Your Opportunity Connection

June 2026 Issue

**OPPADS
MAGAZINE**

Published Monthly By:

Mike Baker

Welcome to our latest issue. And Welcome to June.....Summer officially begins on Sunday, June 21, 2026. I hope you enjoy your summer months, but don't get so distracted with summer activities that you forget about your home business. If you do, business will suffer for months to come.

Lots of new programs, services and products are being introduced every day. There are more opportunities than ever to help you earn extra income. You can check out many of them in the pages of this magazine. And once you find that new program, be sure to advertise it here next month.....and the following months.

There are also many changes in the realm of extra income and work from home opportunities. AI (artificial intelligence) has entered the room, and looks like it is here to stay. The world of publishing as it relates to mail order and extra income opportunities, has definitely changed. There are fewer postal reliant publications and more "online" internet publications and websites.

Many people don't like change, but when the rest of the business world is changing, you need to get on board, or you risk getting left behind. It seems like every month, I am faced with making changes and tweaks to my business just to keep up.

With the postage rates going up again, we will be forced to make some more changes just to keep up with those.

But, in the midst of all the changes, summer arrives and it seems that life gets a little easier and a little less hectic for a while.

I certainly hope you enjoy your summer and that you'll remember to check in on us here every now and then. Until next time.....**MIKE**

"The Big 50!"

**Receive Cash From The Big 50!
HOW? See Details Below.**

There are 2 people listed below, these are your 2 sponsors. These are the two you send \$50 to, one time. Once you are a member, your name and address will be added to the list in the 1st position. Your sponsor will move to the 2nd position. You will send out copies of this same letter to get your members. Each one you sign up earns you \$50. And get this, they will be using this same letter with their name in the 1st position and yours will be in the 2nd position on their flyer and as they get their members, you will receive another \$50. This could get "HUGE" because your name remains in the 2nd position on their flyer and as long as they mail, you keep receiving \$50, the same as your flyer, you are always in the 1st position. Of course, as others join you, you are moved to the 2nd position, but on your flyer, you are always in the 1st position.

What if you got 10 people and they each got 10 or more. You could be receiving into the thousands and possibly more! What if you got more than 10, as it is unlimited! Plus, you receive from being in the 2nd position on others flyers, this way no work on your part. Now they are working for YOU ... WOW!!

Upon joining, you will receive a new master copy of this page with typesetting complete, instructions on how to continue, a helpful hints guide and a mailing list of 90 names on peel & stick labels (our products) to help you get a quick start. STAMP GENERATOR

INCREDIBLE NEW BROCHURE PULLS 25% ORDERS!

The United States Government says there are many Mail Order operators that make \$40,000 a year. What they don't tell you is how much of that money went for postage. Stamps can eat up 50 percent of your profits. What if you could eliminate the cost of postage and keep all the money as your profit? Well now you can! The "FRANKLIN STAMP GENERATOR" makes this possible for you! You simply send your customer copies of what you receive in the Franklin Stamp Generator. That's all there is to it!

THE BEST IS YET TO COME . . .

THERE HAS NEVER BEEN ANYTHING LIKE THIS BEFORE because this is the easiest and most profitable stamp generator you will ever lay your eyes upon. Now, you have your very own side-line stamp business and work it along with whatever else you are doing with no additional investment in inventory, time or labor.

ALMOST EVERY 4TH CIRCULAR YOU MAIL WILL BRING BACK 50 FIRST CLASS STAMPS. OTHER MAILINGS GET ONLY 2% TO 3% SALES RESPONSE. WE GET BETTER THAN 25% RETURNS.

That is correct. This is the most powerful mailer there is. There has never been anything like this because of its incredible success. A test of your own will show that you will receive at least 25 customers for every 100 circulars that you send out! *Amazing but true.* Now you can *generate an abundance of stamps* day in and day out - all year long.

THE AMAZING "FRANKLIN STAMP GENERATOR"

The cost of the "FRANKLIN STAMP GENERATOR" is only 50 First Class Stamps, but it is worth much, much more than that because of its tremendous success. Don't let the small cost fool you. This is an opportunity that you just can't afford to miss. Don't let it pass you by. You won't receive this offer again. This is what you have been waiting for - that is if you wish to **NEVER BUY ANOTHER STAMP AGAIN!**

GET THE STAMPS YOU NEED WITH THIS TAG-ALONG HOME BUSINESS BUILDER.

