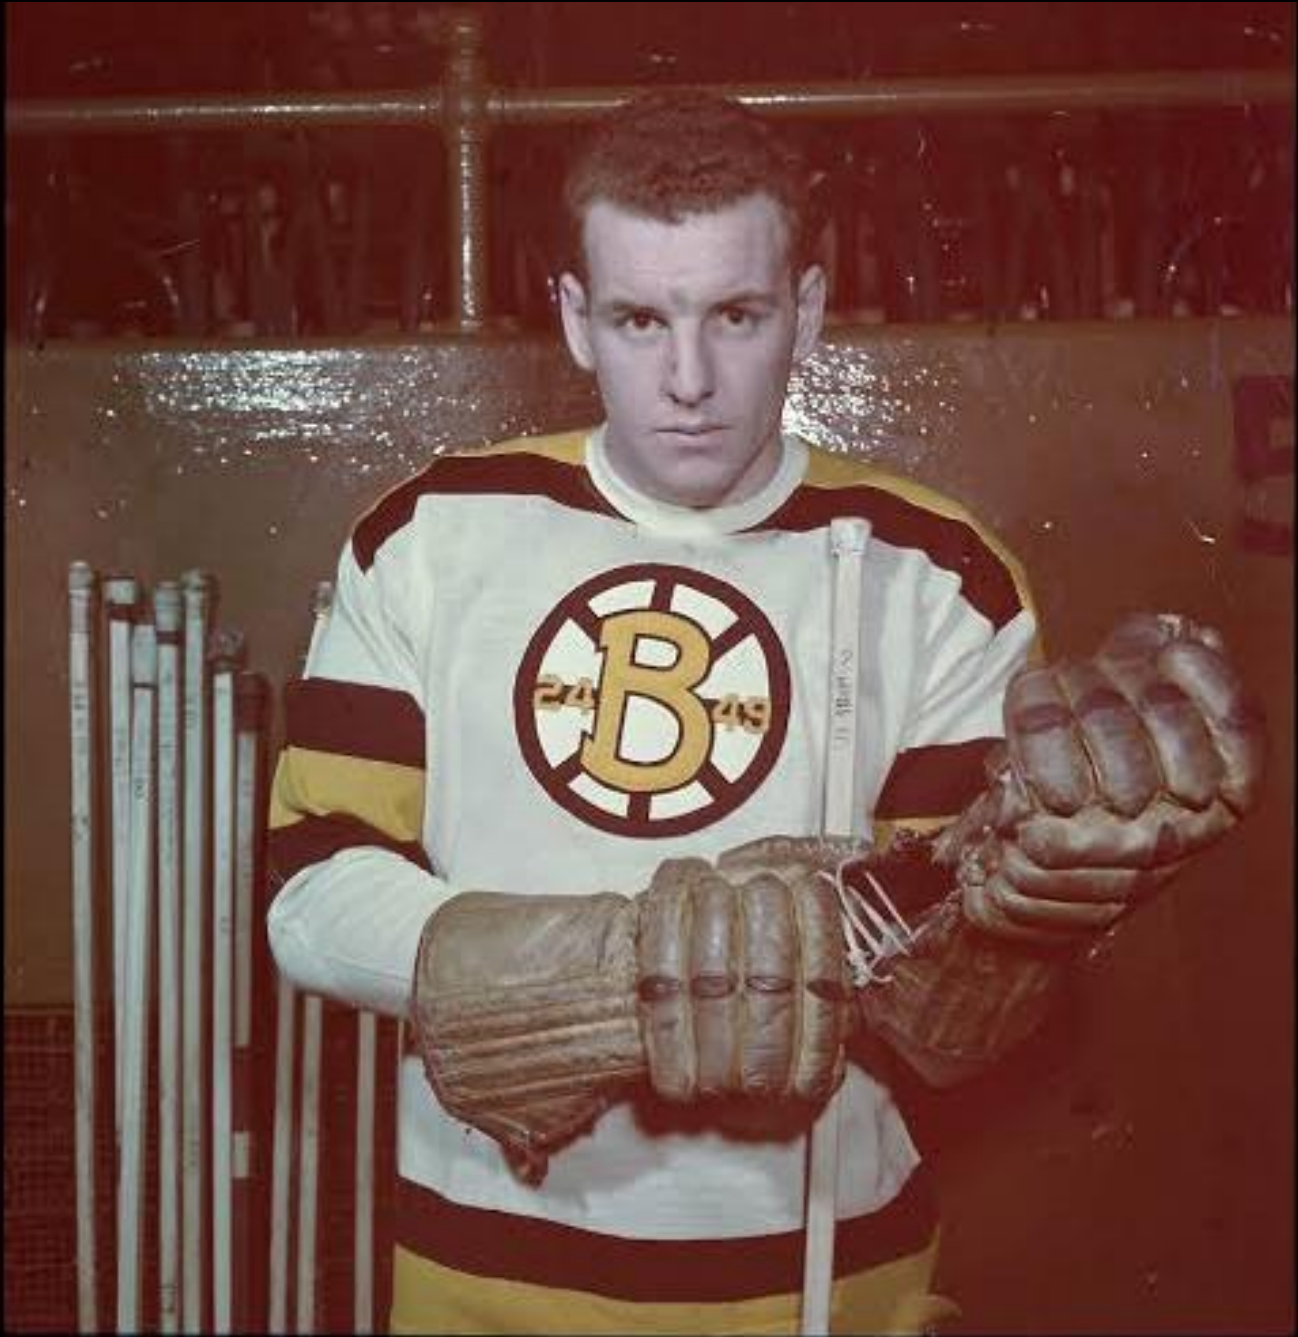

This season the Bruins Alumni are looking forward to another productive season. We want to thank Ed Sanford, John Bucyk, Bob Sweeney and Rick Middleton for their contributions as Alumni president and many years of outstanding service. Without their leadership and dedication, the Bruins Alumni would not be what it is today. We will strive to be as successful in our endeavors as they have been over the past 56 years.

Our Alumni Association has raised more than \$12 million for local charities and youth hockey programs. It is through the support, generosity and interest of you and our sponsors that we have been able to achieve that goal.

When the Bruins legends skate onto the ice, hockey history comes alive again. We hope you enjoy our games, and again, we are most grateful for your support.
