ABOUT US

Established in 2007, 1Look is a trusted name in the manufacturing and supply of high-quality cleaning and personal care products. With over 20 years of industry experience, we combine deep technical expertise with modern production standards to deliver reliable, effective, and safe solutions for everyday use.

We specialize in third-party manufacturing of liquid detergents, offering customized formulations, private labeling, and bulk production services to meet the unique requirements of our business partners. At 1Look, quality is the foundation of everything we do. Our manufacturing facility is equipped with advanced machinery, strict quality control systems, and well-defined production processes to ensure consistency in every batch.

We use carefully selected raw materials sourced from reliable vendors to guarantee performance, safety, and customer satisfaction. Each product undergoes rigorous testing to meet industry standards and client specifications before it reaches the market.
