# Welcome from NMAA Executive Director

**Sally Marquez**  
**NMAA**  
**Executive Director**

If there was one quote that best describes last school year and which can serve as the mantra for 2021-2022, it is one from the great French playwright, Molière, who said: *“The greater the obstacle, the more glory in overcoming it.”*

For over a year, the world has faced challenges that we could have never imagined. While a global pandemic was paralyzing in an abundance of aspects, we found that we have an innate resilience as human beings and that, if we come together, we can overcome any adversity that comes our way. This is especially true in terms of interscholastic activities and athletics.

While we saw seasons lost or condensed and missed performances, proms and graduations, we had a common thread that held us together – HOPE. We fought for student-athletes and student activity participants in order for them to have the opportunity to do what they love to do. We collaborated throughout the Land of Enchantment to find ways to move forward in the best interest of all of our students.

We lost battles along the way but we persevered. We became a united front, working together to overcome all that was thrown our way. There were tears, there was frustration and there was discouragement. We clung to hope and dug deep within ourselves to continue to fight and to rally for what we all love. Now, here we are, celebrating the very student-athletes we fought for, watching them participate in this culminating event.

The obstacle was great but, together, we overcame it. Soak this moment in as you cheer for your team and your community. Remember what it was like, starting in March 2020, when sports – and the world - came to a screeching halt and we desperately hoped for the day we would be back in this moment. Cheer for your teams and coaches. Applaud the officials. Be grateful for every single second of this state championship event, keeping in the back of your mind what it was like to go without these kinds of opportunities.

The glory in overcoming the obstacle that has been the pandemic is just part of what we are celebrating. This event is the time to be grateful for the student-athletes, coaches, officials, athletic departments and spectators who comprise the interscholastic family. Just like during the pandemic, remember that we are all in this together and we must celebrate this moment and this experience with a new level of appreciation and respect for the game and all of the people within it.

On behalf of the New Mexico Activities Association and our entire membership, thank you for your steadfastness and courage and thank you for supporting interscholastic activities and athletics in our state. May we celebrate the glory of overcoming such a large obstacle together and may we always Compete with Class in doing so.

Sincerely,

A handwritten signature in cursive script that reads "Sally Marquez". The ink is dark and the signature is fluid and legible.

# DAIRY HEALTH BENEFITS

## Dairy. Because Science.

*Countless studies over decades of research link dairy with major health benefits.*

---

### Feel Great

#### Your Bones

The high calcium in dairy may reduce your risk of breaking bones at any age: It helps kids build strong bones and helps prevent adults from losing bone.

#### Your Heart

Dairy is a great source of four nutrients doctors recommend for healthy blood pressure: protein, calcium, potassium and magnesium.

#### Your Risk of Diabetes

Drinking milk and eating other dairy foods as part of a balanced diet could help reduce your risk of Type 2 diabetes.

#### Your Immunity and Gut Health

Real dairy is a simple source of immune-boosting nutrients, such as vitamin A, vitamin D and protein. Additionally, fermented dairy foods like yogurt are linked to health benefits including reduced inflammation, improved digestive health and healthy immune system.

---

### Look Great

#### Your Weight

Trying to maintain a healthy weight? Dairy foods are nutrient-dense whole foods, rich in protein and other key nutrients, that can help facilitate healthy weight management.

#### Your Sports Recovery

Chocolate milk a sports drink? Heck yes. With natural electrolytes and the “golden ratio” of carbs to protein, chocolate milk is gaining attention from athletes and coaches due to some surprising research.

---

### Change the World

#### Sustainably Fighting Hunger

Dairy is proving to be a big deal in our search for sustainable nutrition – packed with crucial nutrients made affordable for hungry families and produced by dairy farmers who are constantly improving the efficiency and environmental friendliness of their farms.

#### Experts Recommend 3-Every-Day®

Americans get an average of two dairy servings per day, but we actually need about three servings to fill nutrient gaps.\*

# 2021 State Championship Recap

## LOGAN WINS FIRST STATE BASEBALL TITLE

The Logan Longhorns (15-1) captured their first State Baseball title in school history with a 16-7 win over the Gateway Christian Warriors (15-5) at the 2021 NMAA State Baseball Championships.