TRY THIS TEST. Send out 100 circulars a week for a month, that's 400 brochures. You should receive about 100 responses in a steady, never-ending stream. This should bring you 5,000 stamps a month if you only send out 100 flyers a week! The success of the "FRANKLIN STAMP GENERATOR" will knock your socks off when you are receiving a cornucopia of stamps every day! **5,000 a month "GUARANTEED"!!!**

WORK FROM HOME...

Get paid \$2,500 weekly stapling booklets at home!!!

Do you need a genuine opportunity to make up to \$2,500.00 and more weekly? Now you can work from home and get paid up to \$2,500 weekly for stapling simple booklets in your spare time from home. And you will get paid for every booklet you staple **GUARANTEED!**

Try out my system "**Get Paid Stapling Booklets From Home**" and you will learn my secrets and get paid for every booklets you staple from home. This is a "chance of a lifetime" is truly head and shoulders above the rest. What other opportunity offers you the chance to get paid **\$2,500 weekly?** And don't forget...once you put my system in acting you will start getting paid for every booklet you staple from home.

As an Independent Homemaker, you will be doing something so simple as stapling booklets from home, this is really something a 10-year-old child can do. And you can do this in your spare time from your kitchen table and get paid \$2,500 for doing easy work from your home.

Best of all (*hold on to your hat!*) You'll received your payments before you mail the booklets! You will not mail the booklets and THEN get paid. You'll get your money **upfront!** And since you'll be working from home, we suggest that you select a table to use for stapling the booklets. Your kitchen table will be perfect for this kind of work when you're not using it for dinner, this is really easy money.

Each booklet to be stapled consists of 5 to 15 pages. From our experience you can probably staple an average of 50 booklets in two hours. **That is \$250.00 to \$750.00 for two-hour work.** However, although we'll ship you all the material in one shipment, you'll not be required to put together and staple all the booklets at one time. You'll just staple booklets as per requirements.

If you're required to staple 20 booklets today then you staple 20 booklets, if you are required to staple 50 booklets another day, then you staple 50 booklets and so on. Or you can staple as many booklets as you can and mail them as they're required, this is so simple to do.

Another reason that this system is great because it is **NOT** a job! This is an opportunity for you to be in charge! You will never have to answer to some loud nagging penny-pinching boss who treat you like he OWNS you. Instead, you will be able to "write your own ticket!" When people ask you if you like your boss, you'll be able to look them right in the eye and say. **"IM THE BOSS!"**

There just isn't any better feeling than being able to tell people that you're the captain of your own ship. But let me warn you-your neighbors and friends might just "get a little jealous" when they see how well you're doing.

The amount of money that you'll make with this system is **incredible.** It

will give you a whole new life. Sadly, most people have to break their back on a regular basis just to get by.

Your days away from being able to say good-bye to the idea of "just getting by"! From now on, **it's going to be first class all the way!** You're going to be able to get the best no matter where you go! Isn't it about time you got treated like a king?

When you start stapling booklets from home, you're going to work a whole lot easier than you've ever worked before! That's right! **You'll be making WILD amounts of money by doing simple easy work!**

If you order my system "*Get paid stapling booklets from home*" you will receive complete simple instruction with everything you need to get started immediately getting paid \$2,500 weekly from home.

MONEY ORDER MAGNET PROGRAM

Do you want hundreds of \$10.00 money orders to fill your mail box? Below are five people just like you that want the same thing. This is a fast moving program, because everyone on the list will be mailing flyers with your name on them. Once you get this started, you can't stop it if you wanted to. Here's how to get started. Purchase five money orders for \$10.00 and ten stamps for each person on the list. Fill in the money order with everyone's name and send the money orders and the stamps to the program administrator. He will send out the money orders in the next day's mail. He will use the stamps to professionally laser typeset your flyers and send them to you flat in a protective sleeve using a 9 X 12 envelope so when you print them, you get a professional looking flyer. Just mail 10 to 15 flyers daily and watch the money orders start coming in. You will be amazed how well this works with everyone helping each other by mailing just 10 to 15 flyers daily. Doing just a little will have your mailbox full of \$10.00 money orders.

#1 Send a \$10.00 money order (filled out) for Joe Taylor & 10 stamps.

#2 Send a \$10.00 money order (filled out) for John Lach & 10 stamps.

25 members	x \$5 each = \$125
125 members	x \$5 each = \$625

SUPER CASH GENIE!

HE'S
GRANTED
YOUR WISH
FOR
"MORE MONEY"!

