

DUROPAL

QUADRA & STREAMLINE
Pre-Finished Stocktops

Product Features

Pre-Finished High Pressure Laminate Stocktops :

Available in a 3mm tight radius or Anti-Fingerprint ABS laser edged applied profile

- Cost Efficient Alternative to Stone or Solid timber benchtops
- Laboratory Grade Chemical Resistant
- Toxic Fume Resistant Foil Underside
- Stain, Graffiti, Scratch, Heat and UV Resistant
- High Moisture Resistant, Eo - Low Emission Particle Board.
- Recycled Particle Board Substrate
- Anti-Microbial Surface

Suitable For :

General Cabinetry and JOINERY

Bench Top Surfaces

Workstation Tops

Laboratory and Medical Work Surfaces

Matching High Pressure Laminate (HPL):

- Laboratory Grade Chemical Resistant
- Group 1 Fire Rated
- Stain, Graffiti, Scratch, Heat and UV Resistant

Matching ABS Edging (Streamline Product Only)

- Matching 1mm ABS Edging

DUROPAL QUADRA STOCKTOPS

These chemical resistant worktops with moisture-resistant particleboard core, surface bonded with highly resistant Duropal HPL, underside sealed with water-repellent backing. The post-forming front edge of the Quadra worktop has a radius of 3 mm, the rear edge is sealed with a protective edging strip. As a variant it is also available 900 mm wide profiled edges on both sides.

Quadra

PRODUCT AVAILABILITY

Quadra Pre-Finished Stocktop:

- Bench Top Size : 4100/5300 x 600/900 mm x 39 mm
- 3mm Radius Profile
- High Moisture Resistant, Eo-Low Emission Particle Board
- Recycled Particle Board
- Chemical Resistant Surface
- Vapour Resistant Underside Layer
- Thickness : 39mm
- PUR Underside Dripline

High Pressure Group 1 Fire Rated Laminate (HPL):

- Sheet Size: 4100mm x 1300mm x 0.6mm

Anti-Microbial

F**** - Low Emission

Easy Care

Matching Group 1 Fire Rating HPL

Zagame's House, Hotel

Carlton

Interiors:

Lukas Partners

Representing a labour of love from hotelier brothers Victor and Robert Zagame, this 97-room showcases the best of modern interior design, luxurious amenities, and sustainable architecture.

Products Used:

Pre-Finished Melamine Board & Pre-Finished Stocktops

- Duropal Natural Chalet Oak R4284RU

Project/Product Requirements:

- Project required moisture resistant en-suite materials that were still modern in appearance.
- Project required a laminate benchtop reduce the cost compared to solid timber.
- Products provided were Pre-Finished to understand the sensitivity to project costs.

DUROPAL STREAMLINE LASER EDGE STOCKTOP

These chemical resistant Stocktops with moisture resistant particle board core, surface bonded with highly resistant Duropal HPL, underside sealed with water-repellent backing. The front longitudinal edge of the Perform worktop has a laser applied edge. The rear edge is sealed with protective edging strips. It is also available as a variant in 900 mm wide with a laser applied on both sides

Streamline

PRODUCT AVAILABILITY

STREAMLINE PRE-FINISHED STOCKTOP

- Benchtop Size : 5300 mm x 600/900 mm x 39 mm
- ABS Laser Square Edge Profile
- High Moisture Resistant. Eo - Low Emission Particle Board
- Recycled Particle Board
- Chemical Resistant Surface
- Vapour Resistant Underside Layer
- Thickness : 39 mm

HIGH PRESSURE GROUP 1 FIRE RATED LAMINATE (HPL)

- Sheet Size : 4100 mm x 1300 mm x 0.6 mm

Australian Red Cross Blood Service Melbourne

Architecture and Interiors:

Design Inc.

The ambitious project involved the refurbishment of an existing 1920s warehouse, originally used as a Morris Minor assembly factory in West Melbourne. The resulting outcome's informing principles of modular, up-scalable design are based on the new guidelines DesignInc set out for future ARCBS processing and testing facilities across Australia.

Over 1,300 LM of Pre-Finished laboratory grade chemical resistant 'Quadra' Stocktop was specified and supplied. This project received the Interior Design Awards' Sustainability Award and remains a state of the art facility that stands up as one of the best in the world

Products Used:

Pre-Finished Quadra Stocktops

- Duropal U1188DS Light Grey

Project/Product Requirements:

- Project required Laboratory Grade Chemical Resistant Bench Tops
- Project required a laminate benchtop to suit modular work stations
- Products provided were Pre-Finished to understand the sensitivity to project costs.