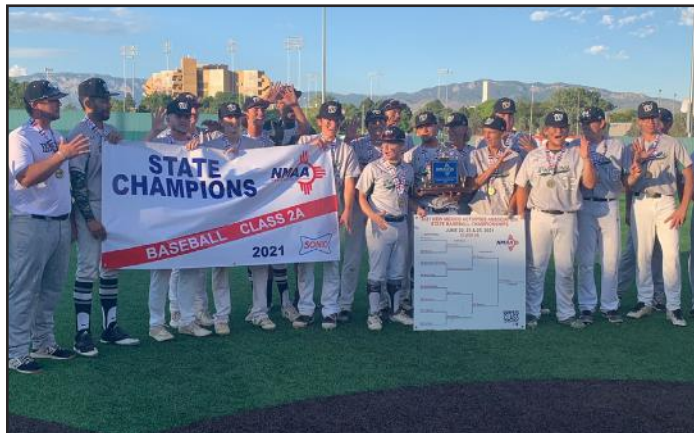

The Longhorns scored 16 runs on 12 hits, including a 4-for-5 performance at the plate by Park Strong, who hit three singles and a homerun in the sixth inning. His homerun was a grand slam.

The Warriors took an early 3-0 lead, scoring one in the first and two in the second inning. However, the Longhorns responded in the bottom half of the second with five runs, taking a 5-3 lead after two innings off play. Logan added one more in the third to make it 6-2.

Gateway Christian pulled within one run at 6-5 in the top of the fourth, off a home run by Hurley Breedyk, but Logan extended their lead in the bottom of the inning, scoring three to make it 9-5.

The Warriors added one more in the top half of the fifth but Logan was too much on this day, as the Longhorns added seven more runs over the fifth and sixth innings, winning the game 16-7 and hoisting the blue trophy overhead.

## TEXICO CAPTURES FIFTH STRAIGHT BLUE TROPHY

The Texico Wolverines (21-1) won their fifth straight blue trophy and the sixth in program history at the 2021 NMAA State Baseball Championships with a 9-5 victory over the Eunice Cardinals (15-5) in the 2A title game.

This also marked the fifth title under head coach Ty Thatcher. The Wolverines collected 15 hits in the game, as Seth Griego was 4-for-5 at the plate, including a three singles and first inning two-run home run to give Texico and early lead.

Texico added one more run in the top of the third but Eunice would pull within one run in the bottom of the inning, scoring two to make it 3-2 advantage Wolverines. The Cardinals took the lead in the bottom of the fourth with three runs, making it 5-3, as Chance Tucker, Zeke Benton and Gio Chacon all scored.

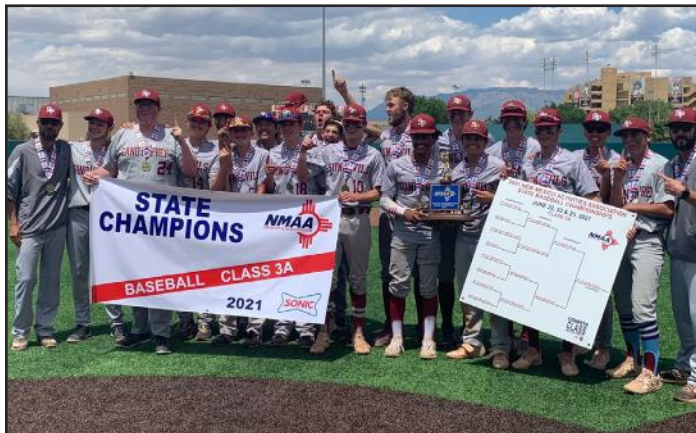

The Wolverines pulled back on top in the sixth with four runs and added another in the seventh to make 9-5. The Texico defense held the Eunice offense to no runs and just one hit over the last three innings of play, as the Wolverines hoisted the blue trophy for the fifth straight time.

