## THREE DELICIOUS NEW GLUTEN FREE FLAVOURS YUMMMEEEEEEEE!

# THE MILLER'S GUIDE TO TOPPINGS

**HUMMUS** Lebanese chef, Ramzi Choueriri, made the world's largest ever bowl of hummus in 2010, when he whipped up more than ten tons of the stuff. Ramzi presumably also has the world's largest fridge.

**CAVIAR** Alexander the Great's conquering armies marched for over 1500 miles before reaching the Caspian sea. Famed for its caviar, the journey there was certainly a tough row to roe, even for those surnamed 'the Great'.

**SALAMI** Roman Legionaries were paid in salt, and this 'salary' preserved meat, in much the same way that salami is cured today. However, it is believed Romans would cut their salami using a pair of Caesars.

**HAM** A ham, mustard and cracker pairing is a timeless classic that is simple and satisfying. Provided you don't make a ham-fisted attempt at putting it all together of course.

**TUNA** The average Atlantic bluefin tuna can grow to a whopping 6ft in length. However, just a small portion with a little mayonnaise and a Miller's cracker is all you need to satisfy the average human.

**AVOCADO** A 'food porn' favourite, up to 3 million photos of avocado on toast are uploaded to Instagram everyday. King Louis XIV was an early influencer; he ate Avocaços believing they might restore his ailing libido.

**PASTRAMI** The spiritual home of Pastrami is Katz's Deli, the setting for Meg Ryan's famous scene from 'When Harry Met Sally'. This is your chance to have your own "I'll have what she's having" moment.

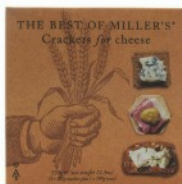

The Miller's family of crackers to partner fine food.

Miller's Elements, Miller's Toast, Miller's Harvest & Miller's Damsel.

FOR HOME COOKS, HEAD CHEFS  
AND EVERYONE IN BETWEEN

15 years ago, we started hunting with truffle experts in the Sibillini Mountains in central Italy. Ever since that date we wanted to share the unique, umami taste of truffles with those who are just as passionate about flavour as we are. Sourcing only the finest secondary ingredients, we've developed a luxurious collection of truffle products for gourmet food lovers worldwide.

# 120 YEARS DEDICATED TO TOMATOES

Great taste without compromising on quality, sustainability and respect.

For the highest quality, we pay our farmers 10% above market average and use only perfectly sun-ripened 100% Italian tomatoes.

We prioritise uncompromised quality – we conduct over 600,000 quality checks per year – from in the fields, all the way through the production and the end product.

All our tomatoes are processed within 24 hours of harvest to best preserve their fresh taste, allowing us to offer a full and varied range of high quality products.

# AUTHENTIC ITALIAN PASTA

## BRONZE DIE SELECTION

"The Molise Region remains unpolluted. Here, in the heart of Matese mountain, mother nature provides pure water the first essential ingredient of our pasta. La Molisana devoted its first century to achieving an excellent pasta by selecting, only the best quality durum wheat, the second essential ingredient of pasta la Molisana, certified by the Ferrò Family

millers since 1910. They transform it into the purest semolina, that you will find in this amazing pasta. The integrated ability of millers and pasta makers, the undiscussed superiority of semolina and water will revive the magic that arises when the Italian art of cooking meets these true masterpieces."

These are the Terms and Conditions of Business of The Gorgeous Food Company ("We", "Us", "the Company", "the Seller") as of 1st January 2024. The Gorgeous Food Company is a trading name of The Gorgeous Food Company Ltd, Company No: 06606598, VAT No: 935115733, Registered Address: 17-18 Corinium Business Park, Speculation Road, Forest Vale, Gloucestershire, GL14 2YD. Any orders accepted from the Buyer ("the Customer", "You") are subject to these Terms and Conditions of Business. These Terms and Conditions apply in preference to and supersede any Terms and Conditions referred to, offered or relied on by the Buyer whether in negotiation or at any stage in the dealing between the parties with reference to the goods with which this contract is concerned. We are unable to accept conflicting Terms of Purchase, which are hereby excluded. All orders placed by the Buyer shall be deemed to be conclusive evidence of acceptance of these Terms and Conditions.

#### Description

Any description given or applied to the goods has been given by way of representation only and the use of such description shall not constitute a sale by description. For the avoidance of doubt the Buyer hereby affirms that no reliance was placed on any description when entering into the contract.

#### Liability

No liability of any nature shall be incurred or accepted by the seller in respect of any representation made by the seller or in respect of any express term of this contract, or on its behalf of the buyer prior to the making of this contract where such representations were made or given in relation to the correspondence of the goods with any description, or the quality of the goods or the fitness of the goods for any purposes whatsoever. Each provision of the clause is to be construed as a separate limitation applying and surviving even if for any reason one or other of the foregoing provisions is held inapplicable or unreasonable in any circumstances and shall remain in force notwithstanding termination of this contract.

