Our Legacy

The Bombay Store enjoys a unique legacy as one of the oldest and most popular lifestyle destinations, with roots tracing back to India's freedom struggle. Incorporated in 1906 during the Swadeshi movement in India, The Bombay Store (formerly Bombay Swadeshi) was founded by the great Indian patriot **Shri Lokmanya Balgangadhar Tilak** to reduce dependency on foreign goods and provide a sustainable platform to Indian artisans.

Over the years, The Bombay Store has had the privilege of thriving under great businessmen like **Sir Jamshedji Ratanji Tata**, and our flagship store at P. M. Road has been a favorite visit of several prominent leaders, such as former **Prime Minister Shri Jawaharlal Nehru**.

The store remains true to its roots and continues to showcase authentic handcraft products from all across India. Our mission is to give our customers an experience to **"Discover a New India"** through our innovative range of products reflective of a blend of contemporary and traditional Indian culture.

From marble artefacts of Agra, to Pashmina shawls of Kashmir, Dokra art from Orissa, to Kantha work bedsheets of Jaipur; our store is a treasure trove of all things Indian!

Broad categories of products available at The Bombay Store:

Artefacts, Home Décor, Souvenirs, Pashminas and Fashion Accessories

Mint Green