## SANDIA PREP WINS 3A BASEBALL CHAMPIONSHIP

## ABQ ACADEMY WINS FOURTH BASEBALL BLUE TROPHY

The Sandia Prep Sundevils (19-4) defeated the Robertson Cardinals (13-8) in the 2021 NMAA 3A State Baseball Championship game, 2-1. This was the sixth state title in school history and the first for the Sundevils since 2016.

It was a pitcher's duel in the 3A title game, as Sandia Prep recorded seven strikeouts, six of which belonged to starting pitcher Issac Horstman. Horstman followed just one run on two hits in six innings of work. Robertson's starting pitcher Steven Pedro recorded seven strikeouts on the day.

The two teams were scoreless thru two innings before Sandia Prep scored two runs in the bottom of the third on a two-run home run by Samuel Treme. Robertson pulled within one at 2-1 in the top of the fifth but great pitching and a tough defense by Sandia Prep was too much for the Cardinals to overcome, as the Sundevils lifted the blue trophy.

The Albuquerque Academy Chargers (17-6) won in thrilling fashion over the St. Pius X Sartans (17-3) in the 2021 NMAA State 4A Baseball Championship game, beating the Sartans 8-7 on a walk-off double in the bottom of the seventh by Devan Johnson.

Through the first five innings of play the game was pitching duel as Academy's Henry Mitchell recorded seven strikeouts, while St. Pius X Matthew Cornelius collected five strikeouts.

The Sartans got on the board first with two runs in the top of the fourth inning, but the Chargers responded in the bottom of the fourth with three runs, as Academy lead 3-2 after four.

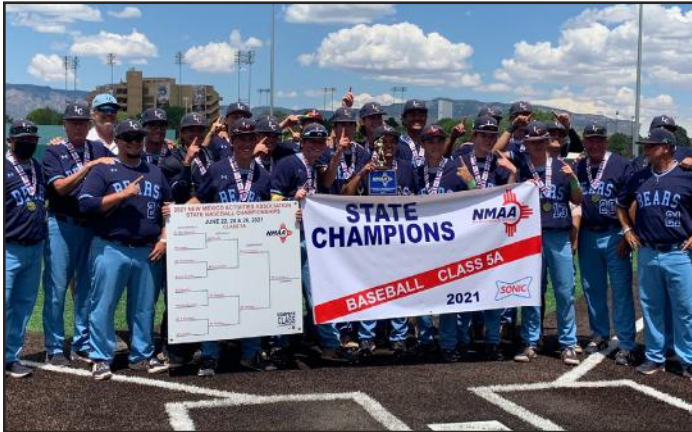

The Chargers extended their lead to 4-2 in the sixth and needed just three outs for the state title. The Sartans however would not go away so easily.

St. Pius X scored five runs in the top half of the seventh inning to take a 7-4 lead and seemed to have all the momentum heading into the bottom half of the inning. Academy cut the lead to 7-5 and then quickly loaded the bases with one out before Johnson hit a game-winning double to left center, giving the Chargers the win.

## LA CUEVA ADDS 11TH STATE BASEBALL CHAMPIONSHIP

as La Cueva added five more runs in the bottom of the second to go up 7-2.

La Cueva's pitching and defense took over from that point on allowing Hobbs to collect just three more hits in the game. The Bears would add two more runs in the third and two more in the fifth to extend their lead to 11-2.

Akili Carris and Ronan Hella each had multi-hit games for the Bears, as starting pitcher Max McGaha threw sixth and two-thirds, allowing two runs on five hits and striking out four batters.

The La Cueva Bears (18-5) captured their 11th state title in the sport of baseball at the 2021 5A State Baseball Championships with a victory over the Hobbs Eagles (20-3), 11-2. This was also the fourth title for the Bears under head coach Gerard Pineda and the first since 2018.

The Bears scored first in the bottom of the first inning with two runs but the Eagles quickly tied the game at 2-2 in the top half of the second. The score, however, would not remain tied for long
