PROVERBS 23:12

Celebrating Our High School Graduates

In the vibrant community of our church, the year 2024 marked a new chapter filled with hope and promise for our high school graduates. It was a year dedicated to nurturing their dreams and propelling them toward a future brimming with opportunities. The year began with our Annual Financial Aid Seminar, a beacon of guidance for students and parents navigating the complex world of scholarships, grants, and financial support. The Annual College and Career Fair in March was a bustling event. Students explored various colleges and career paths, interacting with representatives and professionals who ignited their aspirations. As spring blossomed, scholarship applications poured in. Our dedicated team meticulously reviewed each application, ensuring every deserving student received the support they needed to pursue their higher education goals.

June was a month of celebration. We proudly presented the 2024 High School Graduates to our congregation. These bright minds had the honor of meeting with Pastor T. Jefferson Rogers, who offered words of wisdom and encouragement. Participation in the Church's Ministry EXPO showcased their commitment to community service and spiritual growth. July was a month of rigorous preparation as students were given the opportunity to attend the "Admission Intensive Workshops" online through Davidson College in North Carolina. These workshops are geared to equip parents and students with essential skills for the college admission process.

In August, we began accepting profile forms from high school juniors and seniors. To enhance communication, we created a Facebook group, offering a convenient platform for students and parents to stay connected and informed. September was a month of firsts. We hosted our very first ACT Bootcamp, a training ground for academic excellence. Additionally, three of our students had the unique opportunity to partner with a local entrepreneur, gaining hands-on experience and receiving thoughtful gifts at the end of their shift.

October brought the inaugural Parent Empowerment Summit, in collaboration with Higher Ground Community Development. This summit provided parents with valuable resources to support their children's educational journeys. Students, parents, and scholarship team members also attended Open House events at Tuskegee University, Alabama A&M University, and Alabama State University. Students wrote essays about their campus visits. The students' essays reflecting on these experiences were a testament to their growth and ambition. November was dedicated to ensuring every student had a polished application. We assisted with writing letters of recommendation, creating, and editing resumes, ensuring each student presented their best self to prospective schools and scholarship committees.

As 2025 unfolded, we continued our annual events with renewed vigor. January through May mirrored the previous year's activities, providing continuity and stability for our students. June 7, 2025 saw the grand culmination of our efforts with the very first "Feasting With Our Future" Scholarship Banquet. This event, destined to become a cherished annual tradition, celebrated the accomplishments of our graduates and honored their journey with an evening of joy, recognition, and festivity.

In the tapestry of our church and community, these events have woven a narrative of success, resilience, and unwavering support. Our high school graduates stand at the threshold of their dreams, ready to embark on the next chapter of their lives, fortified by the foundation we have built together. They are *Our Future*!

SCHOLARSHIP MINISTRY

The Scholarship Ministry wishes to extend its heartfelt gratitude to every one of you for your unwavering support and participation in the Feasting With Our Future Banquet. This event, where we celebrated the remarkable achievements of the 2025 graduates of our church, was a resounding success due to your presence and contributions.

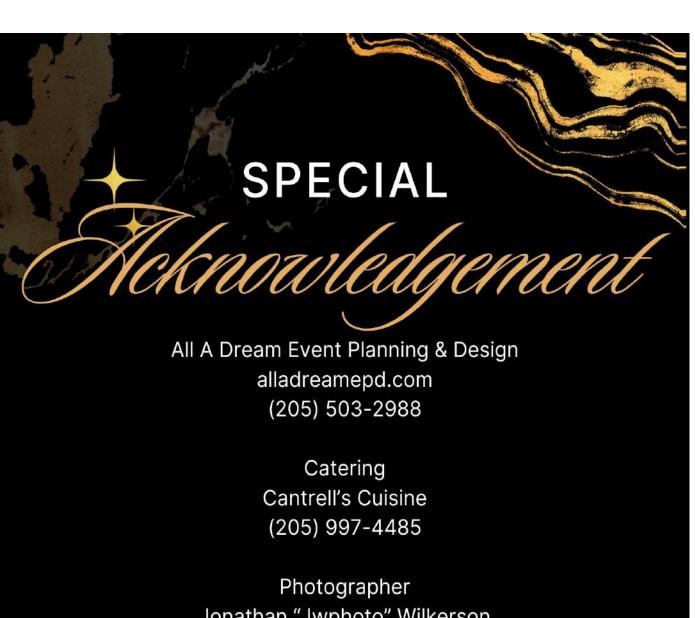

The role of family, including our cherished church family, is vital in the lives of young adults. Your encouragement, guidance, and love have provided the foundation upon which these graduates have built their dreams and aspirations. As they embark on new journeys, we are reminded of the profound impact that a supportive and nurturing community can have on one's growth and development.

Let us continue to keep in touch with our students, offering them the wisdom and strength they need as they navigate the challenges ahead. Rest assured that we will always be here for them, ready to lend a helping hand and a listening ear.

Thank you once again for making the inaugural Feasting With Our Future Banquet a success and for being a source of inspiration and support for our young adults.

With sincere gratitude and blessings,

The Scholarship Ministry
