

PRAYER
WHEEL
Guide

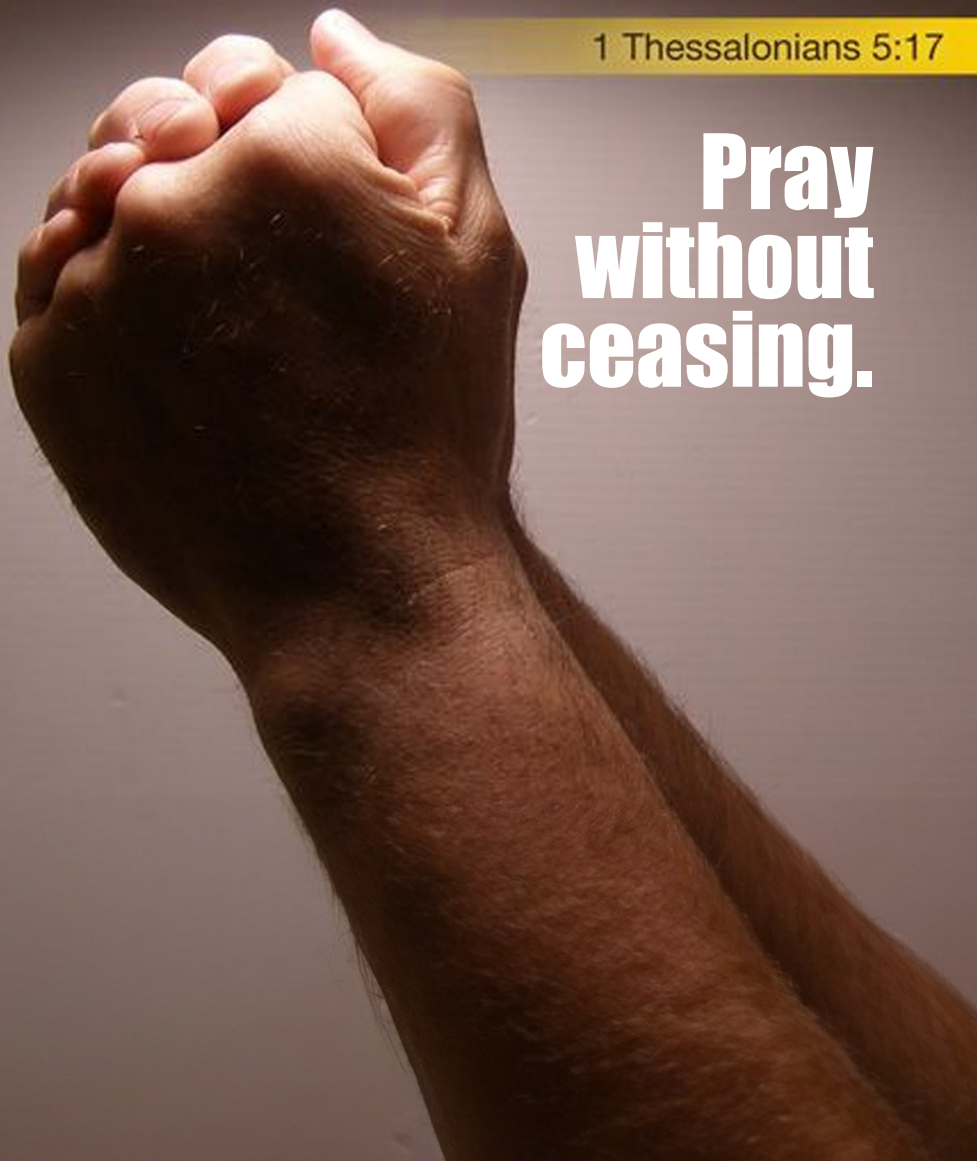

August

If you believe, you will receive whatever you ask for in prayer." (Matthew 21:22 NIV)

IT'S **TIME** TO
PRAY

1 Thessalonians 5:17

**Pray
without
ceasing.**

We are praying individually every day for the month of August. You have chosen your time. There may be multiple people praying at your designated time, but you should have the mindset of praying because they forgot or had an emergency. **I CANNOT STRESS TO YOU HOW IMPORTANT THIS MONTH IS TO OUR CHURCH AND MEMBERSHIP.** Let's commit to the August Prayer Wheel with all our hearts, minds, and souls. Here are a few points for you:

1. There is no set length of time to pray, but you should be sure to pray from your heart and not out of any obligation or resentment.
2. Be faithful to it! Set an alarm to remind yourself if you must.
3. As you start your prayer, please pray for the group that just prayed before you. Call their names out to God. Ask God to keep them, heal them, protect them, and prosper them greatly.
4. There are over 20 prayers in the Prayer Section, beginning on page 14) for you to choose from should you want to use them. You can pray all of the prayer, part of the prayer, incorporate some of the prayer into your own prayer, or not use them at all: your choice.
5. We are still praying at 5:55 every morning.
6. At the end of your prayer, pray for the group that will be praying after you. Call their names out to God. Ask God to keep them, heal them, protect them, and prosper them greatly.

