FOLdoûr

Zero Glass
Bi-Fold Shower Door

Campervan / RV / Motorhome Shower Doors

Discover the **FOLdoûr**

Engineered to thrive in the tight confines of campervans, the FOLdoûr Bi-Fold brings intelligent design to modern, on-the-move living.

The high-strength Perspex screen offers privacy with a lightweight, shatterproof alternative to glass—reducing install time, weight and risk.

Ideal for luxury conversions or functional everyday builds, FOLdoûr transforms cramped showers into comfortable, stylish spaces—without compromise.

ABOUT

FOLdoûr

Effortless folding doors for compact campervan bathrooms—bringing comfort, privacy, and modern style to vanlife.

The FOLdoûr folding shower door is purpose-built for campervans and tiny living spaces, offering a clever solution where every inch counts. Its lightweight, bi-fold design folds neatly away, making entry and exit easy even in the most compact bathrooms. Enjoy a watertight, easy-to-clean enclosure that doesn't compromise on looks or practicality—perfect for life on the road.

Size:

- 1800 x 700mm (extendable up to 740mm)

Colour & Frame Options:

- Black aluminium frame with black frosted Zero Glass Perspex screen
- White aluminium frame with white frosted Zero Glass Perspex screen

Key Features:

- Ready-to-install size for most campervan layouts
- Smooth, easy-glide folding panels
- Durable, water-resistant materials built for travel
- Sleek, contemporary finishes to match your interior

Upgrade your campervan bathroom with FOLdoûr—where space-saving design meets everyday convenience and style.
