WELCOME MESSAGE

ANDREW W SCOTT
Vice Chairman and CEO
Inside Asian Gaming

While this year’s event could in one sense be described as the inaugural running of the **IAG ACADEMY IR AWARDS**, in another sense it is not. In 2021 in Macau we hosted what was then called the IR Academy Asia Awards, a much smaller event at which we named six individual winners across just two awards categories: Industry Icons and Rising Stars.

The **IAG ACADEMY IR AWARDS** are an expansion of that concept and come in the wake of IAG rebranding the IR Academy Asia to the “IAG Academy” earlier this year.

The Asian integrated resort industry has come of age over the past two decades and now boasts a range of magnificent properties in places like Macau, the Philippines, Singapore, Australia, Cambodia, Korea, Vietnam and New Zealand, with more countries on the way such as Japan and maybe even Thailand.

Asia-Pacific IR offerings are only going to get better and better as time goes and for an industry of such opulence it makes sense that there be a prestigious annual awards to recognize them.

Although IAG has partnered with other organizations to host industry awards nights in the past, the reality is that, due to COVID and other factors, there hasn’t been a true Asian IR awards for more than four years. So we decided to take the plunge and develop an awards befitting those who make our industry tick.

At the heart of the **IAG ACADEMY IR AWARDS** is a promise of fairness and accuracy. It is undoubtedly true that many awards ceremonies of this type suffer from a credibility problem because winners are selected based on how much advertising or sponsorship money they spend with the host organization.

IAG has instead set out from day one to run a fair and transparent awards which is why we have named almost 100 judges — all with at least one decade of IR experience and most with much more — to determine the award winners. Naturally, no judge will be permitted to vote in any category in which they have a vested interest.

THE IAG ACADEMY IR AWARDS are the true awards of the Asian IR industry and we are pleased to bring you the first gala dinner in celebration of these awards, here in the plush surrounds of Hilton Manila at Newport World Resorts.

Finally, I would like to thank the entire IAG team for the enormous amount of effort they have put in to make this event a reality at such short notice. Without them, none of us would be sitting here tonight.

I hope you all enjoy a wonderful night full of great conversation, lively entertainment and a sumptuous selection of food and wine.

ACADEMY IR AWARDS

ABOUT IAG ACADEMY AWARDS

The **IAG ACADEMY IR AWARDS** is a live in-person event with a black-tie gala dinner, held alongside the two-day IAG Academy Summit. Organizer Inside Asian Gaming is an Asian born and bred company with an in-depth knowledge of the people and companies who have made the industry in the Asia-Pacific region what it is today. Publishing around 2,000 news, analysis and opinion articles on the industry in APAC each year, IAG has the credibility and convening authority to organize the most prestigious, credible and recognized Awards for the Asia-Pacific Integrated Resort industry.

Our most important priorities with the **IAG ACADEMY IR AWARDS** are transparency and fairness. As with everything IAG does, we do it differently. We want to see the true best-of-the-best honored and therefore take extraordinary steps to ensure each category is judged and awarded without fear or favor. Anybody can make public nominations. The Awards judging process is fully audited. There are a large number of Awards judges. The criteria to be a judge is published and any person meeting that criteria will be allowed to become a judge if they wish to. Judging is by vote and the votes are sealed and kept indefinitely to allow future audit if necessary.

The **IAG ACADEMY IR AWARDS** are the true awards of the Asia-Pacific gaming industry!

ORGANIZER

Inside Asian Gaming is Asia's leading B2B digital and print media brand for the gaming, resort and entertainment industry. It has the highest website traffic, social media following, digital newsletter distribution and print magazine distribution of any such brand.

Founded in 2005, *IAG* has a broad business editorial focus on the Asian gaming and integrated resort industry. It is widely distributed to industry executives throughout Macau and the rest of Asia in two formats: a monthly English and traditional Chinese fully bilingual digital and print magazine and a daily English language e-newsletter titled *IAG Breakfast Briefing*, delivered at 8am Macau time in English and 11am in traditional Chinese each weekday. *IAG* also publishes special magazine editions for G2E Asia each May and the Asian Gaming Power 50 each November.

IAG produces **all original content**. As well as almost always being the first media outlet to publish breaking industry news, the deep domain knowledge our journalists have accumulated from as far back as the 1980s allows *IAG* to offer highly insightful opinion pieces and analysis of industry news. We do not aggregate media content or copy from other media outlets. Conversely, *IAG* is often the original source (sometimes credited, more often not!) of many stories published around the world covering the Asian IR and gaming industry.

AWARDS PROCESS

PUBLIC NOMINATION PERIOD

Mon 24 Jul to Wed 16 Aug 2023

Any member of the public was allowed to submit nominations for any award category by visiting iagacad.com and completing the nomination web form under the "AWARDS" section of the website. There was no prohibition against self-nomination. Nominations closed strictly at midnight Manila time at the end of Wednesday 16 August 2023, and late nominations were not accepted.

OFFICIAL NOMINEES SELECTED

Thu 17 to Wed 23 Aug 2023

A select committee of the Judging Panel (itself appointed by the Chairman of the judging Panel) selected the official nominees for each award category from amongst the public nominations received during the public nomination period.

NOMINEE ANNOUNCEMENT AND PROMOTION

Thu 24 to Wed 30 Aug 2023

The official nominees for each category were publicly announced on the IAG Academy website iagacad.com, IAG's website asgam.com, and by direct email to IAG's list of 28,000 recipients, beginning a publicity period before the official voting period began.

OFFICIAL VOTING PERIOD

Thu 31 Aug to Sat 9 Sep 2023

The full panel of judges voted on all categories from amongst the official nominees. The voting system is first-past-the-post, and the Chairman of the Judging Panel has the casting vote in the event of a tie. Any judges who were nominated, whose organizations were nominated or have a conflict of interest as determined by the Chairman of the Judging Panel were recused from the relevant category or categories.

VOTE TALLYING AND AUDITING

Sun 10 and Mon 11 Sep 2023

The votes were tallied by the Chairman of the Judging Panel in a secure location. The Chairman then certified the winners, with the entire process independently audited. The results were locked in a safe until just before the commencement of the Awards ceremony.

AWARDS CEREMONY

Wed 13 Sep 2023

The Chairman of the Judging Panel keeps the winners' envelopes on his person until just before the winners are announced.

MEET THE JUDGES

The judging panel of the IAG Academy IR Awards comprises some of the most experienced minds in the business representing a variety of sectors including operators, suppliers, lawyers, consultants, industry media and more. They are all extremely well-connected to the industry.

The very large judging panel of nearly 100 judges was chosen for two reasons. Firstly, it provides a broad cross section of the industry. Secondly, a large voting pool promotes a very fair and democratic process in the selection of the winners, adding to the credibility and prestige of the awards.

All judges were required to meet certain pre-determined criteria to be admitted to the judging panel, including a minimum of 10 years IR industry experience with a minimum of five years in the Asia-Pacific region. But for many of the judges, their industry experience spans many decades.