ANGELS

Father, I pray for angelic visitations, assistance, and the empowerment for this hour in which we live. I pray that you will send your servants from your Heavenly Host to strengthen me as they did Jesus after the 40 days of His satanic temptation. I too have been pressed by Satan to turn away from you, but I have not yielded to his desires. I too am weak in my flesh, and I am in desperate need of strength from on High to finish the assignment on my life. I ask you to send the angels with instructions that I cannot perceive or those that may be marked time sensitive, information sensitive, or beyond my human comprehension. Please don't let my humanity cause me to hinder my rewards at the end. I ask that those same angels help me complete every assignment, as they are stronger than me, and have been in your presence. Help me to work with them, and never to idolize or worship them because they are helping me and working on your behalf. Help me to see them as co-laborers with Christ as they too are named in the whole Family of God. Lastly, I ask you to strengthen them with a power hell has not seen, with a strength and knowledge that causes demons to envy these Sons who remained faithful to You and Your Christ. You are the God of the impossible. Do this for me and all my brothers and sisters of Christ Worship Center and around the world. In Jesus name. Amen.

BODY OF CHRIST

Holy Father, I cry out to you today for all my brothers and sisters that currently make up the Body of Christ. We are one blood. I pray for everyone's wisdom, protection, and endurance. I ask you to bring us into a greater love and appreciation for one another. We are all different, but yet translated into the Kingdom of Your Dear Son. Help us to see in one another, what Christ sees in us, and what you saw in us before the foundations of the world. I bind the spirit of religion and loose Your Spirit upon us all. From this day forward, may we never know denominations that separate us and lies that deceive us. I bind up the synagogue of Satan, and I lose upon the Body of Christ the Spirit of The Church – in all of His power, and all this authority. I decree and declare every member bringing forth fruit in this hour that will remain. We are perfected and perfecting one another. We are moving by leaps and bounds into the full measure of Christ. I decree and declare, in the Name of Christ, we cannot be stopped or deterred. In the precious and powerful name of Jesus. Amen.

CHILDREN

Jehovah, I declare that you are my Father and the Father of my seed. You promised me you would teach my children, and they would live with a great peace. Your

eyes are in every place, beholding the good and **the evil** of my children. You know their uprising and their down sitting. As Job interceded for his children, I now intercede for mine. Save them completely from their sins. Make them whole, living with no wounds or scars from their past life that Satan or human beings can exploit. No one will ever love my children as much as I do or want their success as much as I do. Purge the world from their souls. If I am guilty of provoking my children to anger, forgive me and please don't hold their sin against them and heal them from my wounds. Forgive us. You, help us start brand new as parents and child that we may live in the liberty by which you have made us free. Restore our paths to dwell in as a family. Renew our joy. Use my seed to the glory of Your Kingdom. Fill them with your Spirit, evidenced by the consistent manifestation of the fruit and gifts of the Spirit. In Jesus name I pray. Amen.

DELIVERANCE

Oh, God! Many are the affliction of the righteous and you promised to deliver us from all of them. Not only am I crying out to you on my behalf, but also my brothers and sisters of Christ Worship Center, and the Body of Christ at large. Not only are we bound by righteous afflictions, but human and demonic afflictions as well. We have disobeyed your Word, returning to vomit (our

sins), we have also continued in our sins because we knew you would forgive. As we are now living the repercussions of these bad decisions, I cry out to you to deliver us oh, Lord. Deliver us from the powers of darkness, the power of our flesh, and the power of the flesh of others. There is nothing you cannot do. Do this for us. Have mercy on us God, according to the multitude of your loving kindness – that is greater than our minds can conceive. Make us lay down in pastures that are green, conducive for the maintenance of this great work that we are asking you for. Satan cannot cast our Satan: We not only ask you for full deliverance for ourselves, but so we can completely do the work of the ministry and not worry of being denied entrance into eternal life because we were workers of iniquity. After you have cast the devil out of my mind and the minds of my brothers and sisters, I ask you to increase your presence in our lives so that we would never want to return to the shackles of sin ever again. I pray this prayer in the mighty name of Jesus, the Christ. Amen.

