

A full-body photograph of a woman with blonde hair, standing against a white wall with a raised square grid pattern. She is wearing a dark navy blue pinstriped coat with a wide collar and large pockets. Her hands are in the pockets. She is also wearing black socks and black leather loafers with thick soles. The floor is a light grey concrete.

CREATING VERSATILE ICONS FOR A #BETTERWARDROBE

WITHBLACK AW26

ICONS COLLECTION

Rooted & Refined

For AW26, WITHBLACK explores a space where the quiet strength of nature meets the refined edge of the urban landscape. This collection is a study in modern simplicity — raw, intentional, and unmistakably tactile. Silhouettes are protective yet sculpted, materials are luxurious with technical precision, and the palette is drawn from the deepest, most grounded tones of the natural world.

Black and brown emerge as the season's defining statement. Warm camels, rich browns, deep greens, saturated wine tones, and cool blues, greys, and blacks come together in a harmonious colour narrative that elevates the collection's signature outerwear.

AW26 is about balance — between function and form, strength and sensitivity, minimalism and texture. Modular details, tactile surfaces, and clean, architectural proportions give the collection a distinctly Nordic clarity that feels both contemporary and enduring.

WITHBLACK AW26 is created for those who seek more than fashion. It is style that steadies. Design that grounds. Styles that carries you through the season and beyond with confidence and quiet conviction.

Season after season, our mission remains the same:
To craft modern icons with integrity,
to honour the beauty of reduction,
and to shape a wardrobe that feels both
effortless and profoundly personal.

RESTRAINT, AND QUIET POWER.*

OUR STORY

The WITHBLACK Perspective

WITHBLACK was founded on a simple belief: that clarity is a luxury. In a world of constant noise, we create pieces that strip everything back to what truly matters — purity of form, precision in craft, and a quiet confidence that endures beyond the season.

Rooted in Scandinavian design principles, our approach is guided by restraint, intention, and an unwavering respect for material. We favour silhouettes that speak softly but unmistakably, built on structure, balance, and detail you feel more than you see. Every stitch, every fold, every proportion is considered.

We design for those who value permanence over excess, subtlety over spectacle. For people who seek strength in simplicity and expression in the understated. Our collections are not trends; they are tools — adaptable, long-lasting, essential.
