About Us

APS Tara Enterprises is a growing Indian proprietorship founded with a mission to bring the finest products from India to the world. Rooted in Jammu & Kashmir, we proudly begin our journey in the global market with unique, handcrafted goods that showcase India's rich cultural heritage, skilled craftsmanship, and timeless artistry.

We work closely with talented artisans, small manufacturers, and local craft communities—ensuring every product carries a story of tradition, dedication, and authenticity. From premium handcrafted décor to functional lifestyle essentials, each piece is carefully curated to meet the expectations of customers across international markets.