DEMONIC FAILURE

Father-God, I come before you in the name of Jesus. Today I am asking you for help in an area that I do not fully understand. I do know, however, that all dominions, powers, and governments were created by you and for you – visible and invisible. It is the invisible realm that has brought be before you today. While I

may not know all that exists in the invisible realm, I do know they are subject to your rule and consequence. I pray now concerning those consequences. I ask you to use your vast power, strength, and infinite wisdom to cause every demon that is working directly or indirectly against my life to experience monumental failure. I ask that it be a failure of such great proportions, Satan would seek to torment my assigned demonic agents. Don't just do it for me but hear the cry of all your children as You did the children of Israel prior to their deliverance from Egypt. Cause every demonic plan and strategy to go awry. Cause every demon assigned to me, my family, my church, (my business, my ministry) and to my brothers and sisters in Christ to experience failure of the magnitude of the resurrection of Jesus. Do it for your glory that we may be reset and positioned to give you more glory. In the matchless name of Jesus, I pray. Amen.

EMPOWERMENT

God of Heaven and Earth, I come to you in the name of your Dear Son – Jesus. You have assed us and declared that our strength is small, giving us a command to strengthen what remains. We now call on you to help us, Father. Give us the strength, the skill, the wisdom: combine your super with our natural. Make us the examples of the Ministry of Christ. Empower us to such a degree, we look exactly like His apostles. If you cause

us to abound in every good work, we will succeed. Change our nature if you must. Give us another spirit as you did Joshua and Caleb. Deputize us to use the name of Jesus, from the casting out of demons to the raising of the dead. Give us power on every level that we may reflect you in every sphere in our lives. Grant us success. Remember Your Covenant as you did with Israel. Bless all the works of our hands. Cause us to abound, whether we are in the city or in the field, whether we are in the boardroom or in the drive through. Let it always be said of us, "There is something special about them!" Grant us the opportunity to say in our success, "It is the Lord's doing, and it is marvelous in our eyes." I pray this prayer in the name of Jesus. Amen.

ENEMIES

There are many, Father, who have said of me, "There is no help for them in God." Many are there who camp round about me in secret, desiring evil for my life. But you, Father, are a shield for me, a buckler, and the lifter up of my head. Father, I do not damn their souls to hell, but I ask you Holy Father, to be fair, be just with me in this matter. I ask you to save them, if they are lost. I ask you to forgive them for this evil they have worked in my life. I ask you to deal with them in their dreams, in their hearts, that their souls be not lost in the end. Have mercy on them to the degree that they

themselves would know it was you that spared their lives, their families, their future. I also ask that you reverse everything that has taken root in my life because of this evil in their hearts. I asked that great favor would come upon me, allowing me to rise from the heap of ashes that was once my life. Set my table before their eyes. Fill my table with all of your goodness. Cause my table to become a source of shame and repentance for Your Glory. Help them turn away from their evil ways and turn to you with whole heart. Should they continue in their wickedness, ignoring your grace and mercy, strip them of their power, their influence, their reputation, their money. Let them fall on times that are hard in hopes of saving their souls. But don't let the proud have reason to be thankful outside of you. You, Father, are where all of our blessings come from. I ask you for mercy upon my enemies but judge equitably in all of my affairs and associations; as well as all of my brothers and sisters who make up the Body of Christ. Don't let our enemy triumph over us. In the name of Jesus, whose eyes are as flames of fire I pray. Amen.

ENTREPRENEURS

You, Father, are the God of the sunshine and rain. The cattle on a thousand hills belong to you. You don't just own the gold and silver, you created them. You have hidden your riches in the Earth in days pass and evil

men found them, even robbing nations of their would-be wealth. These men have gone on to build and manipulate markets, times and seasons for their own benefit and the glory of their families. They have also stolen promotions and wealth from your people who have cried out constantly to you for your intervention. Now, Father, we ask that you move against these and their generational wealth and move for us. Relieve us of this heavy burden that we have carried for many generations. Give us witty ideas for business that will catapult us into international markets. Bless our businesses with workers who are loyal, ethical, and Christian. Bless our businesses to survive in the bear and increase the more stock markets are bullish. Bless our businesses to hire and reform ex-convicts who are seeking new lives in Christ. Bless our businesses to lend to nations, rebuild communities, and establish Christ strongholds that you will protect from Your Holy Mountain. Make business easy for us and less easy for the wicked. Bless all of our bread that we cast upon the water. In Jesus name. Amen.