UPGRADE YOUR WAY TO BIGGER PROFITS!

Watch As Your \$100 Commissions Grow Exponentially!

Here is an "OPTIONAL" upgrade offer to **THE ALL CASH GENIE**, with **MORE AND BIGGER CASH PAYOUTS!** You have received this page either for your consideration to join THE ALL CASH GENIE and SUPER CASH GENIE, or because you are already a member of THE ALL CASH GENIE and wish to upgrade to EXTRA streams of income with \$100 CASH COMMISSIONS! It works the same as THE ALL CASH GENIE (a Reverse 1-up program) with 2 small exceptions. First, to participate in & upgrade to SUPER CASH GENIE, **one must already be a participant in THE ALL CASH GENIE.** Second, commissions and pass-ups go ONLY to those qualified to receive them. To qualify, first join THE ALL CASH GENIE program so that you can receive unlimited \$50.00 cash commissions. Then, simply pay a **one-time program cost of \$120.00 cash or money order to upgrade to SUPER CASH GENIE** and to be eligible for unlimited \$100 cash commissions. Let's simplify this a bit... Suppose you have upgraded to SUPER CASH GENIE (totally optional on your part). You're now qualified to receive \$100 payouts from those you personally sponsor and those who pass up to you (except the 2nd personal, which passes up to your sponsor OR THE NEXT QUALIFIED UPLINE who is a member of SUPER CASH GENIE). In other words, say you sponsor Sue. Sue joins THE ALL CASH GENIE but doesn't want to upgrade at this time. That is perfectly fine. Sue will receive \$50 cash commissions that she earns from her program sales. Now say Sue sponsors Joe, who not only joins THE ALL CASH GENIE, but also upgrades to SUPER CASH GENIE. Since Sue is not in SUPER CASH GENIE, she will NOT receive the \$100 commission, but it will pass up to YOU instead, because you are the first qualified upline above her to receive the commission. You will continue to receive all of your \$50 commissions from the ALL CASH GENIE, but can now receive additional streams of \$100 from SUPER CASH GENIE as well! That means more pay lines and more pass-ups, which means MORE MONEY! Rush a copy of this flyer with payment for the option you are choosing below to:

- OPTION 1: Yes! I like THE ALL CASH GENIE program and wish to join! I am opting out of upgrading at this time, but understand that I may upgrade at any time in the future simply by paying the cost of the SUPER CASH GENIE program (\$120). Here is my payment of **\$60.00 (cash or money order only) + 10 FOREVER STAMPS** to join THE ALL CASH GENIE!
- OPTION 2: I am already in THE ALL CASH GENIE, but wish to upgrade to larger \$100 cash payouts with SUPER CASH GENIE! Here is my payment of just **\$120.00 (cash or money order only)** to join this exciting upgrade offer!
- OPTION 3: I am not in either program yet, but wish to join them **BOTH** for **MAXIMUM PROFIT** and **INCOME STREAMS!** Here is my **DISCOUNTED PRICE** to join both programs of **\$170.00 (cash or money order only)**! That's a fast and easy bundle savings of **\$10.00 and ten stamps** over the actual cost of joining each program separately!

Join The Most Powerful 2-LEVEL Money-Making Program On The Market!

TAP INTO THE WORLD'S MOST POWERFUL MONEY-MAKING CONCEPT!

Dear friend, years ago I created a "very successful" Direct-Mail program that helped many people make a lot of money! I modified a unique comp-plan to simulate the **Power-of-Compounding**, and tap into this powerful concept! **And boy did it ever!** We literally had members receiving **25 to 50 "money-orders"** in a single day! Some receiving more! One member received over **306 money orders** in a three month period! Now I've brought the "original" concept back to the marketplace! It pays **Cash & Stamps!** If you can refer just **3 people**, you can start a "compounding-money-machine" of **\$40 Money Orders & 20 First-Class Stamps!** Believe me! **This Is A Powerful Cash-Generating Concept!** So get started today! **Get A FREE 100 Piece Mailing!** -- **You Don't Want To Miss Out On This One!**

Earn \$40 & 20 Stamps For Every Person!

Earn \$40 & 20 Stamps for "every" person & personal referral! All personal referrals will be attached to you (except the first two) FOREVER! **This is a very important feature!** So when they make money! **You make money!** They make \$100, \$500, \$1000! **You Make \$100, \$500, \$1000!** And so on! **This also applies to the people on your Compound Infinity Pay-Lines!** - POWERFUL!!!

