30 Years of Mistral Home

A Story of Passion, Creativity and Growth

Mistral Home was founded in 1995 with one clear mission: to create **high-quality and stylish textiles** for every interior, with a strong focus on **comfort, durability** and **design**. What began as an ambitious family business has, in 30 years, grown into a leading supplier of household textiles for the retail market throughout Europe.

Today, Mistral Home delivers its products to customers in **more than 30 countries**, with collections that respond to trends, seasons and the unique taste of every consumer.

Our strength? A **close-knit team, creative designs, a deep-rooted passion** for **quality** and a clear focus on **sustainability**. Together, we continue to work on creating products that inspire and evolve with consumers' tastes.

After 30 years, we are not just looking back with pride, but we are especially focused on the **path ahead**. With innovation, strong collaborations and consideration for people and the planet, we are building a future in which our textiles continue to connect.

Here's to the next 30 years.