FALSE RELIGION

Father, You are the only True God. You are before all things and after all things. You are Alpha and Omega. Since the days of Lucifer, the original subverter, Your Kingdom has been under attack. As much as our minds can conceive it and our spirits believe it, we are fully

persuaded of the end time events of Revelation. We are currently seeing an increase of religions that deny the Deity of Christ. We ask you, Father, to limit their success and restrict their advancements. No matter how harmless the belief may be, cause the follower to become disenchanted with its doctrine. We ask for a mighty move in this area, causing even those at the highest levels of the organization to become discontented with the creed, searching for more. We pray that Christ will become that more! Cause false religions all over the world to lose their luster. Send their believers on a journey for truth and fulfillment. Purge their minds of the lies and falsehoods they have become familiar with, replace it with a desire to know about Christ. I bind false religion and I loose the power of the Spirit of the Church throughout the entire Earth. Now, draw men unto Jesus. In His name, I pray. Amen.

FAMILIES

Father, the prince of this world has unleashed his final assault on the Your first institution, the family. I pray now for your divine intervention in this matter. You, Holy Father, control the hearts and minds of individuals. I ask you to turn the hearts of people away from all satanic desire and to resist the continue assault on the family. I pray for healing and restoration of the family unit and a ceasing of creating new family units. I pray especially for the Household of Faith. You are the only

One who can turn the hearts of the father, mother, and children to one another. I pray against demonic and rebellious individuals with a powerful influence to negatively affect the desire of your children. If necessary, break those relationships that mean evil that your people are too weak to break themselves. Father, I asked you to do everything in your power to give the families of your Kingdom a fighting chance. I bind up the spirit of divorce, separation, and apathy. I loose the power of the Fruit of the Spirit in all of its vigor and grace. What the devil had meant for evil, I ask you to use it and turn it for your good. I pray this prayer in the name of Jesus – our everlasting Father. Amen.

FINANCES

Father, your word says that money answers all things. There are many of your children experiencing a lack of money to make crucial decisions for their lives and families. Many of them are experiencing generational lack, but they still love and serve you. I ask you to move on their behalf speedily and substantially. The world requires certain of its citizens to work for a living, even though that wage does not afford them all they need or want for their lives or families. I ask you today, as the King of their Kingdom, to increase their finances without trouble, accident, or death. I pray the prayer of Jabez over the lives of your people that are crying out to you for financial relief. I pray for the results of Obed-

edom having the ark of the covenant in his house in every home of your children crying out to you for financial relief. And, I pray the obedience of the disciples upon every brother and sister as Holy Spirit tells each where to drop their nets. I also pray for the divine wisdom and knowledge of continued growth and management of the financial blessing from the Lord that makes rich and adds no sorrow on every man, woman, boy, and girl serving you. In the name of Jesus. Amen.

GLORY

Father, Jesus asked you to glorify Him that He might glorify You. I ask you today on behalf of all of my brothers and sisters across this great globe that You have created; regardless of statue or station, find a place in their lives where they excel in knowledge, gifts, anointing, and humility: glorify them! The apostle Paul said that you predestinate us, call us, justify us, to glorify us. Jesus said we are the light of the world, a city that sits on a hill. I ask you today to glorify your people that have withstood the crucible of preparation-affliction. You have tried them and found them worthy. Glorify them. Position them in visible places that they may win some, teach some, edify some, rebuke some, reprove some, deliver some, heal some; all for your glory. Cause them to only walk through doors that you have opened. Cause them to only sit at tables you have prepared.

Help them to never become attracted to the glory that You have given them as Lucifer did. Send your Holy Angels to guard them along the way so that they may completely and successfully finish the work you started in them. In Jesus name I pray. Amen.

HEALING

Father, I come to you in the only name that gives me access to you and your power – the name of Jesus. Your people are experiencing and dying from the same diseases as people of the world, even after they call on your Great Name. I beseech you, Father, to put your power on display. You told the children of Israel if they would follow your statues, you would not put the diseases of Egypt upon them. Father, Jesus is our blessed Messiah, the ultimate gift from you for salvation. He is our righteousness, our justification, and soon coming King. Grant us according to your great favor manifested healing. Heal us Father in our bodies and minds. Remove from your holy children all physical ailments as you did the children of Israel. There are no sicknesses, diseases, or ailments that is acceptable in Your site. If we have embraced aches, pains, pills, and even glasses with getting older, please forgive us. Let there be no sickness among us. You are the God that heals all of our soul and body diseases. Keep us healthy so that we may do the work of the ministry. You said that You are The God of all impossibilities. Grant this prayer for all my

brothers and sisters across the Body of Christ. In Jesus name, I pray. Amen.