Earn \$40 & 20 Stamps That Double To Infinity!

Earn \$40 & 20 Stamps from "every" person on your 2-Level Compound Infinity Pay-Line! You can have multiple pay-lines starting with your 3rd personal referral! **What's Possible?** If just "one" Pay-Line doubles with a "minimum" of just "two" people who did the same every month for 12 months. You would earn: **\$163,840 & 81,900 Stamps** for the year! What if 10, 50 or 100 Compounding Pay-Lines? **MEGA MONEY & STAMPS!**

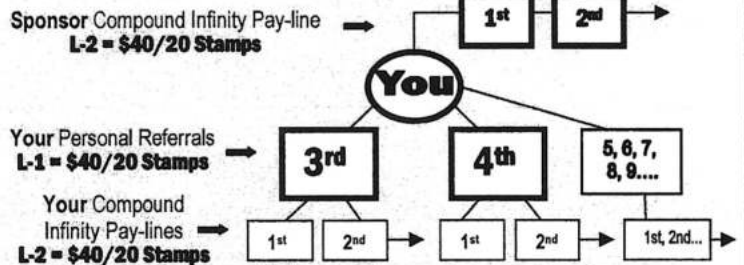

THE POWER OF COMPOUNDING - If you could double a penny every day for 36 days, you would have over **\$320,000,000!** That's 1/3 of a billion dollars! Just by doubling a penny! **That's the Power-of-Compounding!** The **100FOLD INCOME** opportunity uses a simple ingenious 2-Level "forced-width" pay-plan that simulates the power-of-compounding by doubling the first "two" of every first "two" members to infinity!

HOW DOES IT WORK? - We told the computer to place ALL the money on just Two-Levels! **\$40 & 20 stamps on Level-1 & \$40 & 20 stamps on Level-2.** Say you refer 4 people. (See pay-plan) The first 2 people (1st & 2nd) (not the money) are gifted to your sponsor's 2nd-Level Compound Infinity Pay-line. The 3rd & 4th person are placed on your 1st-Level. You and your sponsor would each earn: **\$160 & 80 Stamps.** All subsequent personally sponsored members (starting with your 3rd person) are placed on your 1st level. Now you'll receive the first "two" of each one of those member's first "two" people - **TO INFINITY!** (These are your **Compound Infinity members**) Also, **VERY IMPORTANT!!** Because you are always attached to these members! **YOU GET MONEY AND STAMPS EVERY TIME THEY MAKE A SALE!** So you make money anytime a sale is made from anywhere in your network of personally sponsored members, and your **Compound Infinity Pay-line** members! Over and over again! How many sales could happen in one day? **3, 5, 10, 50..???** Again, **You Don't Want To Miss Out On This One!** So don't wait! **Send your order in today!**

The Powerful "Reverse 1-Up Compensation Plan"

(Explained in about 2 Minutes)

It's Simple, Straight Forward and Very Easy to Understand.

Plus, It is Extremely Profitable!

With a Reverse 1-Up, you get to keep the commission from your first sale. EVERYONE keeps the commission from their first sale! You pass up your second sale to your Sponsor. Then you keep every single DIRECT SALE you make after that forever, without limits!

That is the ONLY "Pass-Up" that you will ever make for each DIRECT REFERRAL. That is why it's called a "Reverse 1-Up" comp plan. They call it such because with a typical "1-Up" comp plan, you must pass up your very first sale, but in a "Reverse 1-Up", YOU KEEP YOUR FIRST SALE! That's pretty cool, right?

Here's what's also very cool... Everyone you personally refer that joins the program, also passes up THEIR second sale to YOU!

- And THOSE PASS-UPS also pass-up to you THEIR second sale!
- And then THOSE PASS-UPS also pass-up to you THEIR second sale!
- This is called a "receiving line" or a "freedom line", and it goes on to INFINITY! It's basically a pipeline of continuous, passive cash flow!

That pipeline of cash flow can generate an unlimited number of commissions to you – **AND THAT'S ONLY ONE PIPELINE!!!**

There is NO LIMIT to how many DIRECT REFERRALS you can create. And ALL OF THEM will Pass-Up THEIR second sale to you! And ALL OF THEIR PASS-UPS will also Pass-Up THEIR second sale to you!

Are you starting to see the enormous amount of unlimited passive cash flow that can be created from just ONE referral?

