

WOMEN'S WAY | 50th ANNIVERSARY

1976-2026

2026 SPONSORSHIP PACKET

A LEGACY BUILT IN PHILADELPHIA. A FUTURE DESIGNED TOGETHER.

FROM OUR FOUNDING IN 1976 TO TODAY, WOMEN'S WAY HAS PLAYED AN INTEGRAL PART IN PHILADELPHIA'S STORY AND OUR NATION'S HISTORY.

Fifty years ago, a group of visionary women came together around a bold idea: that by uniting under one banner, they could strengthen their collective voice and drive greater progress. That idea gave rise to WOMEN'S WAY—the **nation's first umbrella women's funding federation**—and sparked a legacy of leadership, community, and impact that continues to shape our region today.

From hosting landmark convenings that elevated voices like Coretta Scott King and Gloria Steinem to advancing key initiatives targeting gender and economic opportunity, **WOMEN'S WAY has spent five decades driving transformational change.**

Now, as we proudly celebrate our 50th Anniversary alongside our nation's 250th, we carry that same spirit forward. We're honoring how far we've come, uplifting Philadelphia's enduring role as a hub for social progress, and investing in what comes next: stronger, more inclusive communities and shared prosperity for our region.

We invite you to join us to celebrate this powerful legacy and play an integral role in shaping the next 50 years.

1976-2026

50TH ANNIVERSARY CELEBRATION

The Annual Celebration is WOMEN'S WAY's signature event, and in 2026, it's going to be **bigger than ever**. As we mark our 50th Anniversary and celebrate the nation's 250th, this **milestone gathering** will bring together Philadelphia's most influential business, civic, and community leaders for an inspiring evening celebrating the bold leadership that has shaped our region's progress toward gender equity.

Held at the **Crystal Tea Room**, the event will feature networking, a musical performance, and the presentation of the Gender Equity Champion, Corporate Ally, and prestigious Lucretia Mott Award.

Over the years, we've recognized trailblazers like Coretta Scott King, Gloria Steinem, Marian Anderson, and Dr. Ala Stanford—leaders whose impact continues to shape our region and beyond.

By sponsoring, you'll be recognized alongside this landmark celebration, honoring a 50-year legacy and powering the next 50 years of change.

FIFTH ANNUAL GENDER WEALTH SUMMIT

The Gender Wealth Summit is Philadelphia's **leading forum** for tackling the gender wealth gap. In August 2026, as WOMEN'S WAY marks its 50 year anniversary, we'll host the Fifth Annual Gender Wealth Summit. This milestone reflects our deep commitment to building collective action and driving bold ideas that will expand gender economic security.

Each year, this energizing gathering brings together **100+ funders, business leaders, advocates, and community partners** to share ideas, build solutions, and move from conversation to action. By sponsoring, your company can play a key role in advancing economic opportunity in our region.

50TH ANNIVERSARY YEARLONG ENGAGEMENT

***EXCLUSIVE OPPORTUNITY FOR LEGACY SPONSORS**

Throughout 2026, WOMEN'S WAY will commemorate 50 years of leadership, innovation, and impact with a series of special events and community activations. In a year that also marks our nation's 250th anniversary, these activities will highlight the vital role women have played in shaping Philadelphia's civic infrastructure and inspire the next generation to carry that legacy forward.

From thought-provoking panels to digital learning campaigns, your sponsorship will help power a **historic year of storytelling, connection, and inspiration**, shining a light both on the past and the possibilities for the future.

IMPACT SNAPSHOT

YOUR SUPPORT HELPS CARRY FORWARD 50 YEARS OF IMPACT INTO THE NEXT GENERATION. HERE'S HOW YOUR SPONSORSHIP MAKES AN IMPACT IN 2026 AND BEYOND:

- Equip nonprofits with the tools and resources to improve outcomes for women and all marginalized genders, families, and communities through our grantmaking programs.
- Support education, research, and advocacy initiatives that help funders, advocates, and decision-makers design programs and policies that strengthen our local community.
- Empower community leaders to hone their skills and become effective change agents in their communities through programs like our Speakers Bureau.
- Advance our research and programs focused on closing the gender wealth gap, helping ensure everyone in the region has access to economic security.
- Uplift Philadelphia's strong civic leadership, progress, and the ongoing pursuit of a thriving region where everyone has access to security, dignity, freedom, and joy.

*"There is so much research and data that shows how helping women is such a tipping point. You're not just helping that one woman; this impact is exponential because the support you show a woman impacts families, children, etc. If you want to leverage your philanthropy, **help women** because they will make sure that the donation you make is given back tenfold."*