HOLY GHOST BAPTISM

John baptized with water, but he said Jesus would baptize us with the Holy Ghost and fire. Father, I pray today for all of your children, that we would all have the common experience of both water baptism and Holy Ghost Baptism. So many of us are struggling in our flesh because we have not completed or positioned ourselves for the fulness of Christ. He died to make us new creatures, but we have been influenced by so much teaching that restricts us from become the spiritual powerhouses you desire us to be. Jesus is our Great Shepherd. Who can withstand the Lord? Exercise your dominion over us as you did on the Day of Pentecost. Release in your churches, cover tongues of fire. Release a language upon us that we have not studied, but yet it ministers to the hearers. Take Your Church back. You have already redeemed us, so if the neglect of this greater salvation has placed us in the clutches of Satan again, snatch us back to you and fill us authentically. We renounce every false spirit that has ministered to us, spoken to us that is not of You. Baptize us in the Holy Spirit even as Jesus was baptized in the Jordan. Don't let us do ministry without Him. Convert us and fill us to overflowing (with the manifestation of His fruit and gifts). In Jesus Name. Amen.

HUSBANDS

Father, you made Adam a man and a husband to lord over your creation. You spoke with him face to face. You then created a woman just for him that he would never experience loneliness. I pray now for every Christian husband that has fallen under the spell of ungodly men who are unaware of your wisdom - in creating a woman just for man. I pray that your sons will find her and not a substitute. I pray that he will dwell with her, experiencing rounds of pleasure over a lifetime that never cease and only come from you because of your pleasure with him abiding in your master plan. I pray that you will keep him in the narrow way of which you have gone before him; let him abide in it completely. I pray that he will never succumb to fear and doubt as they are responsible for eroding the unity of a home built on you. I pray that he is patient, loving, kind, and harmless always with and to his earthly bride. I pray that he is a man of prayer and can always perceive her insecurities and dreams that are not communicated with words. I pray that he will know his value as a son of God, knowing that you will never allow him to be tempted above that which he is able to master. I pray that you will bless the works of his hands and mouth always. I pray that you will minister to him as you did Joseph (the husband of Mary) continually. May he always have an answer. I pray that you will make him rich like you did Abraham. May he always live with an overflow – even during challenging times. I pray that he will always accomplish his vision even as Noah did. May he

only know provision even for big things. I pray that he would never introduce any illicit or forbidden activity to his wife to thereby help Satan snare her soul; but he will seek after that which is good and all pleasing to you, Father. I pray that he will purge his heart and mind of all ungodliness before becoming one flesh with his wife. Lastly, may he live a successful and notable life of ministry with his wife like Aquila. May they never know competition or couple rivalry. I pray that he will open his heart and mind to all of the gifts and talents you have given to his wife to help him, and let him open his heart and mind to all of his gifts and talents to help her. May they achieve great things together in unity. I pray this prayer in Jesus' name. Amen.

HUMAN FAILURE

Dear Heavenly Father, there are human beings that have given themselves over to satanic and demonic power desiring evil for my life. There are those who practice the dark arts of divination [witchcraft, sorcery, magic, etc.] who cast spells in my direction. Father, while I do sincerely pray that you save their souls from eternal punishment, I also pray that you will break all evil communication between them and hell, and I also pray that all of their spells, enchantments, evil activities will fail quickly and openly. I pray that their words will find no resting place on earth and only serve as a source of destruction within the caverns of hell itself. I pray that the demons will become angry with them at

their lack of progress and cut communication and fellowship with them forever, even their seed. Should they not seek to give you their lives or reject your gift of salvation, I pray sincerely that they find no more peace or success in the spirit of divination. May they wonder about the earth for the rest of their lives. Keep me and my seed from every incantation. May I and all of my brothers and sisters only know Your Joy And Peace. In the powerful name of Jesus, I pray. Amen.

LAMB'S BOOK OF LIFE

Father, I press You today to remember the names You have already written into the Lamb's Book of Life. These you are predestinated for salvation. They are not to experience being earthbound, Hell, or The Lake of Fire. I pray for them, as they are weak, but you are strong. I pray for deliverance from any guilt or shame that may be responsible for keeping them away from repenting and serving you. I pray for their minds as there is currently a spirit of delusion that you have released in the land. I pray that they will know the truth and the truth will make them eternally free. I pray for those that are misunderstanding the call and are currently serving idol gods that do not have ears to hear, eyes to see, and a mouth to speak. I pray that you will have mercy upon them and interrupt that disconnection. Bring them into the fold at all costs. And prepare us for their arrival. I pray that they are not injured by any of your jealous children. I decree they are taught

by you, filled with your Spirit, and love by us. Deliver their souls from powers of darkness and deliver them into the Kingdom of your Christ. Father, clean them and prepare them for the work to which you have called them. Let the Lamb's Book of Life speak their names in the heavens and into the Earth realm. Save, Father save! In the name of Jesus, I pray. Amen.