#### Payment & Accounts

The Buyer's initial three orders are to be settled by pro-forma invoice. Subsequent orders may be accepted on a credit account subject to relevant checks and trade references. All invoices must be paid within 30 days from date of issue. If payments are not received by the due date, we reserve the right to remove any credit facility and charge the Buyer interest at 8% above Bank of England base rate for every calendar month until all outstanding amounts are paid in full. For this calculation the calendar month which the account should have been paid is included. Any bank charges incurred, such as unpaid or returned cheques will be passed to the Buyer. We also reserve the right to refer the Buyer's account to an external debt collection agency if invoices remain unpaid, in such cases any costs or charges incurred by so doing will be passed to the Buyer. In any case We reserve the right to suspend or terminate trading with the Buyer on these Terms and Conditions if it is in the Company's opinion that there is a deterioration in the Buyer's creditworthiness. We also reserve the right in our absolute discretion at any time to insist upon payment by means of cleared funds before providing goods, notwithstanding any subsisting agreement to provide credit to the customer. The Seller is able to accept payment for goods by way of bank transfer, direct debit, credit card or debit card.

#### Title

Until payment for the goods is made in full, the goods shall remain the property of the Seller, but the risk therein and all liability to third parties in respect thereof shall pass to the Buyer on delivery. The Buyer shall keep the goods in such a manner that they shall be identifiable by the Seller. The Buyer may sell the goods in the normal course of its' business but in a fiduciary capacity as bailee of the goods shall hold and pursue all claims for the proceeds of their sale equal to the price of the goods for and on behalf of the seller. In the event of non-payment by the Buyer by the due date, the Seller shall be entitled in addition to all other rights to enter any premises where the goods may be and recover possession of them.

#### Prices

All prices shown in Pounds Sterling are strictly net and are subject to change without notification. Every effort will be made to maintain prices but variations in costs and/or currency exchange rates may necessitate immediate price changes and all orders are placed on this basis. Without prejudice to the generality of the foregoing, any change in the applicable rate of VAT or of any other Government tax or levy shall be applied to the Buyer's account.

#### VAT

Products subject to VAT at a rate of 20% (subject to Government changes as referred to in the previous clause) are so marked in the VAT column of the invoice. All other products are subject to zero rates and indicated accordingly.

#### Delivery

We offer free delivery on orders over £150 net delivered to UK mainland addresses and £250 net delivered to addresses in the Scottish Highlands and Islands, Northern Ireland, Isle of Man and Channel Islands. Orders under the minimum for free delivery will be charged at £9.99 + VAT for mainland UK and £19.99 + VAT for non mainland UK. For orders outside of these specified areas, please contact us to discuss delivery charges and timescales. Any delivery dates given are approximate and late delivery will not be an acceptable reason for refusing products unless the Seller is informed in writing before the products are dispatched.

#### Claims

All products must be checked upon receipt and any shortages or damaged goods must be marked on the delivery note at the time of delivery and a claim in respect of any such shortages made immediately by telephone and confirmed in writing within 24 hours of receipt of the consignment.

#### Sale or Return

The Seller does not offer goods on sale or return basis and no employee of the Seller is authorised to accept orders on a sale or return basis. It is therefore the responsibility of the Buyer to sell the products prior to the expiry of any "best before" or "use by" date. The Seller's stockholding and distribution systems are designed to allow stock to be dispatched in date rotation order. No products are to be returned to the Seller without the prior agreement in writing of the Seller. Unless such agreement is obtained no credit can be issued. Credit cannot be given for products that are price marked

#### Cancellation

No order which has been accepted by the Seller may be cancelled by the Buyer except with the agreement in writing of the Seller and on the terms that the Buyer shall indemnify the Seller in full against all loss (including loss of profit), costs, damages, charges and expenses incurred by the Seller as a result of cancellation.

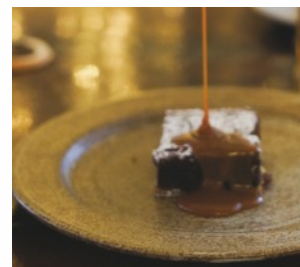

#### Force Majeure

The Seller reserves the right to defer the date of delivery or to cancel the contract or reduce the volume of goods ordered by the Buyer (without liability to the Buyer) if it is prevented from or delayed in the carrying on of its' business due to circumstances beyond the reasonable control of the Seller including, without limitation, acts of God, governmental actions, war or national emergency, acts of terrorism, protests, riot, civil commotion, fire, explosion, flood, epidemic, lock-outs, strikes or other labour disputes (whether or not relating to either party's workforce), or restraints or delays affecting carriers or inability or delay in obtaining supplies or adequate or suitable materials, providing that, if the event in question continues for a continuous period in excess of sixty days, the Buyer shall be entitled to give notice in writing to the Seller to terminate the contract.

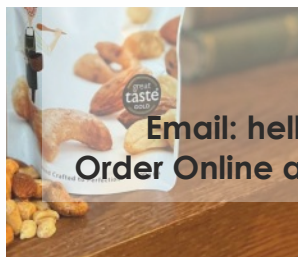

#### Privacy

In order to offer an efficient service We need to collect and hold some information from You. The information held is to allow Us to accept and complete orders and collect payment. We do not give, hire or sell information to third parties. We may wish to contact you in the future if there are products that We believe may be of interest to you.