Hopefully, you are now able to picture what kind of passive income you can create with this simple Reverse 1-Up plan if you personally refer 100 people to your frontline and every single one of them represents a potentially endless "Pipeline of Cash Flow"!

SUMMARY:

Now you understand how powerful the "Reverse 1-Up" compensation plan really is! So, with that being said, this program is the ultimate "NO BRAINER" because you can create MULTIPLE PASSIVE CASH INCOME STREAMS. So, what are you waiting for??

Join us TODAY, and let's all get wealthier together!

How to Be Your Own Private Investigator

PI's Tips and Techniques You Can Use

Private investigators (PIs) have long been portrayed as shadowy operatives wielding high-tech gadgets and “secret” techniques. In reality, most of their work hinges on disciplined observation, clever use of publicly available information, and strict adherence to the law. This report demystifies the most common investigative tools, explains how they can be replicated safely by anyone, and highlights the legal boundaries you must respect. By the end, you will understand how to conduct a **covert, ethical, and fully lawful** inquiry into matters such as a suspicious spouse, a potential fraud, or a missing person.

Our comprehensive 6 page report delves into the “secret” techniques used by Private Investigators. Many of their methods can be copied and used by anyone. This report will guide you in doing just that.

You will be shown how to set up an investigation, how to find and use publicly available resources, and how to gather information. And most importantly, you will be shown how to do this legally.

This professionally prepared report is crammed with clear, concise information that you can use in everyday situations.

You will also be guided as to when you might need to hire a professionally licensed private investigator.

As a Special Bonus, you will also receive three sources of **Free** study courses and videos to further your learning about this exciting subject.

To obtain this informative report by first class mail, simply send \$6 cash + 3 first class stamps to the address below. Your report will be sent to you by First Class Mail.

Stick With It!

In this life, most people fail at most things, because they don't stick with it! People fail at diets, entrepreneurial plans, New Year's resolutions, relationships, and many other things, because they don't stick with it! Even in this exciting business of mail order, and making money from home... most people fail because they choose what looks like a great and worthwhile program, however, they don't stick with it! How many times have you received a flier from someone and then a month or two later, you receive another mailing from them with a *totally different* program? You perhaps remembered their name because you liked the sound of it, or they live in a city you always wanted to visit, or perhaps their town has a unique name, or maybe you recognize them as a "heavy hitter" in this business. Whatever the reason, you know they've sent you a different flier a month ago, or even a week ago. Why are they sending you a new flier? It is because they already *gave up* on the last program. They did not stick with it! We have always heard it said, since our childhood, "Quitters never win, and winners never quit!" The winners win because they stick with it! Whatever it is!

Here is a fabulous program, and if you do stick with it, you shall finally succeed at earning more cash in your mailbox than you ever dreamed possible! When you get your camera ready copy, don't burn up your computer printer and ink supply, and don't pay ten cents a copy. Go somewhere and get 1,000 or 2,000 or 5,000 copies made! Naturally, you cannot afford to mail that many *all at once*, but every week you can mail out 20 or 50 or 100. If you and everyone else would keep mailing until they've received 10 responses while they are in the bottom position, then look what happens:

You would have \$200 coming to you while in the bottom position, \$2,000 while you're fourth on the list, \$20,000 when you reach the third position, two hundred thousand when you are second on the list, and third grade math will help you figure out the top figure when you reach the first position! BUT, *this can only happen* if YOU stick with it and the other people you bring in also stick with it and so on! *Aesop* taught us that "slow and steady wins the race." The slow tortoise won the race because he knew to stick with it! We all know people who started a diet, and did not lose the weight they desired to lose, because they did not stick with it! So many things in life could be better for people, if only they would learn to stick with it! So, as successful as this program has already become, please only join if you'll plan to stick with it! We don't want quitters, we only want winners! Even if you've never won before with mail order or any other work from home opportunity, you can win with THIS if you **STICK WITH IT!**

To join: You simply make six copies of this flier, and you send a copy and a twenty dollar bill to each of the six folks listed. One is a *monitor* who keeps the program running smoothly. They also send you a camera ready copy of this flier with your name and address in the fifth position. Then you make a bunch of copies, and start mailing them out, and here's the big, important ingredient; **stick with it!** Many mail order programs are found to be flawed because they seem like nothing more than a chain letter or "money game." This is neither, because for your \$120 you will soon receive 120 names and addresses of "opportunity seekers" on peel and stick labels (the product- a mailing list!) and several of these participants will also send you other useful information about various ways to make money from the comfort of your home. Those opportunities will also work if you stick with it!