MANIFESTATION

Heavenly Father, I pray today for the end of any heavenly wars being fought by the angelic host as they are being sent with the answer to the prayers of my brothers and sisters. Your promises are yea and Amen, without dissimulation. You do not tempt us. After all these years, it is still Your good pleasure to give us the Kingdom. The enemy of the faith of your children desires to keep this war raging in order to wear out the faith of your people. By the power of the NAME OF JESUS, I now come into agreement with Heaven and cancel this evil strategy. I position myself as a forceful person to advance the Kingdom of Heaven. I take it by force. I stand in the gap for my brothers and sister that they be denied no longer as you have released the blessing. I ask you Father to exhaust this fight for once and for all. Bring all of those prayers into manifestation. Let your people see, feel, and ascertain what has been caught up in the heavenlies. Father, cause every demonic power to reach their physical extremity in this war. I also

pray that you will give your Holy Angels new strategies on accessing portals and dimensions that we would never need to wait as we have again. Lastly, please renew the hope in the hearts of any of my sisters and brothers who may have been waiting but gave up. Renew and even heighten their expectations for the things of God. In Jesus name. Amen.

PERFECT WILL OF GOD

Father, I repent to you for living in and exploiting your permissive will for my life. I have not always appreciated the thoughts you have concerning me, and I have chosen at times to go my own way. First and foremost, I thank you for NOT rewarding me for my choices. You have been merciful to me in this regard, but I no longer want to live in your permissive will. Father, I desire to live, and I desire to be your original idea. I want to live in your perfect will for my life. Father, I know it may bring me hardship, but my life in your permissive will has not been hardship exempt. At least I would know I am suffering where you want me to be and not where I have chosen to be. Guide me by Your Spirit every day of my life. Make me lay down in green pastures: meeting the people you want me to minister to and performing the works you have created to do. There has been a way that seems right to me, but I no longer want that way. I bind the spirit of fear and timidity. I loose upon me the spirit of the Lion of The Tribe of Ju-

dah. Use me, Father, in Your Service and draw me closer to You every day. Help me to leave the Earth empty when you call my name. I want to say, "It is finished!" In the name of Jesus, I pray. Amen.

PROMOTION

Father, the authority to reward someone comes from you alone. I pray today for many of my sisters and brothers who have been refused and passed over for promotions. I ask you to remember their work – be it spiritual or natural – and bless them accordingly. Refuse the refuser and make them obey your will. If the position has been filled, I ask you to create a position of promotion just for them. I also pray their promotion will come with a substantial increase in pay. I also ask that you cause them to receive compensation for the delay in their promotion. I ask you, Father, to make it good, make it right. Father, too often because your children bear the fruit of the Spirit, they are misused and abused. While you do use these moments of trial as a test of our faith, you are still a God of equity. Whatever is right You will pay! Cause something great to come from these situations. Cause your people to experience fulness in their careers and even satisfaction in ministry. They remained meek even in the face of ungodly supervision and mockery, now cause them to inherit as only you can. In the name of Jesus. Amen.

PROTECTION & PROVISION

Father, you never slumber, and you never sleep. You, Father, clothe the lilies of the field and every day you provide for the sparrow. You create evil upon the Earth to still the hand of your enemies. You gave Moses instructions to tell Israel to place the blood over the door posts of their homes to protect themselves from the angel of death. Father, I pray for the protection and provision of your people always. I pray that You are always able to speak to us, we hear You and obey in these serious matters. I pray that we are never nervous or fearful in any situation, but we always have and express our faith in You as The Ultimate Father. If we ask you for bread, it is not in Your Divine Nature to give us a stone. You are a Good Father, who can only give Good Gifts because You are Good! Father, I decree and declare that we will trust you in times of plenty, in times of scarcity, and in times of transition, because You are our protection and provision. Father, we open our hearts to the workings of miracles, if necessary, as you did for Israel as they wanted meat and needed water. You are always our supernatural supply. I pray now for those who are weak and unlearned in The Faith: may they never be tempted above that which they are able to bear. I pray for quick uninterrupted protection and provision for them. May their trust in You only grow from faith to faith as you keep and provide for them. In the name of Jesus. Amen.

