COLOR DIVE

Bathroom is a true sanctuary: Private, safe, secret and heavenly. It must be designed to feel good which restates our motto...

KUSHIRO

The traditional everyday rituals of rural Japan are reflected to the walls with a graceful style
in harmony with the divine nature of uncountable islands.
This simple peaceful garden and mountain views can create an instant retreat for relaxation.

CONTEMPLATIVE

Designed with a meditative feeling, this pattern blends bamboo branches, an aged paper-effect background and Asian elements with geometric lines.

SEASONAL BEAUTY

This Bespoke wallpaper is a mix of Indian, Iranian, and Chinese style coming all together in a fancy tropical style. Each unique design is complemented with options for re-coloring and/or design revisions for special applications. Perfect match for contemporary living spaces aimed at accentuating the sense of uniqueness. Gold Metallic hand painting is also recommended.

TRIP

In many cultures elephant imagery at home invites good luck and fortune. Predominant shades of gray are highlighted by terracotta and burnt orange colors. Welcoming colonial style creates a full and relax atmosphere...

BLUE SILHOUETTE

Inspired by Portuguese painted tin-glazed ceramic tileworks, a Mediterranean breeze for blue blanc lovers and colonial style decorations, which never go out of fashion. An extravagance for outstanding walls.