The Danger of Inflation and How Your Business Can Survive It

Most economies are facing severe recession. Life is getting increasingly unaffordable. Your business may have been doing reasonably well, but with inflation things are different. Why is inflation so dangerous for your business?

Businesses that are unable to adjust for inflation collapse. Why? Inflation means prices go up. Costs of equipment, material, and services go up. The general increase in prices means that companies need to increase wages.

If you increase your employees' salaries when your profits are not growing or even when they are falling, your business will collapse. A company stuck between rising prices, and falling profits will go out of business. How can your business survive it?

Not every business suffers during inflation. It is possible for your business to survive this inflation and come out of it better. We'll share some tips for how you can do it.

Try These Tips To Help Your Business Survive Inflation:

- 1. Review your prices.** Your company needs to find ways to adjust to inflation. The simplest way to do this is to raise the prices of the goods or services you provide. The problem is that higher prices could push customers away, especially if your competitors have not raised their prices.
 - ◆ A solution you could try is to reduce product size. For example, If you used to produce a liter of juice for 10 dollars, you could adjust for inflation by keeping the price the same and reducing the size of the product.
 - ◆ Or you could raise your prices but at a smaller margin than your competitors have so that you can attract customers.
When there is inflation, customers try to save on every cent. A slight difference in price between you and a competitor could be what keeps you in business.
- 2. Review your spending.** You may be in a hurry to cut costs and save money. But don't be in a hurry to cut back without first knowing where your money is going. Random significant cuts might cost you more in the long run. You need to make strategic cuts. How do you do this?
 - ◆ **Look at your biggest spending. What costs your business the most money?** Once you have identified that, remove anything that's not a necessity. Look for a better phone, internet, and power plans. Draw a budget and stick to it. Buy in bulk to enjoy better pricing.
 - ◆ Keep a list of everything you spend. Research prices before you make a purchase. **Cutting**

costs is one good way to survive inflation.

3. **Make more money.** To make more money, you need to increase sales. Try different marketing strategies. You need to strengthen your brand, increase your customer base, and diversify. Your business can better survive if it enters a more profitable market.
 - ◆ Watch out for trends your business can hop on to spike your profits. You can offer a new product that customers are more likely to purchase. **Rent out any extra office space you may have.** Keep trying different techniques to make more money.
 - ◆ Set clear business goals and work towards them. When profits are not rolling in, your goals are what will keep you motivated.
4. **Reduce your debt.** Pay off any loans you may have as soon as you can. When there is inflation, your debts are worth less, as money is losing

value. It's an excellent time to get rid of any business loans you may have.

- ◆ If you wait too long to pay them back, paying your debts after inflation could lead to bankruptcy because you wouldn't have enough to go around.
5. **Increase salaries and outsource.** Your employees will be struggling with rising prices too. Most of them will seek a second job to supplement their income. That means they'll either be tired or come to work late and leave early.
 - ◆ Their productivity will be reduced. **If you're turning a fair profit, keep your workers happy to keep them productive.** Otherwise, outsource the work that you can. That kind of labor often comes cheap.

Well-run businesses can expand and even thrive during inflation. Inflation doesn't happen all at once; if it's started now, it can worsen.

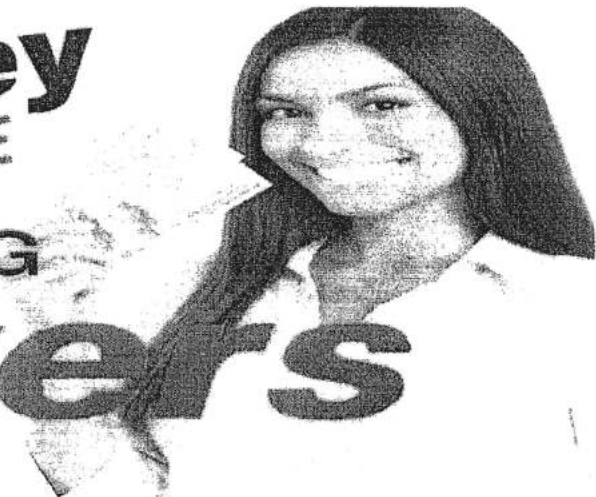

Remember the tips provided here: **consider your pricing, audit your spending, increase profits, reduce your debt, and pay your employees well so they continue to be productive and happy.**

If you follow these tips, your business will perform better even in these unusual financial times.