RESTORATION

Dear Father, so many of my brothers and sisters are in need of you to restore their paths to dwell in, they need you to repair the breaches in their lives. For generations now they have experienced brokenness. Many of them have lost much in Your service just as Peter acknowledge to Jesus after the young rich man refused to give up all and follow the Christ. They have waited patiently for you. I now ask you to incline your ear to them. Hear them from your Holy Mountain and execute total restoration in their lives. Repair the cracks in their lives that lead to resources, wealth and possessions easily falling through. Restock their pantries. Restock their savings accounts. Expedite the process on their behalf. You restored living quarters to Israel by taking them from Egypt's slave city and placing Israel in the Promised Land with homes they did not have to build and vineyards they did not have to plant. Hear the cry of your people and attend unto their groans. Saturate their lives with maturity as if they have been living at the level of prosperity for years. I plead with you, Father, don't let their enemies mock them in this matter. Show them, prove to them your children are in your hand and are the apple of your eye. Restore them, replenish them in every area where they have suffered loss. In Jesus name I pray. Amen.

REVEAL

Father, I pray today that you will open the eyes of all your people. I pray that you will reveal those hidden things that the prince of this world has tried to conceal from your Church. I pray that the spirit realm will be opened to all of your children, from the eldest to the youngest. Open their eyes and never let them close again. Jesus spoke in the Book of Revelation of end time words they are hidden for a specific time and season. I pray that nothing in Heaven, on Earth, or under the Earth will hinder the release of divine information anymore. I pray Father that you will steamroll all that seek to stop or even delay what you are doing.

I also ask that you reveal all of the hidden plans, traps, and plots of those that mean evil in any capacity. Reveal the plan of individuals and organizations that seek to overthrow churches, governments, church leaders, political leaders, and even those corporate raiders that are doing the bidding of Satan – taking away the consumer base of Christian companies. Reveal their plans and place it in the hearts of the people to despise their plans. Let the people see it, hear it, and overwhelmingly reject it. I ask it all in Jesus' name. Amen.

REVIVAL

A spirit of apathy has fallen on Your Church; we are the Church of Ephesus. A spirit of pride has fallen on Your Church – we are Laodicea. I pray now Father that the Spirit of Revival will awaken Your Church again. I pray for all of those who have fallen asleep. Wake them up! I pray that they will rekindle their relationship with you, and you set a fire in their souls from henceforth they cannot control. I pray they will humble themselves before you and purchase gold and silver from you that will not corrupt their souls. Father, only You were able to send us Jesus. Father, Jesus prayed that you would send us the Holy Ghost. Only You can share yourself with us. Once again, we ask you to impart to us the Fire of God that will burn away all complacency and all forms of pride. Give this generation a contagion that is easily transmitted and terminal. Father, revive us as you will and not as our understanding. Refresh us and renew us until we fit seamlessly into the fabric of The Family of God. Truly make us a new wineskin. Revive us to the neglecting of titles, positions, and denominations; awaken us to the work that is at hand. Revive us to the cause of Christ and no longer our agendas, no matter how authentic and crucial we think them to be. Make Jesus and Jesus alone the center of our joy. In Jesus name, I pray. Amen.

SALVATION

Father, salvation belongs to You. Only You can save. Only You can help. Only You can deliver. Father, I pray today that you will stretch out your hand to save. It is your desire that no man would perish. I provoke your desire today by asking you to look at the tragedy of our communities through your prism of mercy. I know we are reaping what we have sown, but now I make a plea to you as David did after you judged him for numbering Israel: Make it stop oh, God. Make the killing stop. Make the fighting stop. Make the robberies and thefts stop. Make the raping stop. Make the perversion stop. Make the divorce stop. MAKE IT STOP. Send your salvation oh, God. Send your salvation. Turn the hearts of the people to you once again – make it stop. We confess our sins to you; they are many. We have neglected your Holiness and the Sacrifice of Your Dear Son. Have mercy upon us according to your loving kindness and save our children, save our spouses, save our neighbors, save our friends, save our co-workers. Save them completely. Take away from them any longings for the world and all of its pleasure. Only you, Father, can save. In Jesus name I pray. Amen.

SATANIC FAILURE

Father, I pray a pray today that I don't usually hear, but I believe that all things are possible through the blood and the name of Jesus Christ. I entreat you to use your

power and position as God of The Universe to cause Satan's plans concerning me, my family, my church, and the Body of Christ at large to fail. I pray that he has not found favor or plausibility regarding his work to experience any success in these areas. He is the prince of this world, don't let him ruin us (for his pleasure or his evil works) as he has ruined the rest of your creation. His emboldening arrogance is constantly a source of aggravation for me and the rest of my brothers and sisters. He is always trespassing and disregarding the name of Jesus. I ask you today to deliver me from his evil. Deliver my brothers and sisters from his evil. Remind him that Christ put him to open shame by making him live in that shame until the catching away of the church. Father, don't allow another plan to work or whisper to prosper. Be my shield and buckler. Be our shield and buckler. I pray that you find pleasure and excitement in this petition as we seek complete sanctuary from your original enemy. You failed his plans regarding your Most Righteous Throne. I ask now that you would fail him even more in regard to your children – each and every one. In Jesus' name. Amen.

