OVERVIEW

An Ideal Balance of Power and Refinement

Whether you prefer thrills or serenity, the Accord delivers. The 192-hp* turbo engine and available 204-hp* hybrid powertrain offer improved acceleration, while the front suspension and rear suspensions are specially tuned for a comfortable ride.

OVERVIEW

Modern Design in Motion

The Accord features a sleek look, with available sport styling that amplifies its spirited on-road personality. Inside this midsize sedan, you'll find a more comfortable experience, with body-stabilizing seats and available heated and ventilated front seats with automatic climate control.

OVERVIEW

A New Standard for Connectivity

The Accord delivers intuitive hands-free connectivity with available Google built-in,* an extra-wide 12.3-inch touch-screen, and a 3-month trial of the Remote package* on the HondaLink®* smartphone app. Effortlessly stream music and control smart home devices using Alexa Built-in.*
