We've also added a number of new producers including Harris & James, Oatopia, The Saucerer, Previns and The Drink's Bureau.

Ordering from us couldn't be easier, simply call, email or order online and one of our team of gorgeous people will take care of everything else!

Roll With It.

Our tea is made from the freshest rolled whole leaves - two leaves and a bud from the top of the plant, gently rolled and dried. Rolling tea leaves, rather than chopping them in to dust, let's them keep all of their flavour and natural oils, giving a great tasting tea with no bitterness. It takes a minute or two longer to brew, but the finished cup is definitely worth the wait.

WHISTLER'S STORM

20% vol
COLD BREW TEA LIQUEUR

Tasting notes:

Assam Black: Complex and appealing with hints of smoke, chocolate and leather. It is woody, with burnt caramel and herbal notes over the tannic depth of black tea.

Earl Grey: Bright and inviting. Gentle wafts of lemon peel, subtle bitter herbs lie beneath floral bergamot and strong, aromatic tea.

Lapsang Souchong: A bold, smoky essence with pine wood embers, enriched by spice for balance and depth, leaving a sophisticated, lingering finish.

Masala Chai: All of the beautiful complexity of chai. Bold, fiery flavours on the palate with cinnamon, ginger notes.

Offer something unique yet familiar to your customers with Whistler's Storm Tea Liqueur, blending the finest loose leaf teas with premium vodka. Ideal for sipping on the rocks or mixing into cocktails.

Brewing up a storm...

These are the Terms and Conditions of Business of The Gorgeous Food Company ("We", "Us", "the Company", "the Seller") as of 1st July 2025. The Gorgeous Food Company is a trading name of The Gorgeous Food Company Ltd, Company No: 06606598, VAT No: 935115733, Registered Address: 17-18 Corinium Business Park, Speculation Road, Forest Vale, Gloucestershire, GL14 2YD. Any orders accepted from the Buyer ("the Customer", "You") are subject to these Terms and Conditions of Business. These Terms and Conditions apply in preference to and supersede any Terms and Conditions referred to, offered or relied on by the Buyer whether in negotiation or at any stage in the dealing between the parties with reference to the goods with which this contract is concerned. We are unable to accept conflicting Terms of Purchase, which are hereby excluded. All orders placed by the Buyer shall be deemed to be conclusive evidence of acceptance of these Terms and Conditions.

Description

Any description given or applied to the goods has been given by way of representation only and the use of such description shall not constitute a sale by description. For the avoidance of doubt the Buyer hereby affirms that no reliance was placed on any description when entering into the contract.

Liability

No liability of any nature shall be incurred or accepted by the seller in respect of any representation made by the seller or in respect of any express term of this contract, or on its behalf of the buyer prior to the making of this contract where such representations were made or given in relation to the correspondence of the goods with any description, or the quality of the goods or the fitness of the goods for any purposes whatsoever. Each provision of the clause is to be construed as a separate limitation applying and surviving even if for any reason one or other of the foregoing provisions is held inapplicable or unreasonable in any circumstances and shall remain in force notwithstanding termination of this contract.

Payment & Accounts

The Buyer's initial three orders are to be settled by pro-forma invoice. Subsequent orders may be accepted on a credit account subject to relevant checks and trade references. All invoices must be paid within 30 days from date of issue. If payments are not received by the due date, we reserve the right to remove any credit facility and charge the Buyer interest at 8% above Bank of England base rate for every calendar month until all outstanding amounts are paid in full. For this calculation the calendar month which the account should have been paid is included. Any bank charges incurred, such as failed direct debits will be passed to the Buyer. We also reserve the right to refer the Buyer's account to an external debt collection agency if invoices remain unpaid, in such cases any costs or charges incurred by so doing will be passed to the Buyer. In any case We reserve the right to suspend or terminate trading with the Buyer on these Terms and Conditions if it is in the Company's opinion that there is a deterioration in the Buyer's creditworthiness. We also reserve the right in our absolute discretion at any time to insist upon payment by means of cleared funds before providing goods, notwithstanding any subsisting agreement to provide credit to the customer. The Seller is able to accept payment for goods by way of bank transfer, direct debit, credit card or debit card. The seller no longer accepts cheques.

Title

Until payment for the goods is made in full, the goods shall remain the property of the Seller, but the risk therein and all liability to third parties in respect thereof shall pass to the Buyer on delivery. The Buyer shall keep the goods in such a manner that they shall be identifiable by the Seller. The Buyer may sell the goods in the normal course of its' business but in a fiduciary capacity as bailee of the goods shall hold and pursue all claims for the proceeds of their sale equal to the price of the goods for and on behalf of the seller. In the event of non-payment by the Buyer by the due date, the Seller shall be entitled in addition to all other rights to enter any premises where the goods may be and recover possession of them.

Prices

All prices shown in Pounds Sterling are strictly net and are subject to change without notification. Every effort will be made to maintain prices but variations in costs and/or currency exchange rates may necessitate immediate price changes and all orders are placed on this basis. Without prejudice to the generality of the foregoing, any change in the applicable rate of VAT or of any other Government tax or levy shall be applied to the Buyer's account.

VAT

Products subject to VAT at a rate of 20% (subject to Government changes as referred to in the previous clause) are so marked in the VAT column of the invoice. All other products are subject to zero rates and indicated accordingly.

Delivery

We offer free delivery on orders over £150 net delivered to UK mainland addresses and £250 net delivered to addresses in the Scottish Highlands and Islands, Northern Ireland and Isle of Man. Orders under the minimum for free delivery will be charged at £9.99 + VAT for mainland UK and £19.99 + VAT for non mainland UK. For orders outside of these specified areas, please contact us to discuss delivery charges and timescales. Any delivery dates given are approximate and late delivery will not be an acceptable reason for refusing products unless the Seller is informed in writing before the products are dispatched.

Claims

All products must be checked upon receipt and any shortages or damaged goods must be marked on the delivery note at the time of delivery and a claim in respect of any such shortages made immediately by telephone and confirmed in writing within 24 hours of receipt of the consignment.

Sale or Return

The Seller does not offer goods on sale or return basis and no employee of the Seller is authorised to accept orders on a sale or return basis. It is therefore the responsibility of the Buyer to sell the products prior to the expiry of any "best before" or "use by" date. The Seller's stockholding and distribution systems are designed to allow stock to be dispatched in date rotation order. No products are to be returned to the Seller without the prior agreement in writing of the Seller. Unless such agreement is obtained no credit can be issued. Credit cannot be given for products that are price marked

Cancellation

No order which has been accepted by the Seller may be cancelled by the Buyer except with the agreement in writing of the Seller and on the terms that the Buyer shall indemnify the Seller in full against all loss (including loss of profit), costs, damages, charges and expenses incurred by the Seller as a result of cancellation.

Force Majeure

The Seller reserves the right to defer the date of delivery or to cancel the contract or reduce the volume of goods ordered by the Buyer (without liability to the Buyer) if it is prevented from or delayed in the carrying on of its' business due to circumstances beyond the reasonable control of the Seller including, without limitation, acts of God, governmental actions, war or national emergency, acts of terrorism, protests, riot, civil commotion, fire, explosion, flood, epidemic, lock-outs, strikes or other labour disputes (whether or not relating to either party's workforce), or restraints or delays affecting carriers or inability or delay in obtaining supplies or adequate or suitable materials, providing that, if the event in question continues for a continuous period in excess of sixty days, the Buyer shall be entitled to give notice in writing to the Seller to terminate the contract.