UNITY

Father, I pray again the desire of Jesus: Make us one even as You and He are one. Use your great power to soften the hard hearts of your children to end divisions that hinder us from coming into the unity of the faith. You have made us hear joy and gladness, now make us

hear this correction that we would come into the full measure of Christ. Help us to drop our dogma that keeps us divided. Father, this division has gone back centuries. It is not new to you. Transform the mind of the stubborn that they would see the harvest and embrace all of the workers in Jesus' name. Do a premature work in us that we would beat our swords into plowshares and spears into pruninghooks in this age. Change our nature so that we will no longer do harm to one another but will help one another with the harvest. Make us to hear the voice of your Spirit and not the voice of another. Help us to simplify our faith and the expression thereof. Help us, Father, to find the greatest joy in serving you and serving one another, not our gifts and not our talents. Help us to never again build kingdoms within the Kingdom of Your Dear Son. For those that will come out of their silos to reach for the hands of their brothers and sisters, I ask you to bless them in a special way that would cause others to see and duplicate their efforts. You are revealing Yourself in the dreams of Muslims, Hindus, and the like; visit the dreams of your own people as you did Pilate's wife (and so many others in the Bible). Share Truth with them that will cause them to see You as they have never seen you before. Make us one. In Jesus name, I pray. Amen.

VENGEANCE

Father-God of all power and strength, I cry out to you today for vengeance upon the spiritual enemies of your children. Satan and his kingdom (spiritual and natural beings) have wreaked havoc in our lives. They have oppressed us, denied us, and mocked us. They have also done the same to your Church. We have lost so many good leaders and saints to premature death because of the severity of this warfare. While you have also used this havoc to prove, test, and try our faith, it has left some of us mentally exhausted and physically wounded. Heal us and allow us to see your mighty hand of retribution at work! I now put you in remembrance of your word where you said vengeance is yours' and you would repay. We have endured the hardness as good soldiers, now I ask you to set bombs of discord, division, doubt, and travail throughout his kingdom for detonation. Set the bombs to their highest level of expanse, letting it reach from the lowest parts and directly to his throne room. Shake it and break it! Let all of hell's agents (spiritual and natural) know they have experienced the retribution of God Almighty! I ask you to not allow him nor any of those who tried to deny Your Church its power, glory, and destiny to continue their evil assault without severe retaliation. You told Israel, "Woe to that nation that You would use to bring them into captivity." I am simply asking if you remember the better Covenant – You have given us – and exact your vengeance upon those who have attacked your people. Teach them that You still watch over your word to per-

form it. Teach them the repercussions of touching the anointed ones. I ask now that you would make up a hedge round about us that can't be penetrated henceforth by those agencies as we do your will in the Earth. Lastly, I ask that you exact the greatest revenge upon those perpetrators of evil: cause them to see the blessing upon by brothers and sisters as they now live with the double blessing as you gave to Job. Make them see the restoration of our lives, our families, our ministries, our businesses, our health, and any other things that will make them regret the day they raised their hands against your children. In Jesus name I pray. Amen.

WIVES

Father, I pray that all of your daughters whom who have ordained for marriage would be found by godly husbands who value and appreciate the gift from God. I pray that she will be unyieldingly the vessel God has created to share her gifts and talents as well as received from her husband his gifts and talents. I pray that every wife is valued for her ideas and contributions to the marriage. I pray that she is never made to feel inferior or superior to her husband but walk closely by his side as they achieve success in the earth for the Kingdom of God. I pray that she will never introduce forbidden things or activities to her husband. I pray that she finds her greatest joy of being a daughter of God, and because of their position she wisely and diligently affects

all of the sphere of her influence. I pray that she is the chief intercessor for her husband and that You will reveal even the deepest thoughts of his mind to her. I pray that she too will be a catalyst for love, joy, and romance in their union; that the responsibility of their marriage be evenly cared for on every level. I pray that she is a woman and not a girl, capable to handling the most difficult of situations with God-given grace and dignity. I pray the older she becomes the more beautiful she becomes, just like her mother Sarah. I pray she is always esteemed highly by her husband. I pray that she hears his words and of his words as he speaks well of her at home and in the community. I pray that she knows no boundaries as she is set free in Christ; and I pray she is a wise woman over all her exploits remembering her God and thereby her husband. Father, you gave Adam and Eve dominion, so I pray that you will partner her with a husband who understands her need to manage also and will not suppress and oppress her under the pretext of submission. And I pray that they will, together, find the balance of stewardship that will meet your approval. May they together never get lost in serving and loving one another. In Jesus name I pray for her. Amen.
